Defence

I.4) Contract award on behalf of other contracting authorities/entity:

The contracting authority is purchasing on behalf of other contracting authorities: No

Section II: Object Of The Contract: SERVICES

II.1) Description

II.1.1) Title attributed to the contract by the contracting authority/entity: IRM16/1321 -
Repair of Various electrical assemblies from the OSVP and PMVP Platforms

II.1.2) Type of contract and location of works, place of delivery or of performance:
SERVICES

Service Category: 3

Region Codes: UKG21 - Telford and Wrekin

II.1.3) Framework agreements: The establishment of a framework agreement

II.1.4) Information on framework agreement:

Framework agreement with a single operator

Duration of the framework agreement:

Duration in year(s): 5

Estimated total value of purchases for the entire duration of the framework agreement:

Range between: 9,800,000 and 13,000,000

Currency: GBP

II.1.5) Short description of the contract or purchase:

Repair, maintenance and associated services of vehicles and related equipment. The Authority has the potential requirement for the repair of various electrical assemblies from

the OSVP and PMVP platforms. It is the intention of the Authority to award a Contract with a single Contractor in order to carry out repair activities.

The successful Contractor will be required to repair Articles as per OEM Specification with an accompanying Certificate of Conformity where required.

The successful Contractor will be required to supply all spares/components necessary to undertake the repair process, subsequent packaging to appropriate Military Packing Levels and the delivery of Articles to the Authority post completion of repair activity will be expected.

This requirement contains 7 LOTs which include:

- Lot 1 - Pumps
- Lot 2 – Charging Equipment
- Lot 3 - Heating and Ancillaries
- Lot 4 – Electrical Panels
- Lot 5 – Harnesses
- Lot 6 – Fans
- Lot 7 – Rotating Electrics

All applicable NSNs will be detailed

The Authority reserves the right to add items of a similar nature to the contract during its lifetime.

II.1.6)Common Procurement Vocabulary:

50100000 - Repair, maintenance and associated services of vehicles and related equipment.

II.1.7)Information about subcontracting:

The tenderer has to indicate in the tender any share of the contract it may intend to subcontract to third parties and any proposed subcontractor, as well as the subject-matter of the subcontracts for which they are proposed.

II.1.8)Division into lots: Yes

Tenders may be submitted for: All lots

II.1.9)Variants will be accepted: No

II.2)Quantity Or Scope Of The Contract

II.2.1)Total quantity or scope (including all lots, renewals and options):

The Authority has the potential requirement for the repair of various electrical assemblies from the OSVP and PMVP platforms. It is the intention of the Authority to award a Contract with a single Contractor in order to carry out repair activities.

The successful Contractor will be required to repair Articles as per OEM Specification with an accompanying Certificate of Conformity where required.

The successful Contractor will be required to supply all spares/components necessary to

undertake the repair process, subsequent packaging to appropriate Military Packing Levels and the delivery of Articles to the Authority post completion of repair activity will be expected.

Lot 1 - Pumps

Lot 2 – Charging Equipment

Lot 3 - Heating and Ancillaries

Lot 4 – Electrical Panels

Lot 5 – Harnesses

Lot 6 – Fans

Lot 7 – Rotating Electrics

The Authority reserves the right to add items of a similar nature to the contract during its lifetime.

The Authority reserves the right to amend any condition related to security of information to reflect any changes in national law or government policy. If any contract documents are accompanied by a Security Aspects Letter, the Authority reserves the right to amend the terms of the Security Aspects Letter to reflect any changes in national law or government policy whether in respect of the applicable protective marking scheme, specific protective markings given, the aspects to which any protective marking applies or otherwise

The Repair will include, but not limited to:

