○ End user license agreement and service level agreement to be forwarded by the SubContractor to the Client following installation

3. Assumptions

List standard assumptions, as applicable;

- Unless specified this Statement of Works does not include any electrical, network or external communications infrastructure cabling specification or installation.
- All such cabling and associated sockets should be in their correct location and tested by the Client prior to the equipment installation date.
- An adequate area must be set aside for the engineer to complete his work, and all agreed equipment locations will be final and adequate power sockets must be available.
- No additional work will be undertaken if not included on this Statement of Works.
- Under no circumstances will the equipment be released or the Client given access to the equipment, until Insight has finished the installation.
- Any existing equipment belonging to the Client being utilised or connected must be fully operational and virus free, and fully accessible to the engineer during the installation.
- Delays on site caused by faulty equipment, not supplied by Insight, services not being ready, or access restrictions may incur additional charges.
- Client must have all relevant licences and suitable environment to accommodate the services.
- The Client is responsible for backing up all data, and neither Insight or any Sub-Contractor will have any liability for the loss of data resulting the Client's failure to back up data.

Are there any additional assumptions? Yes No

None

4. Acceptance Test Criteria

None specified

5. Renewal Options

Subject to receiving a Purchase Order from the Client for renewal of the services, it is agreed the services will be provided on the same terms and conditions as set out in this statement of work and for the term set out in the Purchase Order. To the extent such services include software, the software vendor's End User Licence Agreement shall apply thereto. Renewal prices shall be as quoted by Insight.

6. Payment Terms

Payment shall be made in accordance with the relevant payment schedule.

Client - *Payment Schedule A*

Sub-Contractor - *Payment Schedule B*

7. Attachments

All attachments are attached/embedded in **Appendix A** below.

Signatures

This Statement of Works may be executed in any number of counterparts, each of which when executed and delivered shall constitute a duplicate original, but all the counterparts shall together constitute the one agreement.
