Schedule 1 - Services

This Call-Off Contract is for the Prison Intelligence Notification System (PINS) Private Cloud Deployment software for HMPPS intelligence officers to link current and historic prisoner records, and receive critical alerts and notifications detailing key prisoner data changes as well as advance release notifications. PINS can provide this notification in one of two ways, either as a proactive email notification or as the result of a web based search. The Buyer will provide a Daily Data Set (the Data) from Her Majesty's Prison and Probation Service for the PINS system. This Daily Data Set (the Data) will be uploaded by the Buyer to the PINS system every 24 hours. This is a Software as a Service provision for Private Cloud Deployment, to be used in HMPPS's Azure system.

The Prison Intelligence Notification System (PINS) Version 4.4 Private Cloud Deployment will be used for Year 1 of this Call-Off Contract (from 1st July 2020 until 30th June 2021), and Prison Intelligence Notification System (PINS) Version 5.1 Private Cloud Deployment will be used for Year 2 of this Call-Off Contract (from 1st July 2021 to 30th July 2022). PINS Version 5.1. Private Cloud Deployment will be used under any extension periods agreed for this Call-Off Contract after Year 2, unless amended under a Contract Change

Notice (CCN) for this Call-Off Contract.

The PINS software collects prison service data from a variety of key sources and automatically cross-references and links historic and current prisoner records. Daily monitoring of prison data allows PINS to send critical alerts and notifications to intelligence officers detailing key prisoner data changes as well as advance release notifications.

As per Service Definition 6860 8608 5759 676, some of the key features of PINS Version 4.4 are:

- Pro-active release notifications to local areas 4 weeks in advance of release
- Pro-active notifications when prolific offenders enter or leave custody
- Locate an inmate in any HMPS establishment
- Identify a recently released offender based on limited information
- Generate reports of released offenders
- Automatically check outstanding warrants against prison population
- Management of offender's subject to electronic monitoring
- Provide a single view of an offender across multiple periods of custody
- Add watches to prisoners for notifications of changes (including cell changes) or releases
- Search prison inmates by crime, nationality and prison location
- Import and match current PPO/IOM lists from IDIOM or Excel
- Track gang and organised crime nominals
- Automatically match outstanding warrants
- Bulk check any Excel list of offenders against prison inmates
- Show clear visibility of historic and current cell and wing sharing arrangements

A complete audit of all activity in PINS is recorded and PINS includes an audit tool for use by Professional Standards departments. All activity in PINS is audited and this is accessed through a dedicated audit tool. As an IAAS solution this is stored on the HMPPS infrastructure and therefore the integrity of the audit records is under the control of the infrastructure environment. Where this is hosted by the Supplier, the Supplier shall preserve copies of the audit logs in a WORM configured storage environment to prevent any potential tampering.

With the release of PINS 5, PINS will be enhanced with additional analytical capability, to enable users to visualise complex data.

Additional features that will be available in PINS 5.1 are:

- Improved visual representation and reporting of historic prison data
- Automated link analysis between offenders based on prison data
- Greater support for groups of interest such as Organised Crime Groups and facility to share "My Offenders" with certain users
- Improved security enabling partitioning of PINS data sets and records based on role
- Unlimited concurrency licence for PINS and Plocate included as standard across all usage bands

Access to the PINS application is fully password protected using 2 factor authentication with a unique user ID and password.

Schedule 2 - Call-Off Contract charges

For each individual Service, the applicable Call-Off Contract Charges (in accordance with the Supplier's Digital Marketplace pricing document) can't be amended during the term of the Call-Off Contract. The detailed Charges breakdown for the provision of Services during the Term will include:

- Charges for Year 1 of the Call-Off Contract using PINS Version 4.4. Year 1 of this Call-Off Contract will cover 12 months from the Contract Start Date, from 1st July 2020 until 30th June 2021, and will be inclusive of these dates.
- Charges for Year 2 of this Call-Off Contract using PINS Version 5.1. Year 2 of this Call-Off Contract will cover 12 months from the end of Year 1, from 1st July 2021 until 30th June 2022, and will be inclusive of these dates.
- Any extensions of this Call-Off Contract, for up to two periods of up to 12 months each, beyond Years 1 and 2 under this Call-Off Contract, will use the below optional payment profile. The Extension Charges will only apply if an Extension to this Call-Off Contract is signed and agreed as per a Contract Change Notice (CCN).

