- 2.1.3 where the Dispute has not been resolved in good faith and commercial negotiation has been unsuccessful in resolving the Dispute, then either Party may serve a Dispute Notice and shall attempt to resolve the Dispute through mediation (as prescribed in paragraph 4 of this Call Off Schedule 11); and
- 2.1.4 if mediation is not agreed by the Parties, the Parties may proceed to arbitration (as prescribed in paragraph 6 of this Call Off Schedule 11) or

litigation (in accordance with Clause 57 of this Call Off Contract (Governing Law and Jurisdiction)).

- 2.2 Specific issues may be referred to Expert Determination (as prescribed in paragraph 5 of this Call Off Schedule 11) where specified under the provisions of this Call Off Contract and may also be referred to Expert Determination where otherwise appropriate as specified in paragraph 5 of this Call Off Schedule 11.
- 2.3 Save in relation to paragraph 4.5, the Parties shall bear their own legal costs in resolving Disputes under this Call Off Schedule 11.

Good faith discussions

- 2.4 Pursuant to paragraph 2.1.1 of this Call Off Schedule 11, if any Dispute arises the Customer Representative and the Supplier Representative shall attempt first to resolve the Dispute in good faith, which may include (without limitation) either Party holding an Extraordinary Meeting.
- 2.5 Either Party may hold an Extraordinary Meeting by serving written notice. The written notice must give the receiving party at least five (5) Working Days notice of when the Extraordinary Meeting is to take place.
- 2.6 The Customer Representative and Supplier Representative shall attend the Extraordinary Meeting. The key personnel of the Parties may also attend the Extraordinary Meeting.
- 2.7 The representatives of the Parties attending the Extraordinary Meeting shall use their best endeavours to resolve the Dispute.
- 2.8 If the Dispute is not resolved at the Extraordinary Meeting then the Parties may attempt to hold additional Extraordinary Meetings in an attempt to resolve the Dispute. If the Extraordinary Meetings are unsuccessful in resolving the Dispute or the Dispute has not been resolved through good faith discussions thirty (30) Working Days from when they first started, the Parties shall attempt to resolve the Dispute by commercial negotiation.

3. COMMERCIAL NEGOTIATIONS

- 3.1 Where the Parties have been unable to resolve the Dispute in good faith under paragraphs 2.4 to 2.8 of this Call Off Schedule 11, pursuant to paragraph 2.1.2 the Customer and the Supplier shall use reasonable endeavours to resolve the Dispute by discussion between Senior Officers.
- 3.2 Senior Officers shall resolve the Dispute as soon as possible and in any event thirty (30) Working Days from the date Parties agree good faith discussions were deemed unsuccessful.
- 3.3 If Senior Officers:
 - 3.3.1 are of the reasonable opinion that the resolution of a Dispute by commercial negotiation, or the continuance of commercial negotiations, will not result in an appropriate solution; or
 - 3.3.2 fail to resolve the Dispute in the timelines under paragraph 3.2 of this Call Off Schedule 11,

commercial negotiations shall be deemed unsuccessful and either Party may serve a Dispute Notice in accordance with paragraphs 3.4 and 3.5 of this Call Off Schedule 11.

- 3.5 Unless agreed otherwise in writing, the Parties shall continue to comply with their respective obligations under this Call Off Contract regardless of the nature of the Dispute and notwithstanding the referral of the Dispute to the Dispute Resolution Procedure.

4. MEDIATION

- 4.1 Pursuant to paragraph 2.1.3 of this Call Off Schedule 11, if a Dispute Notice is served, the Parties shall attempt to resolve the Dispute by way of mediation. The Parties may follow the CEDR's Model Mediation Procedure which is current at the time the Dispute Notice is served (or such other version as the Parties may agree) or a mediation procedure that is agreed between the Parties.
- 4.2 If the Parties are unable to agree on the joint appointment of a Mediator within thirty (30) Working Days from service of the Dispute Notice then either Party may apply to CEDR to nominate the Mediator.
- 4.3 If neither Party applies to CEDR to nominate the Mediator or an application to CEDR is unsuccessful under paragraph 4.2 of this Call Off Schedule 11, either Party may proceed to:
- 4.3.1 hold further discussions between Senior Officers; or
 - 4.3.2 an Expert determination, as prescribed in paragraph 5 of this Call Off Schedule 11; or
 - 4.3.3 arbitration, as prescribed in paragraph 6 of this Call Off Schedule 11; or
 - 4.3.4 litigation in accordance with Clause 57 of this Call Off Contract (Governing Law and Jurisdiction).
- 4.4 If the Parties are unable to reach a settlement in the negotiations at the mediation, and only if the Parties so request and the Mediator agrees, the Mediator shall produce for the Parties a non-binding recommendation on terms of settlement. This shall not attempt to anticipate what a court might order but shall set out what the Mediator suggests are appropriate settlement terms in all of the circumstances.
- 4.5 Any settlement reached in the mediation shall not be legally binding until it has been reduced to writing and signed by, or on behalf of, the Parties (in accordance with the Variation Procedure where appropriate). The Mediator shall assist the Parties in recording the outcome of the mediation.

