

Marking of Articles

DEFCON 644

Edition 07/18

1. Each Article shall be marked in accordance with the procedure laid out in the Contract. Where no procedure is stated, the Contractor shall mark each Article clearly and indelibly in accordance with the requirements of the relevant DEF-STAN 05-132 as specified in the contract or specification. In the absence of such requirements, the Articles shall be marked with the MOD stock reference, NATO Stock Number (NSN) or alternative reference number shown in the Contract. Any marking method used shall not have a detrimental effect on the strength, serviceability or corrosion resistance of the Articles.
2. The marking shall include any serial numbers allocated to the Article.
3. Where because of its size or nature it is not possible to mark an Article with the required particulars, the required information should be included on the package or carton in which the Article is packed, in accordance with DEFCON 129.
