Please Note: This does not constitute a live lease rental quotation. The Residual value (RV%) and lease rate are for indicative purposes only, however a full lease tender exercise will yield a tailored quotation summary of live bids for the lease arrangement.

These indicative lease costs include an arrangement fee of 1% of the capital cost capped at £5,000 that is charged to the successful lessor. We operate a value add framework to facilitate medical equipment procurement and there will be no additional retainer fees required or contractual obligation to utilise the NHS Supply Chain Leasing Solutions Framework. The trust will not receive any invoices from NHS-SC for use of the framework.

If the equipment being leased is part of an NHS SC Bulk Buy then the capital cost will be slightly different than if it was purchased outright. This is due to the parties involved being in different VAT divisions.