- 4.6 The costs of any mediation procedure used to resolve the Dispute under this paragraph 4 of this Call Off Schedule 11 shall be shared equally between the Parties.

5. EXPERT DETERMINATION

- 5.1 If a Dispute relates to any aspect of the technology underlying the provision of the Goods and/or Services or otherwise relates to a technical matter of an accounting or financing nature (as the Parties may agree), either Party may request (such request shall not be unreasonably withheld or delayed by the Parties) by written notice to the other that the Dispute is referred to an Expert for determination.
- 5.2 The Expert shall be appointed by agreement in writing between the Parties, but in the event of a failure to agree within ten (10) Working Days, or if the person appointed is unable or unwilling to act, the Expert shall be appointed on the instructions of the relevant professional body.
- 5.3 The Expert shall act on the following basis:
- 5.3.1 he/she shall act as an expert and not as an arbitrator and shall act fairly and impartially;
 - 5.3.2 the Expert's determination shall (in the absence of a material failure to follow the agreed procedures) be final and binding on the Parties;
 - 5.3.3 the Expert shall decide the procedure to be followed in the determination and shall be requested to make his/her determination within thirty (30) Working Days of his appointment or as soon as reasonably practicable thereafter and the Parties shall assist and provide the documentation that the Expert requires for the purpose of the determination;
 - 5.3.4 any amount payable by one Party to another as a result of the Expert's determination shall be due and payable within twenty (20) Working Days of the Expert's determination being notified to the Parties;
 - 5.3.5 the process shall be conducted in private and shall be confidential; and
 - 5.3.6 the Expert shall determine how and by whom the costs of the determination, including his/her fees and expenses, are to be paid.

6. ARBITRATION

- 6.1 Either of the Parties may, at any time before court proceedings are commenced and after the Parties have attempted to resolve the Dispute in good faith, by commercial negotiation, mediation and Expert determination (if applicable), refer the Dispute to arbitration in accordance with the provisions of paragraph 6.4 of this Call Off Schedule 11.
- 6.2 Before the Supplier commences court proceedings or arbitration, it shall serve written notice on the Customer of its intentions and the Customer shall have fifteen (15) Working Days following receipt of such notice to serve a reply (a "Counter Notice") on the Supplier requiring the Dispute to be referred to and resolved by arbitration in accordance with paragraph 6.4 of this Call Off Schedule 11 or be subject to the jurisdiction of the courts in accordance with Clause 57 of this Call Off Contract

(Governing Law and Jurisdiction). The Supplier shall not commence any court proceedings or arbitration until the expiry of such fifteen (15) Working Day period.

6.3 If:

- 6.3.1 the Counter Notice requires the Dispute to be referred to arbitration, the provisions of paragraph 6.4 of this Call Off Schedule 11 shall apply;
- 6.3.2 the Counter Notice requires the Dispute to be subject to the exclusive jurisdiction of the courts in accordance with Clause 61 of this Call Off Contract (Governing Law and Jurisdiction), the Dispute shall be so referred to the courts and the Supplier shall not commence arbitration proceedings;
- 6.3.3 the Customer does not serve a Counter Notice within the fifteen (15) Working Days period referred to in paragraph 6.2 of this Call Off Schedule 11, the Supplier may either commence arbitration proceedings in accordance with paragraph 6.4 of this Call Off Schedule 11 or commence court proceedings in the courts in accordance with Clause 57 of this Call Off Contract (Governing Law and Jurisdiction) which shall (in those circumstances) have exclusive jurisdiction.

6.4 In the event that any arbitration proceedings are commenced pursuant to paragraphs 6.1 to 6.3 of this Call Off Schedule 11, the Parties hereby confirm that:

- 6.4.1 all disputes, issues or claims arising out of or in connection with this Call Off Contract (including as to its existence, validity or performance) shall be referred to and finally resolved by arbitration under the Rules of the London Court of International Arbitration ("LCIA") (subject to paragraphs 6.4.5 and 6.4.6 of this Call Off Schedule 11);
- 6.4.2 the arbitration shall be administered by the LCIA;
- 6.4.3 the LCIA procedural rules in force at the date that the Dispute was referred to arbitration shall be applied and are deemed to be incorporated by reference into this Call Off Contract and the decision of the arbitrator shall be binding on the Parties in the absence of any material failure to comply with such rules;
- 6.4.4 if the Parties fail to agree the appointment of the arbitrator within ten (10) days from the date on which arbitration proceedings are commenced or if the person appointed is unable or unwilling to act, the arbitrator shall be appointed by the LCIA;
- 6.4.5 the arbitration proceedings shall take place in London and in the English language; and
- 6.4.6 the seat of the arbitration shall be London.

