

Schedule 20 (Processing Data)

1. Status of the Controller

- 1.1 The Parties acknowledge that for the purposes of the Data Protection Legislation, the nature of the activity carried out by each of them in relation to their respective obligations under a Contract dictates the status of each party under the DPA 2018. A Party may act as:
- 1.1.1 "Controller" in respect of the other Party who is "Processor";
 - 1.1.2 "Processor" in respect of the other Party who is "Controller";
 - 1.1.3 "Joint Controller" with the other Party;
 - 1.1.4 "Independent Controller" of the Personal Data where the other Party is also "Controller",
- in respect of certain Personal Data under a Contract and shall specify in Annex 1 (Processing Personal Data) which scenario they think shall apply in each situation.

2. Where one Party is Controller and the other Party its Processor

- 2.1 Where a Party is a Processor, the only Processing that it is authorised to do is listed in Annex 1 (Processing Personal Data) by the Controller and may not be determined by the Processor.
- 2.2 The Processor shall notify the Controller immediately if it considers that any of the Controller's instructions infringe the Data Protection Legislation.
- 2.3 The Processor shall provide all reasonable assistance to the Controller in the preparation of any Data Protection Impact Assessment prior to commencing any Processing. Such assistance may, at the discretion of the Controller, include:
- 2.3.1 a systematic description of the envisaged Processing and the purpose of the Processing;
 - 2.3.2 an assessment of the necessity and proportionality of the Processing in relation to the Services;
 - 2.3.3 an assessment of the risks to the rights and freedoms of Data Subjects; and
 - 2.3.4 the measures envisaged to address the risks, including safeguards, security measures and mechanisms to ensure the protection of Personal Data.
- 2.4 The Processor shall, in relation to any Personal Data Processed in connection with its obligations under this Contract:
- 2.4.1 process that Personal Data only in accordance with Annex 1 (Processing Personal Data) unless the Processor is required to do otherwise by Law. If it is so required the Processor shall promptly notify the Controller before Processing the Personal Data unless prohibited by Law;

- 2.4.2 ensure that it has in place Protective Measures, including in the case of the Supplier the measures set out in Clause 18.4 of the Core Terms, which the Controller may reasonably reject (but failure to reject shall not amount to approval by the Controller of the adequacy of the Protective Measures) having taken account of the:
- (a) nature of the data to be protected;
 - (b) harm that might result from a Data Loss Event;
 - (c) state of technological development; and
 - (d) cost of implementing any measures.
- 2.4.3 ensure that:
- (a) the Processor Personnel do not Process Personal Data except in accordance with this Contract (and in particular Annex 1 (Processing Personal Data));
 - (b) it uses best endeavours to ensure the reliability and integrity of any Processor Personnel who have access to the Personal Data and ensure that they:
 - (i) are aware of and comply with the Processor's duties under this Schedule 20, Clauses 18 (Data protection), 19 (What you must keep confidential) and 20 (When you can share information);
 - (ii) are subject to appropriate confidentiality undertakings with the Processor or any Subprocessor;
 - (iii) are informed of the confidential nature of the Personal Data and do not publish, disclose or divulge any of the Personal Data to any third party unless directed in writing to do so by the Controller or as otherwise permitted by this Contract; and
 - (iv) have undergone adequate training in the use, care, protection and handling of Personal Data;
- 2.4.4 not transfer Personal Data outside of the UK and/or the EEA unless the prior written consent of the Controller has been obtained and the following conditions are fulfilled:
- (a) the destination country has been recognised as adequate by the UK government in accordance with Article 45 of the UK GDPR (or section 74A of DPA 2018) and/or the transfer is in accordance with Article 45 of the EU GDPR (where applicable); or
 - (b) the Controller and/or the Processor have provided appropriate safeguards in relation to the transfer (whether in accordance with UK GDPR Article 46 or section 75 of the DPA 2018) and/or Article 46 of the EU GDPR (where applicable) as determined by the Controller which could include relevant parties entering into:

- (i) where the transfer is subject to UK GDPR:
 - (A) the International Data Transfer Agreement issued by the Information Commissioner under S119A(1) of the DPA 2018 (the "**IDTA**"); or
 - (B) the European Commission's Standard Contractual Clauses per decision 2021/914/EU or such updated version of such Standard Contractual Clauses as are published by the European Commission from time to time ("**EU SCCs**") together with the UK International Data Transfer Agreement Addendum to the EU SCCs (the "**Addendum**"), as published by the Information Commissioner's Office from time to time under section 119A(1) of the DPA 2018; and/or
 - (ii) where the transfer is subject to EU GDPR, the EU SCCs,
as well as any additional measures determined by the Controller being implemented by the importing party;
 - (c) the Data Subject has enforceable rights and effective legal remedies;
 - (d) the Processor complies with its obligations under the Data Protection Legislation by providing an adequate level of protection to any Personal Data that is transferred (or, if it is not so bound, uses its best endeavours to assist the Controller in meeting its obligations); and
 - (e) the Processor complies with any reasonable instructions notified to it in advance by the Controller with respect to the Processing of the Personal Data.
- 2.4.5 at the written direction of the Controller, delete or return Personal Data (and any copies of it) to the Controller on termination of this Contract unless the Processor is required by Law to retain the Personal Data.
- 2.5 Subject to Paragraph 2.6 of this Schedule 20, the Processor shall notify the Controller immediately if in relation to it Processing Personal Data under or in connection with this Contract it:
- 2.5.1 receives a Data Subject Access Request (or purported Data Subject Access Request);
 - 2.5.2 receives a request to rectify, block or erase any Personal Data;
 - 2.5.3 receives any other request, complaint or communication relating to either Party's obligations under the Data Protection Legislation;

- 2.5.4 receives any communication from the Information Commissioner or any other regulatory authority in connection with Personal Data Processed under this Contract;
- 2.5.5 receives a request from any third Party for disclosure of Personal Data where compliance with such request is required or purported to be required by Law; or
- 2.5.6 becomes aware of a Data Loss Event.
- 2.6 The Processor's obligation to notify under Paragraph 2.5 of this Schedule 20 shall include the provision of further information to the Controller, as details become available.
- 2.7 Taking into account the nature of the Processing, the Processor shall provide the Controller with assistance in relation to either Party's obligations under Data Protection Legislation and any complaint, communication or request made under Paragraph 2.5 of this Schedule 20 (and insofar as possible within the timescales reasonably required by the Controller) including by immediately providing:
 - 2.7.1 the Controller with full details and copies of the complaint, communication or request;
 - 2.7.2 such assistance as is reasonably requested by the Controller to enable it to comply with a Data Subject Access Request within the relevant timescales set out in the Data Protection Legislation;
 - 2.7.3 the Controller, at its request, with any Personal Data it holds in relation to a Data Subject;
 - 2.7.4 assistance as requested by the Controller following any Data Loss Event; and/or
 - 2.7.5 assistance as requested by the Controller with respect to any request from the Information Commissioner's Office or any other regulatory authority, or any consultation by the Controller with the Information Commissioner's Office or any other regulatory authority.
- 2.8 The Processor shall maintain complete and accurate records and information to demonstrate its compliance with this Schedule 20. This requirement does not apply where the Processor employs fewer than two hundred and fifty (250) staff, unless:
 - 2.8.1 the Controller determines that the Processing is not occasional;
 - 2.8.2 the Controller determines the Processing includes special categories of data as referred to in Article 9(1) of the UK GDPR or Personal Data relating to criminal convictions and offences referred to in Article 10 of the UK GDPR; or
 - 2.8.3 the Controller determines that the Processing is likely to result in a risk to the rights and freedoms of Data Subjects.
- 2.9 The Processor shall allow for audits of its Data Processing activity by the Controller or the Controller's designated auditor.

- 2.10 The Parties shall designate a Data Protection Officer if required by the Data Protection Legislation.
- 2.11 Before allowing any Subprocessor to Process any Personal Data related to this Contract, the Processor must:
- 2.11.1 notify the Controller in writing of the intended Subprocessor and Processing;
 - 2.11.2 obtain the written consent of the Controller;
 - 2.11.3 enter into a written agreement with the Subprocessor which gives effect to the terms set out in this Schedule 20 such that they apply to the Subprocessor; and
 - 2.11.4 provide the Controller with such information regarding the Subprocessor as the Controller may reasonably require.
- 2.12 The Processor shall remain fully liable for all acts or omissions of any of its Subprocessors.
- 2.13 The Parties agree to take account of any guidance issued by the Information Commissioner's Office or any other regulatory authority. The Buyer may on not less than thirty (30) Working Days' notice to the Supplier amend this Contract to ensure that it complies with any guidance issued by the Information Commissioner's Office or any other regulatory authority.

3. Where the Parties are Joint Controllers of Personal Data

In the event that the Parties are Joint Controllers in respect of Personal Data under this Contract, the Parties shall implement Paragraphs that are necessary to comply with UK GDPR Article 26 based on the terms set out in Annex **Error! Reference source not found.** (Joint Controller Agreement) to this Schedule 20 (Processing Data).

