Core Terms

[REDACTED]

[REDACTED]

1. **Definitions used in the contract**

1.1 Interpret this Contract using Joint Schedule 1 (Definitions).

2. **How the contract works**

2.1 The Supplier is eligible for the award of Call-Off Contracts during the Framework Contract Period.

2.2 The Environment Agency (“EA”) and other executive non-departmental public bodies sponsored by Defra (‘Defra Group’) do not guarantee the Supplier any exclusivity, quantity or value of work under the Framework Contract. For the purpose of this framework agreement, the EA and Defra Group are referred either individually or together as EA and/or the Buyer.

2.3 EA has paid one penny to the Supplier legally to form the Framework Contract. The Supplier acknowledges this payment.

2.4 If the Buyer decides to buy Deliverables under the Framework Contract it must use Framework Schedule 6 (Order Form Template and Call-Off Schedules) and stated requirements. If allowed by the Regulations, the Buyer can:

- make changes to Framework Schedule 6 (Order Form Template and Call-Off Schedules)
- create new Call-Off Schedules
- exclude optional template Call-Off Schedules
- use Special Terms in the Order Form to add or change terms.

2.5 Each Call-Off Contract:

- is a separate Contract from the Framework Contract
- is between a Supplier and a Buyer
- includes Core Terms, Schedules and any other changes or items in the completed Order Form
- survives the termination of the Framework Contract

2.6 Where the Supplier is approached by an eligible Buyer requesting Deliverables or substantially similar goods or services, the Supplier must tell them about this Framework Contract before accepting their order. The Supplier will promptly notify EA if the eligible buyer won’t use this Framework Contract.

2.7 The Supplier acknowledges it has all the information required to perform its obligations under each call-off Contract before entering into the respective call-off Contract. When information is provided by a Relevant Authority no warranty of its accuracy is given to the Supplier.

2.8 The Supplier won’t be excused from any obligation, or be entitled to additional Costs or Charges because it failed to either:

- verify the accuracy of the Due Diligence Information
- properly perform its own adequate checks

2.9 EA and the Defra family won’t be liable for errors, omissions or misrepresentation of any information.

2.10 The Supplier warrants and represents that all statements made, and documents submitted as part of the procurement of Deliverables are and remain true and accurate.

3. **What needs to be delivered**

3.1 **All deliverables**

3.1.1 The Supplier must provide Deliverables:

- that comply with the Specification, the Framework Tender Response and, in relation to a Call-Off Contract, the Call-Off Tender (if there is one)
- to a professional standard
- using reasonable skill and care
- using Good Industry Practice
- using its own policies, processes and internal quality control measures as long as they don't conflict with the Contract.

3.2 **Goods Provided with Services clauses**

3.2.1 All Goods delivered must be new, or as new if recycled, unused and of recent origin.

3.2.2 All manufacturer warranties covering the Goods must be assignable to the Buyer on request and for free.

3.2.3 The Supplier transfers ownership of the Goods on Delivery or payment for those Goods, whichever is earlier.

3.2.4 Risk in the Goods transfers to the Buyer on Delivery of the Goods, but remains with the Supplier if the Buyer notices damage following Delivery and lets the Supplier know within 3 Working Days of Delivery.

3.2.5 The Supplier warrants that it has full and unrestricted ownership of the Goods at the time of transfer of ownership.

3.2.6 The Supplier must deliver the Goods on the date and to the specified location during the Buyer's working hours.

3.2.7 The Supplier must provide sufficient packaging for the Goods to reach the point of Delivery safely and undamaged.

3.2.8 All deliveries must have a delivery note attached that specifies the order number, type and quantity of Goods.

Core Terms

3.2.9 The Supplier must provide all tools, information and instructions the Buyer needs to make use of the Goods.

3.2.10 The Supplier must indemnify the Buyer against the costs of any Recall of the Goods and give notice of actual or anticipated action about the Recall of the Goods.

3.2.11 The Buyer can cancel any order or part order of Goods which has not been Delivered. If the Buyer gives less than 14 days notice then it will pay the Supplier's reasonable and proven costs already incurred on the cancelled order as long as the Supplier takes all reasonable steps to minimise these costs.

3.2.12 The Supplier must at its own cost repair, replace, refund or substitute (at the Buyer's option and request) any Goods that the Buyer rejects because they don't conform with Clause 3. If the Supplier doesn't do this it will pay the Buyer's costs including repair or re-supply by a third party.

3.3 Services clauses

3.3.1 Late Delivery of the Services will be a Default of a Call-Off Contract.

3.3.2 The Supplier must co-operate with the Buyer and third-party suppliers on all aspects connected with the Delivery of the Services and ensure that Supplier Staff comply with any reasonable instructions.

3.3.4 The Supplier must allocate sufficient resources and appropriate expertise to each Contract.

3.3.5 The Supplier must take all reasonable care to ensure performance does not disrupt the Buyer's operations, employees or other contractors.

3.3.6 The Supplier must ensure all Services, and anything used to Deliver the Services, are of good quality and free from defects. Notwithstanding the previous provision, the Supplier's standard of performance under this Agreement is to exercise Good Industry Practice and reasonable skill and care.