7. EXPEDITED DISPUTE TIMETABLE

- 7.1 In exceptional circumstances where the use of the times in this Call Off Schedule 11 would be considered unreasonable by the Parties, including (by way of example) where one Party would be materially disadvantaged by a delay in resolving the Dispute, the Parties may agree to use the Expedited Dispute Timetable. If the Parties are unable to reach agreement on whether to use of the Expedited Dispute Timetable within five (5)

Working Days of the issue of the Dispute Notice, the use of the Expedited Dispute Timetable shall be at the sole discretion of the Customer.

- 7.2 If the use of the Expedited Dispute Timetable is determined in accordance with paragraph 7.1 of this Call Off Schedule 11 or is otherwise specified under the provisions of this Call Off Contract, then the following periods of time shall apply in lieu of the time periods specified in the applicable paragraphs of this Call Off Schedule 11:
- 7.2.1 in paragraph 2.8, fourteen (14) Working Days;
 - 7.2.2 in paragraph 3.2, ten (10) Working Days;
 - 7.2.3 in paragraph 4.2, ten (10) Working Days;
 - 7.2.4 in paragraph 5.2, five (5) Working Days; and
 - 7.2.5 in paragraph 6.2, ten (10) Working Days.
- 7.3 If at any point it becomes clear that an applicable deadline under paragraph 7.2 of this Call Off Schedule 11 cannot be met or has passed, the Parties may (but shall be under no obligation to) agree in writing to extend the relevant deadline.
- 7.4 If, pursuant to paragraph 7.2 of this Call Off Schedule 11, the Parties fail to agree within two (2) Working Days after the relevant deadline has passed, the Customer may set a revised deadline provided that it is no less than five (5) Working Days before the end of the period of time specified in the applicable paragraphs under paragraph 7.2 (or no less than two (2) Working Days in the case of Paragraph 5.2 of this Call Off Schedule 11).
- 7.5 Any agreed extension under paragraph 7.2 of this Call Off Schedule 11 shall have the effect of delaying the start of the subsequent stages by the period agreed in the extension. If the Customer fails to set such a revised deadline then the use of the Expedited Dispute Timetable shall cease and the normal time periods shall apply from that point onwards.

8. URGENT RELIEF

- 8.1 Either Party may at any time take proceedings or seek remedies before any court or tribunal of competent jurisdiction:
- 8.1.1 for interim or interlocutory remedies in relation to this Call Off Contract or infringement by the other Party of that Party's Intellectual Property Rights; or
 - 8.1.2 where compliance with paragraph [2.1] of this Call Off Schedule 11 and/or referring the Dispute to mediation may leave insufficient time for that Party to commence proceedings before the expiry of the limitation period; or
 - 8.1.3 if the Parties fail to resolve the Dispute following good faith discussions and commercial negotiations and mediation (where applicable) is unsuccessful within 60 working days or such period as may be agreed by the Parties then any Dispute between the Parties may be referred to the Courts.

After sales support

Our Customer Service Team (CS Team) is the heart of Wagstaff and they will be the central point of contact for any queries with your order such as warranty, returns or repair. Our CS Team are available by telephone on [REDACTED] or by email on [REDACTED] 9am to 6pm Monday to Friday.

[REDACTED] works within our CS Team, she will act as our Project Co-Ordinator for this project. She will be your main point of contact for any issues or faults.

If your Project Team or any member of staff discover a product is faulty, then they should contact our CS Team to report this product. All calls into our CS Team are responded to within 4 rings and we guarantee all queries are responded to within 24 hours.

Upon receipt of a faulty item, the Customer Service Administrator will make an immediate appraisal of the issue and either arrange for immediate replacement or for our Account Manager to contact your Project Team directly. Our Account Manager will then contact your Project Team to arrange a site visit within 24-48hrs to make an assessment.

Once the fault has been determined, then corrective action will be taken to either repair or replace the item.

We will liaise with our CS Team who will update our NetSuite system with the fault and report to the relevant Supplier, along with a request for immediate repair and replacement.

The type and extent of repair will be determined initially by either attending site to assess or requesting photos of the faulty product. Our CS Team would contact one of our fitters to repair any minor faults which can be repaired onsite, if the fault is significant or specialist our CS Team would contact the supplier to send an engineer to repair and if required recall the product for repair at their production facilities.

If required, we can also arrange for the immediate collection of the faulty product and a loan product will be provided for the interim at the same time of collection. Once the new product arrives, it will be delivered and the loan product collected and returned to our distribution centre. The Customer Service Administrator then contacts the Client to ensure all is good.