4. Independent Controllers of Personal Data

- 4.1 With respect to Personal Data provided by one Party to another Party for which each Party acts as Controller but which is not under the Joint Control of the Parties, each Party undertakes to comply with the applicable Data Protection Legislation in respect of their Processing of such Personal Data as Controller.
- 4.2 Each Party shall Process the Personal Data in compliance with its obligations under the Data Protection Legislation and not do anything to cause the other Party to be in breach of it.
- 4.3 Where a Party has provided Personal Data to the other Party in accordance with Paragraph 4.2 of this Schedule 20 above, the recipient of the Personal Data will provide all such relevant documents and information relating to its data protection policies and procedures as the other Party may reasonably require.
- 4.4 The Parties shall be responsible for their own compliance with Articles 13 and 14 UK GDPR in respect of the Processing of Personal Data for the purposes of this Contract.

4.5 The Parties shall only provide Personal Data to each other:

- 4.5.1 to the extent necessary to perform their respective obligations under this Contract;
- 4.5.2 in compliance with the Data Protection Legislation (including by ensuring all required fair processing information has been given to affected Data Subjects);
- 4.5.3 where the provision of Personal Data from one Party to another involves transfer of such data to outside the UK and/or the EEA, if the prior written consent of the non-transferring Party has been obtained and the following conditions are fulfilled:
 - (a) the destination country has been recognised as adequate by the UK government in accordance with Article 45 of the UK GDPR or DPA 2018 Section 74A and/or Article 45 of the EU GDPR (where applicable); or
 - (b) the transferring Party has provided appropriate safeguards in relation to the transfer (whether in accordance with Article 46 of the UK GDPR or DPA 2018 Section 75 and/or Article 46 of the EU GDPR (where applicable)) as determined by the non-transferring Party which could include:
 - (i) where the transfer is subject to UK GDPR:
 - (A) the International Data Transfer Agreement (the "**IDTA**") as published by the Information Commissioner's Office or such updated version of such IDTA as is published by the Information Commissioner's Office under section 119A(1) of the DPA 2018 from time to time; or
 - (B) the European Commission's Standard Contractual Clauses per decision 2021/914/EU or such updated version of such Standard Contractual Clauses as are published by the European Commission from time to time (the "**EU SCCs**"), together with the UK International Data Transfer Agreement Addendum to the EU SCCs (the "**Addendum**") as published by the Information Commissioner's Office from time to time; and/or
 - (ii) where the transfer is subject to EU GDPR, the EU SCCs,
as well as any additional measures determined by the Controller being implemented by the importing party;
 - (c) the Data Subject has enforceable rights and effective legal remedies;

- (d) the transferring Party complies with its obligations under the Data Protection Legislation by providing an adequate level of protection to any Personal Data that is transferred (or, if it is not so bound, uses its best endeavours to assist the non-transferring Party in meeting its obligations); and
 - (e) the transferring Party complies with any reasonable instructions notified to it in advance by the non-transferring Party with respect to the processing of the Personal Data; and
- 4.5.4 where it has recorded it in Annex 1 (Processing Personal Data).
- 4.6 Taking into account the state of the art, the costs of implementation and the nature, scope, context and purposes of Processing as well as the risk of varying likelihood and severity for the rights and freedoms of natural persons, each Party shall, with respect to its Processing of Personal Data as Independent Controller, implement and maintain appropriate technical and organisational measures to ensure a level of security appropriate to that risk, including, as appropriate, the measures referred to in Article 32(1)(a), (b), (c) and (d) of the UK GDPR, and the measures shall, at a minimum, comply with the requirements of the Data Protection Legislation, including Article 32 of the UK GDPR.
- 4.7 A Party Processing Personal Data for the purposes of this Contract shall maintain a record of its Processing activities in accordance with Article 30 UK GDPR and shall make the record available to the other Party upon reasonable request.
- 4.8 Where a Party receives a request by any Data Subject to exercise any of their rights under the Data Protection Legislation in relation to the Personal Data provided to it by the other Party pursuant to this Contract ("**Request Recipient**"):
 - 4.8.1 the other Party shall provide any information and/or assistance as reasonably requested by the Request Recipient to help it respond to the request or correspondence, at the cost of the Request Recipient; or
 - 4.8.2 where the request or correspondence is directed to the other Party and/or relates to that other Party's Processing of the Personal Data, the Request Recipient will:
 - (a) promptly, and in any event within five (5) Working Days of receipt of the request or correspondence, inform the other Party that it has received the same and shall forward such request or correspondence to the other Party; and
 - (b) provide any information and/or assistance as reasonably requested by the other Party to help it respond to the request or correspondence in the timeframes specified by Data Protection Legislation.

