Section III. Legal, economic, financial and technical information

III.1) Conditions for participation

III.1.1) Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions

Applicants should refer to II.2 of this Contract Notice for further details in respect of appointment to the individual Lots across the Framework Agreement.

Applicants may bid for one, more than one or all of the Lots and Applicants should refer to the Invitation to Tender for more information in respect of this.

The term of contracts formed under the Framework Agreement may continue beyond the end of the term of the Framework Agreement itself.

NHS Supply Chain expects to provide successful Suppliers with the opportunity to offer additional savings to customers through the provision of discounted pricing, value added offerings and commitment initiatives.

NHS Supply Chain will share savings information in order to assist its customers with making informed procurement decisions.

The Framework Agreement will be between NHS Supply Chain and the Supplier. Under the Framework Agreement there will be two different methods of supply - one for Non-Direct Contract Products and one for Direct Contract Products.

NHS Supply Chain will be entitled to purchase the supplies identified as Non-Direct Contract Products which it will then make available for purchase by 1) any NHS Trust; 2) any other NHS entity; 3) any government department, agency or other statutory body and/or 4) any private sector entity active in the UK healthcare sector.

For the supplies identified as Direct Contract Products 1) NHS Supply Chain; 2) any NHS Trust; 3) any other NHS entity; 4) any government department, agency or other statutory body and/or 5) any private sector entity active in the UK healthcare sector will be able to enter into a direct contract with the Supplier for any of the supplies under the Framework.

For Direct Contract Products the Supplier will be required to report to and pay a direct contract management fee to NHS Supply Chain as detailed in the tender documents.

Electronic ordering will be used and electronic invoicing will be accepted and electronic payment will be used. For the avoidance of doubt, and notwithstanding the estimate indicated at II.2.1, NHS Supply Chain does not guarantee any level of purchase through the framework and advises Applicants that the framework shall be established on a non-exclusive basis. Tenders and all supporting documentation for the contract must be priced in sterling and written in English. Any agreement entered into will be considered a contract made in England according to English law and will be subject to the exclusive jurisdiction of the English Courts. NHS Supply Chain is not liable for any costs (including any third party costs fees or expenses incurred by those expressing an interest, participating or tendering for this contract opportunity). NHS Supply Chain reserves the right to terminate the procurement process (or part of it), to change the basis of and the procedures for the procurement process at any time, or to procure the subject matter of the contract by alternative means if it appears that it can be more advantageously procured by alternative means. The most economically advantageous or any tender will not automatically be accepted. All communications must be made through NHS Supply Chain's eTendering portal at <https://nhssupplychain.app.jaggaer.com//> using the Message Centre facility linked to this particular contract notice.

III.1.2) Economic and financial standing

Minimum level(s) of standards possibly required

Parent company or other guarantees may be required in certain circumstances. Further details will be in the tender documents.

III.1.3) Technical and professional ability

Minimum level(s) of standards possibly required

The Contracting Authority reserves the right to require groupings of entities to take a particular form, or to require one party to undertake primary legal liability or to require that each party undertakes joint and several liability.

III.2) Conditions related to the contract

III.2.2) Contract performance conditions

The Framework Agreement includes obligations with respect to environmental issues and a requirement for successful suppliers to comply with the NHS Supply Chain Code of Conduct.