Process of Repair

- Repair: All Articles are to be repaired to A1 condition as per OEM Specification.
- Component Parts: All faulty, damaged or missing component parts that are required to repair the equipment shall be replaced using the current OEM/Genuine manufacturer's parts or to the OEM Specification, as appropriate.
- Replacement parts: The Contractor shall be responsible for the procurement of all replacement parts within the terms and conditions of the contract. When replacement/alternative parts are used because OEM parts are no longer available, Certificates of Conformity are required for all parts which may affect the reliability of the equipment. These certificates shall be made available to the Authority upon request.
- Testing on completion: On completion of the Repair activity, a functional test/inspection shall be carried out on the equipment, in accordance with the OEM Test Specification. All test equipment used is to be provided and maintained by the Contractor.
- The Contractor is to keep records of all visits/survey reports, repair approvals, certificates and costs incurred in the repairs to these equipments. These records must be made available to the Authority as requested.

Expressions of Interest will be via the Dynamic Pre-Qualification Questionnaire (DPQQ)

linked to this Contract Notice. Only those expressions of interest that fully meet the above criteria and DPQQ shall be considered for Invitation to Tender.

The announcement of a possible future requirement is not to be taken as confirmation that a Tender/Contract will subsequently be issued.

QA standards or equivalent: The Contractor shall hold and maintain a certification to ISO 9001:2008 or equivalent quality accreditation to a correct scope relevant to this requirement. Expressions of interest will be via a Dynamic Pre-Qualification Questionnaire (DPQQ) linked to this Contract Notice. Only those expressions of interest that fully meet the above criteria and DPQQ shall be considered for Invitation to Tender.

No business whatsoever is guaranteed under any resulting framework agreement or contract, indeed there is no guarantee that any framework agreement or contract will be put in place in relation to this Contract Notice. No compensation etc. will be paid if a tender or resulting framework agreement is withdrawn for any reason. Bidders should take part in this place only on the basis that they fully understand and accept his position.

The Authority reserves the right to amend any condition related to security of information to reflect any changes in national law or government policy. If any contract documents are accompanied by a Security Aspects Letter, the Authority reserves the right to amend the terms of the Security Aspects Letter to reflect any changes in national law or government policy whether in respect of the applicable protective marking scheme, specific protective markings given, and the aspects to which any protective marking applies or otherwise.

Estimated value excluding VAT:
Range between: 4,000,000 and 10,000,000
Currency: GBP

II.2.2)Options: Yes

If yes, description of these options: Babcock DSG acting on behalf of the UK Ministry of Defence has the potential requirement to place a 5 year Enabling Contract with the possibility of a further 2 x 1 year options.

If known, Provisional timetable for recourse to these options:

Duration in months: 60 (from the award of the contract)

II.2.3)Renewals: No

II.3)Duration Of The Contract Or Time-Limit For Completion

4140993045299 SCAVENGE FAN 4CR2A

The Authority reserves the right to add items of a similar nature to the contract during its lifetime.

The Repair will include, but not limited to:

Process of Repair

- Repair: All Articles are to be repaired to A1 condition as per OEM Specification.
- Component Parts: All faulty, damaged or missing component parts that are required to repair the equipment shall be replaced using the current OEM/Genuine manufacturer's parts or to the OEM Specification, as appropriate.
- Replacement parts: The Contractor shall be responsible for the procurement of all replacement parts within the terms and conditions of the contract. When replacement/alternative parts are used because OEM parts are no longer available, Certificates of Conformity are required for all parts which may affect the reliability of the equipment. These certificates shall be made available to the Authority upon request.
- Testing on completion: On completion of the Repair activity, a functional test/inspection shall be carried out on the equipment, in accordance with the OEM Test Specification. All test equipment used is to be provided and maintained by the Contractor.
- The Contractor is to keep records of all visits/survey reports, repair approvals, certificates and costs incurred in the repairs to these equipments. These records must be made available to the Authority as requested.

Expressions of Interest will be via the Dynamic Pre-Qualification Questionnaire (DPQQ) linked to this Contract Notice. Only those expressions of interest that fully meet the above criteria and DPQQ shall be considered for Invitation to Tender.