Saadian's pricing model is banded based on the number of prisoner releases per year. Band A- estimates that there is between 0-600 prisoner releases per year that MOJ uses the PINS system to monitor. There is a 60 prisoner releases per annum margin allowed with Band A-.

Charges for Year 1 of this Call-Off Contract Only

[REDACTED]

Charges for Year 2 of this Call-Off Contract Only

The Supplier shall not apply any administration charges for the migration of PINS Version 4.4. to PINS Version 5.1 in Year 2 of this Call-Off Contract.

[REDACTED]

- paragraphs 1 to 10 of the Framework Agreement glossary and interpretations
- any audit provisions from the Framework Agreement set out by the Buyer in the Order Form

2.2 The Framework Agreement provisions in clause 2.1 will be modified as follows:

- a reference to the 'Framework Agreement' will be a reference to the 'Call-Off Contract'
- a reference to 'CCS' will be a reference to 'the Buyer'
- a reference to the 'Parties' and a 'Party' will be a reference to the Buyer and Supplier as Parties under this Call-Off Contract

2.3 The Parties acknowledge that they are required to complete the applicable Annexes contained in schedule 4 (Processing Data) of the Framework Agreement for the purposes of this Call-Off Contract. The applicable Annexes being reproduced at schedule 7 of this Call-Off Contract.

2.4 The Framework Agreement incorporated clauses will be referred to as 'incorporated Framework clause XX', where 'XX' is the Framework Agreement clause number.

2.5 When an Order Form is signed, the terms and conditions agreed in it will be incorporated into this Call-Off Contract.

3. Supply of services

3.1 The Supplier agrees to supply the G-Cloud Services and any Additional Services under the terms of the Call-Off Contract and the Supplier's Application.

3.2 The Supplier undertakes that each G-Cloud Service will meet the Buyer's acceptance criteria, as defined in the Order Form.

4. Supplier staff

4.1 The Supplier Staff must:

- be appropriately experienced, qualified and trained to supply the Services
- apply all due skill, care and diligence in faithfully performing those duties
- obey all lawful instructions and reasonable directions of the Buyer and provide the Services to the reasonable satisfaction of the Buyer
- respond to any enquiries about the Services as soon as reasonably possible

- complete any necessary Supplier Staff vetting as specified by the Buyer
- 4.2 The Supplier must retain overall control of the Supplier Staff so that they are not considered to be employees, workers, agents or contractors of the Buyer.
 - 4.3 The Supplier may substitute any Supplier Staff as long as they have the equivalent experience and qualifications to the substituted staff member.
 - 4.4 The Buyer may conduct IR35 Assessments using the ESI tool to assess whether the Supplier's engagement under the Call-Off Contract is Inside or Outside IR35.
 - 4.5 The Buyer may End this Call-Off Contract for Material Breach if the Supplier is delivering the Services Inside IR35.
 - 4.6 The Buyer may need the Supplier to complete an Indicative Test using the ESI tool before the Start Date or at any time during the provision of Services to provide a preliminary view of whether the Services are being delivered Inside or Outside IR35. If the Supplier has completed the Indicative Test, it must download and provide a copy of the PDF with the 14-digit ESI reference number from the summary outcome screen and promptly provide a copy to the Buyer.
 - 4.7 If the Indicative Test indicates the delivery of the Services could potentially be Inside IR35, the Supplier must provide the Buyer with all relevant information needed to enable the Buyer to conduct its own IR35 Assessment.
 - 4.8 If it is determined by the Buyer that the Supplier is Outside IR35, the Buyer will provide the ESI reference number and a copy of the PDF to the Supplier.

