

This drawing is copyright and may not be altered, traced, copied, photographed or used for any purpose other than that for which it is issued without written permission from Meiloci Landscape Architects. Do not scale for construction purposes. Figured dimensions shall have precedence over scaled dimensions. Any discrepancies should be reported to the Landscape Architect. All trees and hedgerows are to be protected in accordance with BS5837 and/or Arboricultural recommendations unless instructed otherwise. To be read in conjunction with Remediation report 2187SPH3. Pathways in general to follow existing contours except where noted, not exceed 1:20 gradient and be installed on a cross-fall. Paths under existing tree canopy to be built up using a no-dig root protection system.
