Dear Andrew,

Further your recent enquiry, on behalf of UPS Systems we have pleasure in submitting our quotation.

Your enquiry was for a 30kVA UPS & 60kVA standby diesel generator.

Best Price Guarantee

We always aim to be competitive from the outset and confident of this, but always pleased to discuss pricing if required.

Our Offering

We have offered a 30kVA UPS & 66kVA standby diesel generator.

The UPS will require a 63 amp power supply.

Battery Backup Time

UPS - 4 minutes at full load.

Generator - 12 hours autonomy @ 75% load.

Delivery

Approx 4 weeks from order.

Notes On Our Proposal

Delivery, offload & positioning presumes easy access.

Warranty

If purchased through ourselves the manufacturers standard UPS warranty is increased from 2 years to 3 years (1 year on batteries).

Generator warranty is 24 months/2500 hours whichever occurs first.

We trust this proposal meets with your approval, and look forward to receiving your instructions in due course. Should you have any queries in the meantime, please do not hesitate to call us at any time.

If you have any queries please do not hesitate to contact me on 01488 680 539.

Regards,

Alex Muirhead

UPS Systems PLC
