

**Tender Amendment Schedule
Road Signage Renewal**

Date: 21/08//2018
Version: Ver. 06

Item	Relevant Clause	Subject	Description
1	Clarification	Acknowledging receipt of the ITT and general queries relating to the tender	Please address all queries by email to Kate Imonioro of Baily Garner LLP at the following email address: kate.imonioro@bailygarner.co.uk.
2	Clarification	Submission of Tender Quality Questions	The Tender Quality Questions are to be submitted in hard format (word document is acceptable).
3	Clarification	Submitting Pricing information	Prices should be entered within the Section 4 - Schedule of Works found within the Specification of Work document.
4	Clarification	Supplier Confidentiality Agreement for provision documents	To be provided upon request, by email to Kate Imonioro of Baily Garner LLP at the following email address: kate.imonioro@bailygarner.co.uk.
5	Clarification	Sequencing of works	Contractor to propose the best possible phasing and programme, for review and discussion with the Client.
6	Clarification	Tender Return Date	The Tender Return Date is Friday, 24 August 2018.
7	Clarification	New Signage	All Tenderers are to provide cost for the products as requested in the tender documents.
8	Clarification	Associated works	All works are to be undertaken by the Tenderer complete with any ground and electrical works.
9	Clarification	Tender submission	1 no. hard copy would be acceptable.
10	Clarification	Existing installation	Please refer to the document provided titled 'Existing illuminated bollards base box dimensions'.
11	Clarification	Location of new signage	The Contractor is to propose the most suitable location of new signage to ensure that minimal ground works is undertaken and that new signage fits within the kerb and adjacent installations in both below and above ground.
12	Clarification	Site Information	Upon request and subject to signing Supplier Confidentiality Agreement, tenders may be provided with pre construction info such as UXO report, Asbestos report, etc. Please liaise with Kate Imonioro of Baily Garner LLP at the following email address: kate.imonioro@bailygarner.co.uk.
13	Clarification	Site arrangement	The Contractor is to submit proposal of the most feasible methodology and arrangement, whilst causing minimal disruption to traffic circulation. The Contractor is permitted to utilise secured site at the Park HQ, and the Contractor is to take full responsibility of all site provisions and tools and materials left on site.
14	Clarification	Works to existing electrical services	The tenders are to price for the works on the basis that there would be no electrical works required other than need of capping off and making safe any redundant services. Subject to site survey following excavation, any unforeseen works would be instructed accordingly in due course.
15	Clarification	Safeguarding working area	The Contractor is to submit proposal for the safeguarding the working area to suit their proposal, and to provide chapter 8 barriers and Heras fencing as minimum.
16	Clarification	Planning consent and road closure	Planning consent and road closures are managed by the Client.
17	Clarification	C2 - Key People	Wording of the question C2 to be amended as follow: <i>For each of the key persons, please provide detailed CVs for the Key People roles (1 page limit for each CV).</i>
18	Clarification	Existing electrical supply and associated works	Upon request and subject to signing Supplier Confidentiality Agreement, tenders may be provided with As Built Utility Plans. Please liaise with Kate Imonioro of Baily Garner LLP at the following email address: kate.imonioro@bailygarner.co.uk. The tenders are to review the above plans and submit cost proposal for associated works.
