Specification-specific evidence: we will update these with subsequent tender rounds.

## Specifications launched

The following is a list of specifications that have been launched contracted deliverables. The evidence requirements for these deliverables are contained in the following sections. Some of specifications listed only contain generic deliverables, whilst others contain both generic and specification defined deliverables. The table below lists the specifications launched and whether there are specification defined deliverables. Page 11 onwards lists the ITTs with the specification defined deliverables and the evidence required. As more specifications are launched there will be specification-specific evidence requirements.

<b>Local Enterprise Partnership</b>	<b>ITT Reference</b>	<b>Short Description</b>	<b>Launch Date</b>	<b>Specification-specific evidence requirements</b>

	Evidence will be required to confirm that the apprenticeship is for a minimum of 30 hours a week that starts within 4 weeks of the end of training provision under this offer and that lasts for at least 3 months
--	--

ESF Notes:

- For both LGF and ESF monthly one to one mentoring support must be provided throughout the programme and continue once the individual has progressed into a job outcome / apprenticeship / self-employment / skills provision at a higher level on a monthly basis for at least 3 months.
- ESF funded non-regulated learning will use the aims and rates listed in LARS. The specification gives an average rate for these as delivery will be bespoke to the learner and the candidate will be required to plan to use of the funding to cover all learners.
- The wrap around programme for an individual will be a bespoke non-regulated preparation for work aim. The scope and number of hours for this aim will be defined in the learning plan.
- The work experience uses non-regulated aims.  
Regulated aims will be paid the set rates above and reported via a delivery statement and the ILR must be submitted.