- 4.9 Each Party shall promptly notify the other Party upon it becoming aware of any Data Loss Event relating to Personal Data provided by the other Party pursuant to this Contract and shall:
- 4.9.1 do all such things as reasonably necessary to assist the other Party in mitigating the effects of the Data Loss Event;
 - 4.9.2 implement any measures necessary to restore the security of any compromised Personal Data;
 - 4.9.3 work with the other Party to make any required notifications to the Information Commissioner's Office or any other regulatory authority and affected Data Subjects in accordance with the Data Protection Legislation (including the timeframes set out therein); and
 - 4.9.4 not do anything which may damage the reputation of the other Party or that Party's relationship with the relevant Data Subjects, save as required by Law.
- 4.10 Personal Data provided by one Party to the other Party may be used exclusively to exercise rights and obligations under this Contract as specified in Annex 1 (Processing Personal Data).
- 4.11 Personal Data shall not be retained or processed for longer than is necessary to perform each Party's respective obligations under this Contract which is specified in Annex 1 (Processing Personal Data).
- 4.12 Notwithstanding the general application of Paragraphs 2.1 to 2.14 of this Schedule 20 to Personal Data, where the Supplier is required to exercise its regulatory and/or legal obligations in respect of Personal Data, it shall act as an Independent Controller of Personal Data in accordance with Paragraphs 4.2 to 4.12 of this Schedule 20.

Description	Details
<p>Protective Measures that the Supplier and, where applicable, its Sub-contractors have implemented to protect Personal Data processed under this Contract Agreement against a breach of security (insofar as that breach of security relates to data) or a Data Loss Event</p>	<p>BJSS is registered with the ICO. We have organisational data loss prevention controls and data protection policies within the scope of ISO27001, these are reviewed annually at a minimum. Non-employees do not handle business or personal data. All contractors are required to enter into a BJSS contract laying out their obligations to data, and personal data obligations. Staff are required to undergo annual training which includes information security and data privacy modules. Prior to every engagement, staff must confirm that they are aware of their responsibilities to client security and privacy.</p> <p>We also maintain relevant physical and digital security measures as mandated by our ISMS, including clear desk policies, key card office access, disposal of sensitive data, secure access to BJSS systems through a VPN etc. As part of our ISO 27001 certification, BJSS maintains a Vulnerability and Patch Management Policy. This ensures that all servers, databases, and applications are patched regularly through the following measures:</p> <ul style="list-style-type: none"> *All IT systems are licensed appropriately and run up-to-date and patched operating systems and application software *Any IT system no longer licensed or supported by the manufacturer is removed from the BJSS network *Deployment of 'Critical' or 'High Risk' patches takes place within 14 days of vendor release. Where this is not possible, controls or mitigations are applied. *Third-party suppliers to BJSS are asked to evidence up-to-date patching *Systems are removed from BJSS' network when insufficiently patched and will only be reconnected when it is demonstrated that they are up-to-date <p>BJSS complies with the rights of data subjects as required by GDPR and maintains organisational data protection policies that cover requests from data subjects, data breach reporting, and data security.</p> <p>As required of us by GDPR, BJSS maintains full and accurate records of all our data processing activities - including records of data subjects' consent, and procedures for obtaining consent.</p> <p>BJSS does not transfer any data to third parties outside of the EU.</p> <p>As required of us by GDPR, BJSS maintains full and accurate records of all our data processing activities. This includes a data processor/controller record for logging processing activities across every BJSS engagement/delivery.</p>

Description	Details
	<p>Regular testing, assessment and evaluation of the above measures is facilitated through the following:</p> <ul style="list-style-type: none"> *BJSS' organisational data loss prevention controls and data protection policies are reviewed annually at a minimum. *Staff undergo training which includes information security and data privacy modules on an annual basis and as a condition of their contract. *Our security perimeter infrastructure is reviewed and assessed annually as part of our Cyber Essentials Plus certification. *Our Vulnerability and Patch Management policy ensures technical security and facilitates the regular patching of servers, databases, and applications. *We conduct penetration tests on an annual basis to validate the security of company resources which face the internet. *Essential members of our supply chain are subject to due diligence to ensure their alignment with our security standards and an annual review of these suppliers supports continued alignment.