5. Due diligence

- 5.1 Both Parties agree that when entering into a Call-Off Contract they:
 - have made their own enquiries and are satisfied by the accuracy of any information supplied by the other Party
 - are confident that they can fulfil their obligations according to the Call-Off Contract terms
 - have raised all due diligence questions before signing the Call-Off Contract
 - have entered into the Call-Off Contract relying on its own due diligence

6. Business continuity and disaster recovery

- 6.1 The Supplier will have a clear business continuity and disaster recovery plan in their service descriptions.
- 6.2 The Supplier's business continuity and disaster recovery services are part of the Services and will be performed by the Supplier when required.
- 6.3 If requested by the Buyer prior to entering into this Call-Off Contract, the Supplier must ensure that its business continuity and disaster recovery plan is consistent with the Buyer's own plans.

7. Payment, VAT and Call-Off Contract charges

- 7.1 The Buyer must pay the Charges following clauses 7.2 to 7.11 for the Supplier's delivery of the Services.

- 7.2 The Buyer will pay the Supplier within the number of days specified in the Order Form on receipt of a valid invoice.
- 7.3 The Call-Off Contract Charges include all Charges for payment Processing. All invoices submitted to the Buyer for the Services will be exclusive of any Management Charge.
- 7.4 If specified in the Order Form, the Supplier will accept payment for G-Cloud Services by the Government Procurement Card (GPC). The Supplier will be liable to pay any merchant fee levied for using the GPC and must not recover this charge from the Buyer.
- 7.5 The Supplier must ensure that each invoice contains a detailed breakdown of the G-Cloud Services supplied. The Buyer may request the Supplier provides further documentation to substantiate the invoice.
- 7.6 If the Supplier enters into a Subcontract it must ensure that a provision is included in each Subcontract which specifies that payment must be made to the Subcontractor within 30 days of receipt of a valid invoice.
- 7.7 All Charges payable by the Buyer to the Supplier will include VAT at the appropriate rate.
- 7.8 The Supplier must add VAT to the Charges at the appropriate rate with visibility of the amount as a separate line item.
- 7.9 The Supplier will indemnify the Buyer on demand against any liability arising from the Supplier's failure to account for or to pay any VAT on payments made to the Supplier under this Call-Off Contract. The Supplier must pay all sums to the Buyer at least 5 Working Days before the date on which the tax or other liability is payable by the Buyer.
- 7.10 The Supplier must not suspend the supply of the G-Cloud Services unless the Supplier is entitled to End this Call-Off Contract under clause 18.6 for Buyer's failure to pay undisputed sums of money. Interest will be payable by the Buyer on the late payment of any undisputed sums of money properly invoiced under the Late Payment of Commercial Debts (Interest) Act 1998.
- 7.11 If there's an invoice dispute, the Buyer must pay the undisputed amount and return the invoice within 10 Working Days of the invoice date. The Buyer will provide a covering statement with proposed amendments and the reason for any non-payment. The Supplier must notify the Buyer within 10 Working Days of receipt of the returned invoice if it accepts the amendments. If it does then the Supplier must provide a replacement valid invoice with the response.
- 7.12 Due to the nature of G-Cloud Services it isn't possible in a static Order Form to exactly define the consumption of services over the duration of the Call-Off Contract. The Supplier agrees that the Buyer's volumes indicated in the Order Form are indicative only.

8. Recovery of sums due and right of set-off

- 8.1 If a Supplier owes money to the Buyer, the Buyer may deduct that sum from the Call-Off Contract Charges.

9. Insurance

- 9.1 The Supplier will maintain the insurances required by the Buyer including those in this clause.

