- 3.1.4 The Deliverables that are to be the Benchmarked Deliverables will be identified by the Buyer in writing.
- 3.1.5 Upon its request for a Benchmark Review the Buyer shall nominate a Benchmarker. The Supplier must approve the nomination within ten (10) Working Days unless the Supplier provides a reasonable explanation for rejecting the appointment. If the appointment is rejected then the Buyer may propose an alternative Benchmarker. If the Parties cannot agree the appointment within twenty (20) days of the initial request for Benchmark review then a Benchmarker shall be selected by the Chartered Institute of Financial Accountants.
- 3.1.6 The cost of a Benchmarker shall be borne by the Buyer (provided that each Party shall bear its own internal costs of the Benchmark Review) except where the Benchmark Review demonstrates that the Benchmarked Service and/or the Benchmarked Deliverables are not Good Value, in which case the Parties shall share the cost of the Benchmarker in such proportions as the Parties agree (acting reasonably). Invoices by the Benchmarker shall be raised against the Supplier and the relevant portion shall be reimbursed by the Buyer.

3.2 Benchmarking Process

- 3.2.1 The Benchmarker shall produce and send to the Buyer, for Approval, a draft plan for the Benchmark Review which must include:
- (a) a proposed cost and timetable for the Benchmark Review;
 - (b) a description of the benchmarking methodology to be used which must demonstrate that the methodology to be used is capable of fulfilling the benchmarking purpose; and
 - (c) a description of how the Benchmarker will scope and identify the Comparison Group.
- 3.2.2 The Benchmarker, acting reasonably, shall be entitled to use any model to determine the achievement of value for money and to carry out the benchmarking.
- 3.2.3 The Buyer must give notice in writing to the Supplier within ten (10) Working Days after receiving the draft plan, advising the Benchmarker and the Supplier whether it Approves the draft plan, or, if it does not approve the draft plan, suggesting amendments to that plan (which must be reasonable). If amendments are suggested then the Benchmarker must produce an amended draft plan and this Paragraph 3.2.3 shall apply to any amended draft plan.
- 3.2.4 Once both Parties have approved the draft plan then they will notify the Benchmarker. No Party may unreasonably withhold or delay its Approval of the draft plan.
- 3.2.5 Once it has received the Approval of the draft plan, the Benchmarker shall:
- (a) finalise the Comparison Group and collect data relating to Comparable Rates. The selection of the Comparable Rates (both in terms of number and identity) shall be a matter for the Supplier's professional judgment using:
 - (i) market intelligence;
 - (ii) the Benchmarker's own data and experience;
 - (iii) relevant published information; and
 - (iv) pursuant to Paragraph 3.2.7 below, information from other suppliers or purchasers on Comparable Rates;
 - (b) by applying the adjustment factors listed in Paragraph 3.2.7 and from an analysis of the Comparable Rates, derive the Equivalent Data;
 - (c) using the Equivalent Data, calculate the Upper Quartile;
 - (d) determine whether or not each Benchmarked Rate is, and/or the Benchmarked Rates as a whole are, Good Value.
- 3.2.6 The Supplier shall use all reasonable endeavours and act in good faith to supply information required by the Benchmarker in order to

undertake the benchmarking. The Supplier agrees to use its reasonable endeavours to obtain information from other suppliers or purchasers on Comparable Rates.

3.2.7 In carrying out the benchmarking analysis the Benchmarker may have regard to the following matters when performing a comparative assessment of the Benchmarked Rates and the Comparable Rates in order to derive Equivalent Data:

- (a) the contractual terms and business environment under which the Comparable Rates are being provided (including the scale and geographical spread of the customers);
- (b) exchange rates;
- (c) any other factors reasonably identified by the Supplier, which, if not taken into consideration, could unfairly cause the Supplier's pricing to appear non-competitive.

3.3 Benchmarking Report

3.3.1 For the purposes of this Schedule **"Benchmarking Report"** shall mean the report produced by the Benchmarker following the Benchmark Review and as further described in this Schedule;

3.3.2 The Benchmarker shall prepare a Benchmarking Report and deliver it to the Buyer, at the time specified in the plan Approved pursuant to Paragraph 3.2.3, setting out its findings. Those findings shall be required to:

- (a) include a finding as to whether or not a Benchmarked Service and/or whether the Benchmarked Deliverables as a whole are, Good Value;
- (b) if any of the Benchmarked Deliverables are, individually or as a whole, not Good Value, specify the changes that would be required to make that Benchmarked Service or the Benchmarked Deliverables as a whole Good Value; and
- (c) include sufficient detail and transparency so that the Party requesting the Benchmarking can interpret and understand how the Supplier has calculated whether or not the Benchmarked Deliverables are, individually or as a whole, Good Value.

3.3.3 The Parties agree that any changes required to this Contract identified in the Benchmarking Report shall be implemented at the direction of the Buyer in accordance with Clause 24 (Changing the contract).