3.3.7 The Buyer is entitled to withhold payment for partially or undelivered Services, but doing so does not stop it from using its other rights under the Contract.

4 Pricing and payments

4.1 In exchange for the Deliverables, the Supplier must invoice the Buyer for the Charges in the Order Form.

Core Terms

4.2 The Buyer must pay the Supplier the Charges within 30 days of receipt by the Buyer of a valid, undisputed invoice, in cleared funds using the payment method and details stated in the Order Form.

- require the Supplier to replace its existing commercial terms with the more favourable terms offered for the relevant items.
- enter into a direct agreement with the Subcontractor or third party for the relevant item.

4.7 If EA or the Buyer uses Clause 4.8 then the Framework Prices (and where applicable, the Charges) must be reduced by an agreed amount by using the Variation Procedure.

4.8 EA and the Buyer's right to enter into a direct agreement for the supply of the relevant items is subject to both:

- the relevant item being made available to the Supplier if required to provide the Deliverables.
- any reduction in the Framework Prices (and where applicable, the Charges) excludes any unavoidable costs that must be paid by the Supplier for the substituted item, including any licence fees or early termination charges.

- wilful misconduct of the Supplier, Subcontractor and Supplier Staff that impacts the call-off Contract.
- non-payment by the Supplier of any tax or National Insurance

8.4 All claims indemnified under this call-off Contract must use Clause 26.

8.5 EA or a Buyer can terminate the call-off Contract for breach of any warranty or indemnity where they are entitled to do so.

8.6 If the Supplier becomes aware of a representation or warranty that becomes untrue or misleading, it must immediately notify EA and every Buyer.

8.7 All third-party warranties and indemnities covering the Deliverables must be assigned for the Buyer's benefit by the Supplier.

9. Intellectual Property Rights (IPRs)

9.1 Each Party keeps ownership of its own Existing IPRs. The Supplier gives the Buyer a non-exclusive, perpetual, royalty-free, irrevocable, transferable worldwide licence to use, change and sub-license the Supplier's Existing IPR to enable it to both:

- receive and use the Deliverables.
- make use of the deliverables provided by a Replacement Supplier

9.2 Any New IPR created under a Contract is owned by the Buyer. The Buyer gives the Supplier a licence to use any Existing IPRs and New IPRs for the purpose of fulfilling its obligations during the Contract Period.

9.3 Where a Party acquires ownership of IPRs incorrectly under a call-off Contract it must do everything reasonably necessary to complete a transfer assigning them in writing to the other Party on request and at its own cost.

9.4 Neither Party has the right to use the other Party's IPRs, including any use of the other Party's names, logos or trademarks, except as provided in Clause 9 or otherwise agreed in writing.

9.5 If there is an IPR Claim, the Supplier indemnifies EA and each Buyer against all losses, damages, costs or expenses (including professional fees and fines) incurred as a result.

9.6 If an IPR Claim is made or anticipated the Supplier must at its own expense and the Buyer's sole option, either:

- obtain for EA and the Buyer the rights in Clause 9.1 and 9.2 without infringing any third party IPR

10.9 Partially ending and suspending the contract

10.9.1 Where EA has the right to terminate the Framework Contract it can suspend the Supplier's ability to accept Orders (for any period) and the Supplier cannot enter into any new Call-Off Contracts during this period. If this happens, the Supplier must still meet its obligations under any existing Call-Off Contracts that have already been signed.

10.9.2 Where EA has the right to terminate a Framework Contract it is entitled to terminate all or part of it.

10.9.3 Where the Buyer has the right to terminate a Call-Off Contract it can terminate or suspend (for any period), all or part of it. If the Buyer suspends a call-off Contract it can provide the Deliverables itself or buy them from a third party.

14.5 If at any time the Supplier suspects or has reason to believe that the Government Data provided under a call-off Contract is corrupted, lost or sufficiently degraded, then the Supplier must notify the Relevant Authority and immediately suggest remedial action.

14.6 If the Government Data is corrupted, lost or sufficiently degraded so as to be unusable the Relevant Authority may either or both:

17. Invalid parts of the contract

If any part of a call-off Contract is prohibited by Law or judged by a court to be unlawful, void or unenforceable, it must be read as if it was removed from that call-off Contract as much as required and rendered ineffective as far as possible without affecting the rest of the call-off Contract, whether it's valid or enforceable.

18. No other terms apply

The provisions incorporated into each call-off Contract are the entire agreement between the Parties. The call-off Contract replaces all previous statements and agreements whether written or oral. No other provisions apply.

19. Other people's rights in a contract

No third parties may use the call-off Contract (Rights of Third Parties) Act (CRTPA) to enforce any term of the call-off Contract unless stated (referring to CRTPA) in the call-off Contract. This does not affect third party rights and remedies that exist independently from CRTPA.

20. Circumstances beyond your control

24.5 If there is a General Change in Law, the Supplier must bear the risk of the change and is not entitled to ask for an increase to the Framework Prices or the Charges.

24.6 If there is a Specific Change in Law or one is likely to happen during the call-off Contract Period, the Supplier must give EA and the Buyer notice of the likely effects of the changes as soon as reasonably practical. They must also say if they think any Variation is needed either to the Deliverables, Framework Prices or a call-off Contract and provide evidence:
