Directive 2004/18/EC

Please provide hereunder a justification for the award of the contract without prior publication of a contract notice in the Official Journal of the European Union. This justification must comply with the requirements of Directive 2004/18/EC.

(In terms of Directive 89/665/EEC on Remedies, the time-limit for application for review referred to in the first indent of Article 2f(1)(a) of this Directive can be reduced if the notice contains a justification of the contracting authority's decision to award the contract without prior publication of a contract notice in the Official Journal of the European Union. In order to benefit from this reduced time-limit, please tick the relevant box(es) and provide the additional information below.)

1) Justification for the choice of the negotiated procedure without prior publication of a contract notice in the OJEU in accordance with Directive 2004/18/EC

No tenders or no suitable tenders in response to:

- ☐ open procedure,
- ☐ restricted procedure.

☐ The products involved are manufactured purely for the purpose of research, experiment, study or development under the conditions stated in the Directive. (for supplies only)

The works/goods/services can be provided only by a particular tenderer for reasons that are:

- ☐ technical,
- ☐ artistic,
- ☐ connected with the protection of exclusive rights.

☐ Extreme urgency brought about by events unforeseeable by the contracting authority and in accordance with the strict conditions stated in the Directive.

☐ Additional works/deliveries/services are ordered under the strict conditions stated in the Directive.

☐ New works/services, constituting a repetition of existing works/services and ordered in accordance with the strict conditions stated in the Directive.

☐ Service contract awarded to the successful candidate or one of them after a design contest.

For the purchase of supplies on particularly advantageous terms:

- ☐ from a supplier which is definitely winding up its business activities,

- ☐ The contract has as its object services listed in Annex II B to the Directive.
- ☐ The contract falls outside the scope of application of the Directive.