9.2 The Supplier will ensure that:

- during this Call-Off Contract, Subcontractors hold third-party public and products liability insurance of the same amounts that the Supplier would be legally liable to pay as damages, including the claimant's costs and expenses, for accidental death or bodily injury and loss of or damage to Property, to a minimum of £1,000,000
- the third-party public and products liability insurance contains an 'indemnity to principals' clause for the Buyer's benefit
- all agents and professional consultants involved in the Services hold professional indemnity insurance to a minimum indemnity of £1,000,000 for each individual claim during the Call-Off Contract, and for 6 years after the End or Expiry Date
- all agents and professional consultants involved in the Services hold employers liability insurance (except where exempt under Law) to a minimum indemnity of £5,000,000 for each individual claim during the Call-Off Contract, and for 6 years after the End or Expiry Date

9.3 If requested by the Buyer, the Supplier will obtain additional insurance policies, or extend existing policies bought under the Framework Agreement.

9.4 If requested by the Buyer, the Supplier will provide the following to show compliance with this clause:

- a broker's verification of insurance
- receipts for the insurance premium
- evidence of payment of the latest premiums due

9.5 Insurance will not relieve the Supplier of any liabilities under the Framework Agreement or this Call-Off Contract and the Supplier will:

- take all risk control measures using Good Industry Practice, including the investigation and reports of claims to insurers
- promptly notify the insurers in writing of any relevant material fact under any insurances
- hold all insurance policies and require any broker arranging the insurance to hold any insurance slips and other evidence of insurance

9.6 The Supplier will not do or omit to do anything, which would destroy or impair the legal validity of the insurance.

9.7 The Supplier will notify CCS and the Buyer as soon as possible if any insurance policies have been, or are due to be, cancelled, suspended, Ended or not renewed.

9.8 The Supplier will be liable for the payment of any:

- premiums, which it will pay promptly
- excess or deductibles and will not be entitled to recover this from the Buyer

10. Confidentiality

10.1 Subject to clause 24.1 the Supplier must during and after the Term keep the Buyer fully indemnified against all Losses, damages, costs or expenses and other liabilities (including legal fees) arising from

any breach of the Supplier's obligations under the Data Protection Legislation or under incorporated Framework Agreement clauses 8.78 to 8.86. The indemnity doesn't apply to the extent that the Supplier breach is due to a Buyer's instruction.

11. Intellectual Property Rights

- 11.1 Unless otherwise specified in this Call-Off Contract, a Party will not acquire any right, title or interest in or to the Intellectual Property Rights (IPRs) of the other Party or its licensors.
- 11.2 The Supplier grants the Buyer a non-exclusive, transferable, perpetual, irrevocable, royalty-free licence to use the Project Specific IPRs and any Background IPRs embedded within the Project Specific IPRs for the Buyer's ordinary business activities.
- 11.3 The Supplier must obtain the grant of any third-party IPRs and Background IPRs so the Buyer can enjoy full use of the Project Specific IPRs, including the Buyer's right to publish the IPR as open source.
- 11.4 The Supplier must promptly inform the Buyer if it can't comply with the clause above and the Supplier must not use third-party IPRs or Background IPRs in relation to the Project Specific IPRs if it can't obtain the grant of a licence acceptable to the Buyer.
- 11.5 The Supplier will, on written demand, fully indemnify the Buyer and the Crown for all Losses which it may incur at any time from any claim of infringement or alleged infringement of a third party's IPRs because of the:
- rights granted to the Buyer under this Call-Off Contract
 - Supplier's performance of the Services
 - use by the Buyer of the Services
- 11.6 If an IPR Claim is made, or is likely to be made, the Supplier will immediately notify the Buyer in writing and must at its own expense after written approval from the Buyer, either:
- modify the relevant part of the Services without reducing its functionality or performance
 - substitute Services of equivalent functionality and performance, to avoid the infringement or the alleged infringement, as long as there is no additional cost or burden to the Buyer
 - buy a licence to use and supply the Services which are the subject of the alleged infringement, on terms acceptable to the Buyer
- 11.7 Clause 11.5 will not apply if the IPR Claim is from:
- the use of data supplied by the Buyer which the Supplier isn't required to verify under this Call-Off Contract
 - other material provided by the Buyer necessary for the Services
- 11.8 If the Supplier does not comply with clauses 11.2 to 11.6, the Buyer may End this Call-Off Contract for Material Breach. The Supplier will, on demand, refund the Buyer all the money paid for the affected Services.