The announcement of a possible future requirement is not to be taken as confirmation that a Tender/Contract will subsequently be issued.

QA standards or equivalent: The Contractor shall hold and maintain a certification to ISO 9001:2008 or equivalent quality accreditation to a correct scope relevant to this requirement.

Expressions of interest will be via a Dynamic Pre-Qualification Questionnaire (DPQQ) linked to this Contract Notice. Only those expressions of interest that fully meet the above criteria and DPQQ shall be considered for Invitation to Tender.

No business whatsoever is guaranteed under any resulting framework agreement or contract, indeed there is no guarantee that any framework agreement or contract will be put in place in relation to this Contract Notice. No compensation etc. will be paid if a tender or resulting framework agreement is withdrawn for any reason. Bidders should take part in this place only on the basis that they fully understand and accept his position.

The Authority reserves the right to amend any condition related to security of information to reflect any changes in national law or government policy. If any contract documents are accompanied by a Security Aspects Letter, the Authority reserves the right to amend the terms of the Security Aspects Letter to reflect any changes in national law or government policy whether in respect of the applicable protective marking scheme, specific protective markings given, and the aspects to which any protective marking applies or otherwise.

If known, estimated cost of works excluding VAT: 1,900,000

Currency: GBP

4) Indication About Different Date For Start Of Award Procedures And/Or Duration Of The Contract Not Provided

5) Additional Information About Lots: Not Provided

Section III: Legal, Economic, Financial And Technical Information

III.1) Conditions relating to the contract

III.1.1) Deposits and guarantees required:

Not Provided

III.1.2) Main financing conditions and payment arrangements and/or reference to the relevant provisions governing them:

Not Provided

III.1.3) Legal form to be taken by the group of economic operators to whom the contract is to be awarded:

If a group of economic operators submits a bid, the group must nominate a lead organisation to deal with the Authority. The Authority shall require the group to form a legal entity before entering into the contract

III.1.4) Other particular conditions to which the performance of the contract is subject, in particular with regard to security of supply and security of information:

The Authority reserves the right to amend any condition related to security of information to reflect any changes in national law or government policy. If any contract documents are accompanied by a Security Aspects Letter, the Authority reserves the right to amend the terms of the Security Aspects Letter to reflect any changes in national law or government policy whether in respect of the applicable protective marking scheme, specific protective markings given, the aspects to which any protective marking applies or otherwise.

III.1.5) Information about security clearance

Candidates which do not yet hold security clearance may obtain such clearance until: Not Provided

III.2) Conditions For Participation

III.2.1) Economic and financial capacity:

Criteria regarding the personal situation of economic operators (that may lead to their exclusion) including requirements relating to enrolment on professional or trade registers.

Not Provided

III.2.2) Economic and financial standing:

Criteria regarding the economic and financial standing of economic operators (that may lead to their exclusion)

(a) Appropriate statements from the economic operator's bankers or where appropriate, evidence of relevant professional risk indemnity insurance;

(b) The presentation of balance-sheets or extracts from the balance-sheets, where publication of the balance-sheet is required under the law of the country in which the economic operator is established;

Minimum level(s) of standards possibly required: (if applicable)

The estimated annual contract value is £1,400,000.00. If the estimated annual contract value is greater than 25% of the supplier's turnover, the Authority reserves the right to exclude the supplier from being selected to tender except where the supplier provides, to the satisfaction of the Authority, evidence showing it has sufficient economic and financial capability, e.g. such evidence may include:

- (1) Any additional information proving it has sufficient economic and financial resources to deliver the requirement; and
- (2) State whether the supplier is willing to provide the Authority with an indemnity, guarantee or bank bond.

A financial assessment will be undertaken on the supplier's financial status. An overall pass / fail judgement will be made after considering areas such as turnover, profit, net assets, liquidity, gearing and capacity. This assessment will include the Parent company where applicable. An independent financial assessment obtained from a reputable credit rating organisation will be utilised as part of this process.

