Request for Limitation of Liability				

BAE Systems have performed a review of the risk profile for this Task and the proposed limitation of contractor's liability. BAE Systems agree with the risk profile determination and have updated the Risk Profile Assessment Tool at Reference C as per our firm price proposal.

The Authority has performed a review of the risk profile for this Task and the proposed limitation of contractor's liability is summarised in Part 2 of this Tasking Form and detailed in the Statement of Requirement and Risk Assessment Tool. If required to do so by the risk assessment, or the Contractor believes that the risk profile is incorrect, they should complete Part 3 of the Tasking Form providing details of the identified risk, the mitigations in place, and the revised limitation of contractors liability

Additional limitations included – see attached completed form at Part 3