12. Protection of information

12.1 The Supplier must:

- comply with the Buyer's written instructions and this Call-Off Contract when Processing Buyer Personal Data
- only Process the Buyer Personal Data as necessary for the provision of the G-Cloud Services or as required by Law or any Regulatory Body
- take reasonable steps to ensure that any Supplier Staff who have access to Buyer Personal Data act in compliance with Supplier's security processes

12.2 The Supplier must fully assist with any complaint or request for Buyer Personal Data including by:

- providing the Buyer with full details of the complaint or request
- complying with a data access request within the timescales in the Data Protection Legislation and following the Buyer's instructions
- providing the Buyer with any Buyer Personal Data it holds about a Data Subject (within the timescales required by the Buyer)
- providing the Buyer with any information requested by the Data Subject

12.3 The Supplier must get prior written consent from the Buyer to transfer Buyer Personal Data to any other person (including any Subcontractors) for the provision of the G-Cloud Services.

13. Buyer data

The Supplier must not remove any proprietary notices in the Buyer Data.

13.1 The Supplier will not store or use Buyer Data except if necessary to fulfil its obligations.

13.2 If Buyer Data is processed by the Supplier, the Supplier will supply the data to the Buyer as requested.

13.3 The Supplier must ensure that any Supplier system that holds any Buyer Data is a secure system that complies with the Supplier's and Buyer's security policy and all Buyer requirements in the Order Form.

13.4 The Supplier will preserve the integrity of Buyer Data processed by the Supplier and prevent its corruption and loss.

13.5 The Supplier will ensure that any Supplier system which holds any protectively marked Buyer Data or other government data will comply with:

- the principles in the Security Policy Framework at <https://www.gov.uk/government/publications/security-policy-framework> and the Government Security Classification policy at <https://www.gov.uk/government/publications/government-security-classifications>
- guidance issued by the Centre for Protection of National Infrastructure on Risk Management at <https://www.cpni.gov.uk/content/adopt-risk-management-approach> and Protection of Sensitive Information and Assets at <https://www.cpni.gov.uk/protection-sensitive-information-and-assets>

- the National Cyber Security Centre's (NCSC) information risk management guidance, available at <https://www.ncsc.gov.uk/collection/risk-management-collection>
- government best practice in the design and implementation of system components, including network principles, security design principles for digital services and the secure email blueprint, available at <https://www.gov.uk/government/publications/technology-code-of-practice/technology-code-of-practice>
- the security requirements of cloud services using the NCSC Cloud Security Principles and accompanying guidance at <https://www.ncsc.gov.uk/guidance/implementing-cloud-security-principles>

- 13.6 The Buyer will specify any security requirements for this project in the Order Form.
- 13.7 If the Supplier suspects that the Buyer Data has or may become corrupted, lost, breached or significantly degraded in any way for any reason, then the Supplier will notify the Buyer immediately and will (at its own cost if corruption, loss, breach or degradation of the Buyer Data was caused by the action or omission of the Supplier) comply with any remedial action reasonably proposed by the Buyer.
- 13.8 The Supplier agrees to use the appropriate organisational, operational and technological processes to keep the Buyer Data safe from unauthorised use or access, loss, destruction, theft or disclosure.
- 13.9 The provisions of this clause 13 will apply during the term of this Call-Off Contract and for as long as the Supplier holds the Buyer's Data.