III.2.3) Technical and/or professional capacity:

Criteria regarding the technical and/or professional ability of economic operators (that may lead to their exclusion)

(a) in the case of a supply contract requiring the siting or installation of goods, a services contract or a works contract, the economic operator's technical ability, taking into account in particular that economic operator's skills, efficiency, experience and reliability;

(b) a list of works carried out over the past five years together with (unless the contracting authority specifies that the following certificate should be submitted direct to the contracting authority by the person certifying) certificates of satisfactory completion for the most important of those works indicating in each case: (i) the value of the consideration received; (ii) when and where the work or works were carried out; and (iii) specifying whether they were carried out according to the rules of the trade or profession and properly completed;

(1) certification by official quality control institutes or agencies of recognised competence, attesting that the goods to be purchased or hired under the contract conform to standards and technical specifications (within the meaning of regulation 12(1)) identified by the contracting authority;

(n) a certificate: (i) attesting conformity to quality management systems standards based on the relevant European standard; and (ii) from an independent accredited body established in any member State conforming to the European standards concerning accreditation and certification;

(o) any other evidence of conformity to quality management systems standards which are equivalent to the standards referred to in sub-paragraph (n)(i);

III.2.4) Information about reserved contracts: Not Provided

III.3) Conditions Specific To Service Contracts

III.3.1) Execution of service is reserved to particular profession: Not Provided

III.3.2) Legal person should indicate the names and professional qualifications of the staff responsible for execution of the service: Not Provided

Section IV: Procedure

IV.1) Type Of Procedure

IV.1.1) Type of procedure: Restricted

IV.1.2) Limitations on the number of operators who will be invited to tender or to participate:

Envisaged minimum number: 3 and maximum number: 10

Objective Criteria for choosing the limited number of candidates:

Interested suppliers are required to complete the PQQ to provide information that allows the Authority to evaluate the supplier's capacities and capabilities against the selection criteria set out at Sections III.2.1), III.2.2) and III.2.3) of this Contract Notice.

The Authority will use the PQQ response to create a shortlist of tenderers who:

- (1) are eligible to participate under Section III.2.1) of this Contract Notice;
 - (2) fulfil any minimum standards under Sections III.2.2) and III.2.3) of this Contract Notice;
- and
- (3) best meet in terms of capacity and capability the selection criteria set out Sections III.2.2) and III.2.3) of this Contract Notice.

We reserve the right to exclude any company that scores a 'no answer' or 'poor' answer on any question contained within the PQQ

IV.2) Award Criteria

IV.2.1) Award criteria:

The most economically advantageous tender in terms of

The criteria stated in the specifications, in the invitation to tender or to negotiate or in the descriptive document

IV.2.2) An electronic auction will be used: No

IV.3) Administrative Information

IV.3.1) File reference number attributed by the contracting authority: IRM16/1321 - Repair of Various electrical assemblies from the OSVP and PMVP Platforms

IV.3.2) Previous publication(s) concerning the same contract: No

IV.3.3) Conditions for obtaining specifications and additional documents or descriptive document:

Payable documents: No

IV.3.4)Time-limit for receipt of tenders or requests to participate

Date: 12/08/2017

Time: 18:00

IV.3.5)Date of dispatch of invitations to tender or to participate to selected candidates:
Not Provided

IV.3.6)Language(s) in which tenders or requests to participate may be drawn
up: English

Section VI: Complementary Information

VI.1)This Is A Recurrent Procurement: Not Provided

VI.2)The contract is related to a project and/or programme financed by European Union
funds: Not Provided

VI.3)Additional Information: The Authority reserves the right to amend any condition related to security of information to reflect any changes in national law or government policy. If any contract documents are accompanied by instructions on safeguarding classified information (e.g. a Security Aspects Letter), the Authority reserves the right to amend the terms of these instructions to reflect any changes in national law or government policy, whether in respect of the applicable protective marking scheme, specific protective markings given, the aspects to which any protective marking applies, or otherwise.
