2 services required

Bodmin Town Council wishes to seek quotations for providing the cleaning of its various public conveniences and the opening and closing of its car park.

Morning Requirements

- Unlock at each toilet block
- Opening of Car Park Barriers

Evening Requirements

- Lock each toilet block
- Clean each toilet block – In accordance to cleaning schedule;
- Cleaning is required Monday to Sunday, 52 weeks a year, including all bank holidays with the exception of Christmas Day (364 days per year)
- Cleaning activities reports need to be signed and logged daily at each site
- Graffiti to be removed or reported if excessive and cannot be removed
- closing of car park barriers

Vandalism and problems must be reported immediately and where appropriate not opened to the public. The Estates Manager should be notified immediately

A quarterly deep clean of each toilet block should to be included in the quotation, itemised separately.

The Council requires provision for around 12 late night lock ups per year to cover events such as Fireworks and other civic events. These will be communicated via the Estates or Community services manager a two week notice period will be given.

The duties must be covered with two shifts covered as detailed above.

The timing requirements are specified in Site & Activity Timetable 5.0
