The procurement is covered by the Government Procurement Agreement: yes

Section VI: Complementary information

VI.3) **Additional information:**

The purpose of this notice is to draw attention to a procurement that NHS Supply Chain intends to commence during the subsequent 12 months. The invitation to tender will be the subject of a separate notice and it is that notice to which potential suppliers will need to respond at the appropriate time.

The following certification will be a requirement of the upcoming tender exercise and applicants may be required to include evidence of this with their tender submission.

— ISO 9001:2015 or equivalent externally accredited and up-to-date quality standard certificate(s) to cover all segments of the applicant's (and the product's) supply chain. This should include but not be limited to manufacturing storage and distribution. Further information in respect of certification requirements will be set out in the notice for the forthcoming procurement. If such certificates are not in the name of the applicant then the applicant must supply a copy of agreements setting out the authority and responsibilities of all parties in the supply chain.

The framework agreement between NHS Supply Chain and successful suppliers will reserve the right to purchase the same or similar supplies and/or services from suppliers not appointed to the framework agreement at its sole discretion.

Whilst it is anticipated that initial expenditure under any forthcoming procurement will be in the region of 450 000 GBP to 765 000 GBP for this contract award, this is approximate only and the values will be to such level as those purchasing under the framework agreement consider necessary to provide suitable requirements. NHS Supply Chain intends to enter into arrangements under which it will be entitled to purchase supplies and/or services which it will make available for purchase by:

- 1) Any NHS Trust;
- 2) Any other NHS entity;
- 3) Any government department, agency or other statutory body; and/or
- 4) Any private sector entity active in the UK healthcare sector. Only NHS Supply Chain can order from the framework agreement and enter into contracts under it.

NHS Supply Chain is currently considering the use of lots for this procurement. However, it reserves the right not to as part of any future tender process. Further information in respect of the lot strategy will be set out in the notice for the forthcoming procurement.

As part of its pre-tender strategy, NHS Supply Chain would also like to engage with suppliers of these products via a Request for information (RFI). If you would like to complete the request for information document in respect of the products which are the subject of this procurement, then please follow the below instructions. Candidates wishing to complete the request for information must register their expression of interest. The request for information document will then be sent via the Intenda Messaging Centre.
