

London Borough of Havering
Guide for Registering as a
Supplier
to the Council

The purpose of this guide is to provide suppliers with details in how they register as a supplier on the Councils supplier portal.

The process is in 2 parts, the initial registration as a Prospective Supplier and if agreed by the Council the supplier being promoted to Spend Authorised.

As a prospective supplier, suppliers are able to view and respond to tender opportunities but cannot receive purchase orders or be paid by the Council. To receive purchase orders or be paid as a supplier they need to be promoted to Spend Authorised. The process of promoting a supplier to Spend Authorised can depend on a number of factors but typically these are:

- a supplier successfully being awarded a contract
- the Council selecting to do business with a supplier, typically for low value purchase orders

To register as a prospective supplier there are 7 steps as shown below in part 1 of this guide. Please ensure you complete each section, failure to do so may delay the process of supplier registration process.

If the Council requires the supplier to be promoted to spend authorised, the Council will initiate this process and email the supplier confirmation of this being actioned, to complete the supplier registration please complete the steps in part 2 of this guide.
