### **A General Contract Provisions**

#### **A1. Interpretation**

- a. The defined terms in the Contract shall be as set out in Schedule 1.
- b. Unless the context otherwise requires:
  - (1) The singular includes the plural and vice versa, and the masculine includes the feminine and vice versa.
  - (2) The words “include”, “includes”, “including” and “included” are to be construed as if they were immediately followed by the words “without limitation”, except where explicitly stated otherwise.
  - (3) The expression “person” means any individual, firm, body corporate, unincorporated association or partnership, government, state or agency of a state or joint venture.
  - (4) References to any statute, enactment, order, regulation, or other similar instrument shall be construed as a reference to the statute, enactment, order, regulation, or instrument as amended, supplemented, replaced or consolidated by any subsequent statute, enactment, order, regulation, or instrument.
  - (5) The heading to any Contract provision shall not affect the interpretation of that provision.
  - (6) Any decision, act or thing which the Authority is required or authorised to take or do under the Contract may be taken or done only by the person (or their nominated deputy) authorised in Schedule 3 (Contract Data Sheet) to take or do that decision, act, or thing on behalf of the Authority.
  - (7) Unless excluded within the terms of the Contract or required by law, references to submission of documents in writing shall include electronic submission.

#### **A2. Amendments to Contract**

- a. All amendments to this Contract shall be serially numbered, in writing, issued only by the Authority’s Representative (Commercial), and agreed by both Parties.
- b. Where the Authority or the Contractor wishes to introduce a change which is not Minor or which is likely to involve a change to the Contract Price, the provisions of Schedule 4 (Change Process) shall apply. The Contractor shall not carry out any work until any necessary change to the Contract Price has been agreed and a written amendment in accordance with clause A2.a above has been issued.

#### **A3. Variations to Specification**

- a. The Authority’s Representative may, by Notice (following consultation with the Contractor as necessary), alter the Specification as from a date agreed by both Parties and to the extent specified by the Authority, provided that any such variations shall be limited to the extent that they do not alter the fit, form, function or characteristics of the Contractor Deliverables to be supplied under the Contract. The Contractor shall ensure that the Contractor Deliverables take account of any such variations. Such variations shall not require formal amendment of the Contract in accordance with the process set out in condition A2 (Amendments to Contract) and shall be implemented upon receipt, or at the date specified in the Authority’s Notice, unless otherwise specified.
- b. Any variations that cause a change to:
  - (1) fit, form, function or characteristics of the Contractor Deliverables;
  - (2) the cost;
  - (3) Delivery Dates;
  - (4) the period required for the production or completion; or
  - (5) other work caused by the alteration,

- (3) the remaining Schedules; and
- (4) any other documents expressly referred to in the Contract.

#### **A6. Assignment of Contract**

Neither Party shall be entitled to assign the Contract (or any part thereof) without the prior written consent of the other Party.

#### **A7. Waiver**

- b. No waiver in respect of any right or remedy shall operate as a waiver in respect of any other right or remedy.

#### **A8. Third Party Rights**

Notwithstanding anything to the contrary elsewhere in the Contract, no right is granted to any person who is not a Party to the Contract to enforce any term of the Contract in its own right and the Parties to the Contract declare that they have no intention to grant any such right.
