Section 2

About Central Region Schools Trust

Our Trust was founded in September 2012, when Arrow Vale Community High School became a Sponsored Academy. The Trust was originally named Redditch RSA Academies Trust, and has now been renamed as Central Region Schools Trust

The Governors at Arrow Vale made the decision to become an RSA Academy, recognising the huge benefits the school would gain by being so closely affiliated to the Royal Society for the Encouragement of Arts, Manufactures and Commerce (more widely known as the Royal Society of Arts).

The school, in doing so, joined a small family of academies, the RSA Family of Academies in an umbrella trust, with The RSA Academy, Tipton and Whitley Academy – an RSA Academy, being the other members. All of our schools are improving in reputation, popularity, and quality of education.

The MAT expanded to four schools in March 2016, when the other middle school in the Arrow Vale pyramid in Redditch, Church Hill Middle School, along with one of its two First schools, sharing the same site, Abbeywood First School, chose to join the Trust. The Trust now had seamless curriculum delivery in the Redditch Pyramid from aged 9-19, and for the pupils at Abbeywood, from Early Years all through to 19 years of age. The two schools on the Church Hill site were led by one Executive Headteacher, Di Smith, with one Local Academy Governing Board holding to account the leadership across the two schools. The Trust was the first to have primary provision within the wider RSA Family of Academies.

In September 2021 CRSAAT was renamed **Central Region Schools Trust (CRST)**. RSA Academy was renamed Gospel Oak School. January 2022 saw the Trust strengthened by the addition of Holyhead school, a mixed secondary school and sixth form located in Handsworth area of Birmingham.

Trust is comprised of 11 Schools:

1. Abbeywood First RSA Academy
2. Arrow Valley First RSA Academy
3. Gospel Oak School
4. Oldbury Park Primary RSA Academy
5. Sutton Park Primary RSA Academy
6. Arrow Vale RSA Academy
