TENDER – Resurface multi-use games area playing surface – MUGA, Lowdham

Location: Lowdham Community Building, Off Old Tannery Drive, Lowdham, NG14 7PS
Specification:

1. Thoroughly prepare existing surface by removing loose aggregate and debris and infill undulations and pitting to make level
2. To supply and install Lano S-Tech Integration Xperience sand dressed synthetic turf for multi-sports complete with sand infill
3. Supply and install permanent line markings for 2 x double tennis courts in white, 2 x 5-aside courts in yellow and 1 x 7-aside court in red to match existing layout
4. Remove all waste offsite and dispose of in an environmentally friendly manner
5. To supply new tennis post socket lids to fit the new turf to fit flush when tennis is not in use

Total area: 1295 square metres approx.

6. In addition:

- i) Please provide an alternative quotation to supply and install Lano S-Tech Revolution Xperience
- ii) Quote to provide quarterly power-sweep deep clean
- iii) Quote to provide new goals, tennis posts to fit sockets and nets
- iv) Quote to include markings and posts and nets for netball/basketball
- v) Guarantee: please provide warranty terms for product quality and workmanship