14. Standards and quality

- 14.1 The Supplier will comply with any standards in this Call-Off Contract, the Order Form and the Framework Agreement.
- 14.2 The Supplier will deliver the Services in a way that enables the Buyer to comply with its obligations under the Technology Code of Practice, which is available at <https://www.gov.uk/government/publications/technology-code-of-practice/technology-code-of-practice>
- 14.3 If requested by the Buyer, the Supplier must, at its own cost, ensure that the G-Cloud Services comply with the requirements in the PSN Code of Practice.
- 14.4 If any PSN Services are Subcontracted by the Supplier, the Supplier must ensure that the services have the relevant PSN compliance certification.
- 14.5 The Supplier must immediately disconnect its G-Cloud Services from the PSN if the PSN Authority considers there is a risk to the PSN's security and the Supplier agrees that the Buyer and the PSN Authority will not be liable for any actions, damages, costs, and any other Supplier liabilities which may arise.

15. Open source

- 15.1 All software created for the Buyer must be suitable for publication as open source, unless otherwise agreed by the Buyer.
- 15.2 If software needs to be converted before publication as open source, the Supplier must also provide

the converted format unless otherwise agreed by the Buyer.

16. Security

- 16.1 If requested to do so by the Buyer, before entering into this Call-Off Contract the Supplier will, within 15 Working Days of the date of this Call-Off Contract, develop (and obtain the Buyer's written approval of) a Security Management Plan and an Information Security Management System. After Buyer approval the Security Management Plan and Information Security Management System will apply during the Term of this Call-Off Contract. Both plans will comply with the Buyer's security policy and protect all aspects and processes associated with the delivery of the Services.
- 16.2 The Supplier will use all reasonable endeavours, software and the most up-to-date antivirus definitions available from an industry-accepted antivirus software seller to minimise the impact of Malicious Software.
- 16.3 If Malicious Software causes loss of operational efficiency or loss or corruption of Service Data, the Supplier will help the Buyer to mitigate any losses and restore the Services to operating efficiency as soon as possible.
- 16.4 Responsibility for costs will be at the:
- Supplier's expense if the Malicious Software originates from the Supplier software or the Service Data while the Service Data was under the control of the Supplier, unless the Supplier can demonstrate that it was already present, not quarantined or identified by the Buyer when provided
 - Buyer's expense if the Malicious Software originates from the Buyer software or the Service Data, while the Service Data was under the Buyer's control
- 16.5 The Supplier will immediately notify CCS of any breach of security of CCS's Confidential Information (and the Buyer of any Buyer Confidential Information breach). Where the breach occurred because of a Supplier Default, the Supplier will recover the CCS and Buyer Confidential Information however it may be recorded.
- 16.6 Any system development by the Supplier should also comply with the government's '10 Steps to Cyber Security' guidance, available at <https://www.ncsc.gov.uk/guidance/10-steps-cyber-security>
- 16.7 If a Buyer has requested in the Order Form that the Supplier has a Cyber Essentials certificate, the Supplier must provide the Buyer with a valid Cyber Essentials certificate (or equivalent) required for the Services before the Start Date.

17. Guarantee

- 17.1 If this Call-Off Contract is conditional on receipt of a Guarantee that is acceptable to the Buyer, the Supplier must give the Buyer on or before the Start Date:
- an executed Guarantee in the form at Schedule 5
 - a certified copy of the passed resolution or board minutes of the guarantor approving the execution of the Guarantee

