Campaign Solutions 2

Introduction to Terms and Conditions

The Terms and Condition of the Campaign Solutions 2 framework agreement are provided in two legally binding contracts:

- Framework Contract - this will be the overarching contract between CCS and the individual agencies successfully awarded a place on the Campaign Solutions 2 Framework Agreement.
- Call-Off Contract - this provides the terms and conditions of the contract for clients appointing an agency through the framework agreement.

Core Terms

These are the main legal terms which apply to both the Framework Contract and the Call-Off contract. The Core Terms govern the agency's relationship with CCS at framework level and with each client at call-off level.

The Core Terms are supplemented with a number of Schedules, comprising:

- Framework schedules
- Joint schedules (for framework and call-off)
- Call-off schedules

The Framework Contract

This comprises:

- The Specification which sets out the range of campaign services to be provided through the Framework Agreement (Framework Schedule 1)
- The process clients must follow to appoint an agency (Framework Schedule 7 - Call-Off Award Procedure)
- The tender and rates submitted by the Agency in this tender process
- The Core Terms and Joint Schedules of the contract which apply to both the Framework and the Call-Off Contract as above
- Specific Framework Schedules relating to the framework contract between CCS and the Agency

The Call-Off Contract

Please note the Call-Off Contract should be read in conjunction with the Framework Contract. It is governed by the Core Terms as above and comprises:

- Joint Schedules as in the Framework Contract

- The Letter of Appointment template which is used to form the contract between the Client and the Agency and incorporates Joint and Call-Off Schedules plus any special terms (Framework Schedule 6)
- Specific Call-Off Schedules relating to the contract between the Client and the Agency

The process

To appoint an agency through the framework, clients will follow the process outlined in the Schedule 7 of the Framework Contract.

The Client will then use the Letter of Appointment template and incorporate the Joint and Call-Off Schedules in Framework Schedule 6 to form the Call-Off contract with the Agency.

Clients will complete the Call-Off schedules to suit their individual brief and can omit Call-Off Schedules which are not relevant to the contract. The optional schedules are highlighted in yellow and can be amended by the client to suit the requirement.

There are optional Call-Off terms which will only apply to certain clients (MOD and HMRC) and clients subject to Scottish or Northern Ireland laws. These are available as separate documents and do not need to form part of the Call-Off Contract unless required, if they form part of the Call Off Contract they will be legally binding.

The contracts follow the Public Sector Contract which presents the terms and schedules in a modular format. We have brought elements together into single documents but have retained the numbering of the individual terms and schedules for wider consistency. This means the clause numbering is not consecutive.

Letter of Appointment Template and Call-Off Schedules (Framework Schedule 6)

Project	United Nations Convention on the Rights of the Child (UNCRC) – Child Friendly Report Brief
Project Start Date Notice Period for cancellation	This will be a fixed term contract and will start on the 1 st May 2022 and will expire on the 15 th June 2022. There will be a 1 week notice period for cancellation of Project.
Overarching Brand/Campaign	The Department for Education (DfE) is the lead department on the United Nation Convention on the Rights of the Child (UNCRC) and is responsible for overseeing the reporting process to the UN on behalf of the UK (including the three Devolved Administrations, three Crown Dependencies and nine British Overseas Territories). The UNCRC consists of 54 articles that set out children's rights, and central to this is the acknowledgment

Deliverables

that every child has basic fundamental rights. The government must make sure that every child in the UK has the rights listed in the Convention.

- The requirement of the supplier is to produce a child friendly report and four bitesize videos of the UNCRC report, that will outline the key progress made by the UK government on children's rights over the last 5 years. The report and videos will be for children between the ages of 5-18. As this is a wide age range, we expect the supplier to produce two reports/ infographics and four videos for children between the ages of 5-12, and 13-18. The supplier will engage with children and young people to determine which parts of the report should and should not be included in the child friendly version. However, the supplier may also choose to outsource the consultation with children. It is vital that consulted children should play a key part in determining the content.
- The child friendly report and videos will be published on 15th June 2022 alongside the full report to the UN. We require the supplier to undertake a series of consultations (up to four), with children and young people (up to 15), from a wide demographic to gather feedback on the report and bitesize videos, alongside the design of the final report and videos.
- A consultation would be needed, with children, to help the supplier and DfE determine which parts of the main report should feature in the child-friendly version of the report and videos, as all information cannot be incorporated.

- Children should also be engaged on sections of the report and videos, for example family environment or climate change, as this would enable the supplier to understand how to translate these complex issues into child friendly language. The report and videos may need to include a foreword by the Minister and must include an explanation on the role of the government, the UN Committee, and the importance of children's rights. There will also be two versions of the report and up to four videos, one for the 5-12 age range and another for the 13-18 age range.
- We will incorporate the main finding through the use of static 'infographics' for the written material and animated 'infographics' for use in videos. Simple and clear headlines will be used to highlight key information and signpost children to further related information to read/watch and share.
- Our approach to engaging with children and young people from a wide demographic and age group will be to frame the report around 'Did you know', headlines presented with an impactful visual to draw attention to the things they need to know about their rights as children and young people. We will use the key findings of the report written in simple English for the younger age group.
- More information will be utilised for the older age group but the focus will still be on keeping things simple and clear. We will use a simple visual platform to create a consistent and visually engaging material ensuring children or young people with visual impairment or dyslexia can read and understand the content and call to actions.

Project Plan

- To drive distribution of the materials, we will employ a 'call to action' in all content to encourage children and young people to 'share' the content or ask parents or teachers to share on their behalf. We will promote school platforms and word of mouth as the preferred ways to share for children and younger people and social media for the older (teenage) age group.

 - iv. maintained for at least six (6) years after the End Date.
- c. The Agency shall ensure that the public and products liability policy contain an indemnity to principals clause under which the Relevant Authority shall be indemnified in respect of claims made against the Relevant Authority in respect of death or bodily injury or third party property damage arising out of or in connection with the Deliverables and for which the Agency is legally liable.

b) HOW TO MANAGE THE INSURANCE

- a. Without limiting the other provisions of this Contract, the Agency shall:
 - i. take or procure the taking of all reasonable risk management and risk control measures in relation to Deliverables as it would be reasonable to expect of a prudent contractor acting in accordance with Good Industry Practice, including the investigation and reports of relevant claims to insurers;

The Agency shall ensure that nothing is done which would entitle the relevant insurer to cancel, rescind or suspend any insurance or cover, or to treat any insurance, cover or claim as voided in whole or part. The Agency shall use all reasonable endeavours to notify the Relevant Authority (subject to third party confidentiality obligations) as soon as practicable when it becomes aware of any relevant fact, circumstance or matter which has caused, or is reasonably likely to provide grounds to, the relevant insurer to give notice to cancel, rescind, suspend or void any insurance, or any cover or claim under any insurance in whole or in part.
- g) **INSURANCE CLAIMS**
 - a. The Agency shall promptly notify to insurers any matter arising from, or in relation to, the Deliverables, or each Contract for which it may be entitled to claim under any of the Insurances.