If the repair or replacement is unsatisfactory to your Project Team, then we will offer you a full replacement or refund.

Damaged Goods

Any damaged products are reported at the time of delivery. As part of our service, we walk through the installation area with your Project Team and complete our snagging form, highlighting any damages. These damages are included on our installation certificate and a replacement product would be arranged immediately.

When the products are delivered, your Project Team will inspect the products immediately and within 7 days of delivery your project must give notice in writing if the products are not acceptable to the contract or if they are damaged if the products are left unpacked.

Auditing

The fault is logged by our CS Team onto our internal issues log and reviewed against any previous occurrences by our Customer Services Manager to ensure there is not a more severe, repetitive manufacturing issue. We retain records of any faults to provide full visibility of our performance and efficiency on closing out customer issues. All faults are logged as part of our quality system and annually audited.

Timescale

We confirm below our timescales for ensuring faults are dealt with efficiently:

- Installation team must report snagging within 12 hours of install
- Wagstaff Project Managers and CS Team will respond to queries within 24hrs.

Warranty

We confirm our warranty will be for 10 years. With over 115 years' experience, we have the knowledge and expertise of specifying high quality and durable furniture. We have worked with the majority of our suppliers for at least 20 years' and only specify products that have been tried and tested for many years within the Commercial market.

We have selected products that are tested for ergonomic design and stability to produce the most flexible and durable product which will be comfortable for all users, yet suitable for the heavy use environment that they will be placed into within the Department for International Trade.

All of our proposed products are tested to the relevant British and European standards. We also apply our own in-house quality checks on our products once received into our distribution hub by our Quality Control Manager. Our warrantees are subject to normal use and fair wear and tear.

Continuity of supply

We guarantee continuity of supply to key components and spares for 10 years. As an independent dealer, we supply a vast range of products from a variety of different manufacturers. All products are easily disassembled and reconstructed using standard tools. All suppliers hold an advanced stock of component parts in bulk at their own factory premises. In the event of a repair call-out, we can request parts to be sent directly by

standard carrier to our Regional hub whereby our fitters can carry out the repairs. This is quicker than sending an actual engineer to site.

We would like to highlight that we are familiar with the site requirements and constraints, having recently been awarded and delivered the storage element of the works to date. This knowledge gives Wagstaff unrivalled familiarity to the space and ensures we are aware of your procedures with regards to parking and delivery, which are limited at this location.

We confirm we have the resources and capability to deliver this batch of furniture, we confirm all products are on a 6-week lead time, meeting the CCS framework agreement terms. We have provided our key dates below to ensure the project will be successfully delivered and installed along with our programme as a separate document for ease of reading.

• Start-up meeting / Specification sign off meeting	Friday 29 March 2019
• Purchase Order	Monday 1 April 2019
• Order Acknowledgements	Tuesday 2 April 2019
• Lead-In / Manufacturing Time	6 weeks

At tender stage, we have worked closely with our suppliers to confirm provisional quantities of products, timescales for contract award, manufacture and installation so they can allocate production dates in their factories and order any stock required. By using this approach, after contract award we will meet with your Project Team within 48 hours to finalise the product selection, quantities and finishes. This information will be passed to our suppliers to finalise their orders and then production would commence.

If we are not successful in securing the Contract or the client decides at our initial start-up meeting that the product is no longer required, then we will simply 'stand-down' our suppliers and any component parts assigned to production will be put back into their stocks.

Progress Reports

We will attend weekly update meetings in the form of a conference call where we will discuss the progress of delivery timescales, installation of furniture and warranty of goods with your Project Team. We would provide our Progress Report on the current status of the project, any issues, risks, and our solution to resolve these issues. We would also provide a supplier progress report to your team, which would highlight the progress of your order by individual suppliers.

We will review our programme of work on a weekly basis to identify any slippages in programme, if there is any slippage in programme or any issues with our supply chain, we will inform your Project Team immediately of the issue and develop a solution to the problem.

Delivery and Installation schedule

We will review the product specification and building layouts, to create our delivery and installation schedule. This schedule will list the zone, floor level and the furniture which will be installed into that zone. This schedule will be included in our project documentation and given to our Customer Services department for allocating products

to the correct delivery vehicle and also to our installation team to enable an efficient installation process.

Site Survey

We will carry out a detailed site survey 10 days prior to installation. The survey will incorporate a review of the zoned areas, risk assessment and key points for access and delivery such as Delivery access points, Lift and stair access, main traffic routes around the site, High traffic areas within the building, which may require protection, Main site hours (out of hours working can be accommodated) and Delivery vehicle and parking restrictions.

Our site survey report issued to your Project team and our delivery and installation team to ensure the team are informed of any site restrictions, issues and the overall project plan prior to the installation. We will issue our Risk Assessment and Method Statement 5 days prior to installation. We confirm all waste packaging will be removed and recycled.