18. Ending the Call-Off Contract

- 18.1 The Buyer can End this Call-Off Contract at any time by giving 30 days' written notice to the Supplier, unless a shorter period is specified in the Order Form. The Supplier's obligation to provide the Services will end on the date in the notice.
- 18.2 The Parties agree that the:
- Buyer's right to End the Call-Off Contract under clause 18.1 is reasonable considering the type of cloud Service being provided
 - Call-Off Contract Charges paid during the notice period is reasonable compensation and covers all the Supplier's avoidable costs or Losses
- 18.3 Subject to clause 24 (Liability), if the Buyer Ends this Call-Off Contract under clause 18.1, it will indemnify the Supplier against any commitments, liabilities or expenditure which result in any unavoidable Loss by the Supplier, provided that the Supplier takes all reasonable steps to mitigate the Loss. If the Supplier has insurance, the Supplier will reduce its unavoidable costs by any insurance sums available. The Supplier will submit a fully itemised and costed list of the unavoidable Loss with supporting evidence.
- 18.4 The Buyer will have the right to End this Call-Off Contract at any time with immediate effect by written notice to the Supplier if either the Supplier commits:
- a Supplier Default and if the Supplier Default cannot, in the reasonable opinion of the Buyer, be remedied
 - any fraud
- 18.5 A Party can End this Call-Off Contract at any time with immediate effect by written notice if:
- the other Party commits a Material Breach of any term of this Call-Off Contract (other than failure to pay any amounts due) and, if that breach is remediable, fails to remedy it within 15 Working Days of being notified in writing to do so
 - an Insolvency Event of the other Party happens
 - the other Party ceases or threatens to cease to carry on the whole or any material part of its business
- 18.6 If the Buyer fails to pay the Supplier undisputed sums of money when due, the Supplier must notify the Buyer and allow the Buyer 5 Working Days to pay. If the Buyer doesn't pay within 5 Working Days, the Supplier may End this Call-Off Contract by giving the length of notice in the Order Form.
- 18.7 A Party who isn't relying on a Force Majeure event will have the right to End this Call-Off Contract if clause 23.1 applies.

19. Consequences of suspension, ending and expiry

- 19.1 If a Buyer has the right to End a Call-Off Contract, it may elect to suspend this Call-Off Contract or any part of it.
- 19.2 Even if a notice has been served to End this Call-Off Contract or any part of it, the Supplier must

continue to provide the Ordered G-Cloud Services until the dates set out in the notice.

- 19.3 The rights and obligations of the Parties will cease on the Expiry Date or End Date (whichever applies) of this Call-Off Contract, except those continuing provisions described in clause 19.4.
- 19.4 Ending or expiry of this Call-Off Contract will not affect:
- any rights, remedies or obligations accrued before its Ending or expiration
 - the right of either Party to recover any amount outstanding at the time of Ending or expiry
 - the continuing rights, remedies or obligations of the Buyer or the Supplier under clauses 7 (Payment, VAT and Call-Off Contract charges); 8 (Recovery of sums due and right of set-off); 9 (Insurance); 10 (Confidentiality); 11 (Intellectual property rights); 12 (Protection of information); 13 (Buyer data); 19 (Consequences of suspension, ending and expiry); 24 (Liability); incorporated Framework Agreement clauses: 4.2 to 4.7 (Liability); 8.42 to 8.48 (Conflicts of interest and ethical walls) and 8.87 to 8.88 (Waiver and cumulative remedies)
 - any other provision of the Framework Agreement or this Call-Off Contract which expressly or by implication is in force even if it Ends or expires
- 19.5 At the end of the Call-Off Contract Term, the Supplier must promptly:
- return all Buyer Data including all copies of Buyer software, code and any other software licensed by the Buyer to the Supplier under it
 - return any materials created by the Supplier under this Call-Off Contract if the IPRs are owned by the Buyer
 - stop using the Buyer Data and, at the direction of the Buyer, provide the Buyer with a complete and uncorrupted version in electronic form in the formats and on media agreed with the Buyer
 - destroy all copies of the Buyer Data when they receive the Buyer's written instructions to do so or 12 calendar months after the End or Expiry Date, and provide written confirmation to the Buyer that the data has been securely destroyed, except if the retention of Buyer Data is required by Law
 - work with the Buyer on any ongoing work
 - return any sums prepaid for Services which have not been delivered to the Buyer, within 10 Working Days of the End or Expiry Date
- 19.6 Each Party will return all of the other Party's Confidential Information and confirm this has been done, unless there is a legal requirement to keep it or this Call-Off Contract states otherwise.
- 19.7 All licences, leases and authorisations granted by the Buyer to the Supplier will cease at the end of the Call-Off Contract Term without the need for the Buyer to serve notice except if this Call-Off Contract states otherwise.

