Design Risks & Hazards: Please inspect the site and study all drawings before any work is carried out. There are services around and pipes in the ground. Any work on an existing property should have an asbestos survey. The site is located within a park with many visitors.

This drawing is copyright to the author and is not to be reproduced without written permission. It is not to be used for construction purposes from the drawing and all dimensions are to be checked on site and any discrepancy error or omission is to be reported to the architect. This drawing shall be used in conjunction with all relevant schedules and engineering drawings and specifications.