20. Notices

- 20.1 Any notices sent must be in writing. For the purpose of this clause, an email is accepted as being 'in

writing'.

Manner of delivery	Deemed time of delivery	Proof of service
Email	9am on the first Working Day after sending	Sent by pdf to the correct email address without getting an error message

- 20.2 This clause does not apply to any legal action or other method of dispute resolution which should be sent to the addresses in the Order Form (other than a dispute notice under this Call-Off Contract).

21. Exit plan

- 21.1 The Supplier must provide an exit plan in its Application which ensures continuity of service and the Supplier will follow it.
- 21.2 When requested, the Supplier will help the Buyer to migrate the Services to a replacement supplier in line with the exit plan. This will be at the Supplier's own expense if the Call-Off Contract Ended before the Expiry Date due to Supplier cause.
- 21.3 If the Buyer has reserved the right in the Order Form to extend the Call-Off Contract Term beyond 24 months the Supplier must provide the Buyer with an additional exit plan for approval by the Buyer at least 8 weeks before the 18 month anniversary of the Start Date.
- 21.4 The Supplier must ensure that the additional exit plan clearly sets out the Supplier's methodology for achieving an orderly transition of the Services from the Supplier to the Buyer or its replacement Supplier at the expiry of the proposed extension period or if the contract Ends during that period.
- 21.5 Before submitting the additional exit plan to the Buyer for approval, the Supplier will work with the Buyer to ensure that the additional exit plan is aligned with the Buyer's own exit plan and strategy.
- 21.6 The Supplier acknowledges that the Buyer's right to extend the Term beyond 24 months is subject to the Buyer's own governance process. Where the Buyer is a central government department, this includes the need to obtain approval from GDS under the Spend Controls process. The approval to extend will only be given if the Buyer can clearly demonstrate that the Supplier's additional exit plan ensures that:
- the Buyer will be able to transfer the Services to a replacement supplier before the expiry or Ending of the extension period on terms that are commercially reasonable and acceptable to the Buyer
 - there will be no adverse impact on service continuity
 - there is no vendor lock-in to the Supplier's Service at exit
 - it enables the Buyer to meet its obligations under the Technology Code Of Practice
- 21.7 If approval is obtained by the Buyer to extend the Term, then the Supplier will comply with its obligations in the additional exit plan.
- 21.8 The additional exit plan must set out full details of timescales, activities and roles and responsibilities of the Parties for:
- the transfer to the Buyer of any technical information, instructions, manuals and code

reasonably required by the Buyer to enable a smooth migration from the Supplier

- the strategy for exportation and migration of Buyer Data from the Supplier system to the Buyer or a replacement supplier, including conversion to open standards or other standards required by the Buyer
- the transfer of Project Specific IPR items and other Buyer customisations, configurations and databases to the Buyer or a replacement supplier
- the testing and assurance strategy for exported Buyer Data
- if relevant, TUPE-related activity to comply with the TUPE regulations
- any other activities and information which is reasonably required to ensure continuity of Service during the exit period and an orderly transition

22. Handover to replacement supplier

22.1 At least 10 Working Days before the Expiry Date or End Date, the Supplier must provide any:

- data (including Buyer Data), Buyer Personal Data and Buyer Confidential Information in the Supplier's possession, power or control
- other information reasonably requested by the Buyer

22.2 On reasonable notice at any point during the Term, the Supplier will provide any information and data about the G-Cloud Services reasonably requested by the Buyer (including information on volumes, usage, technical aspects, service performance and staffing). This will help the Buyer understand how the Services have been provided and to run a fair competition for a new supplier.

22.3 This information must be accurate and complete in all material respects and the level of detail must be sufficient to reasonably enable a third party to prepare an informed offer for replacement services and not be unfairly disadvantaged compared to the Supplier in the buying process.

23. Force majeure

23.1 If a Force Majeure event prevents a Party from performing its obligations under this Call-Off Contract for more than the number of consecutive days set out in the Order Form, the other Party may End this Call-Off Contract with immediate effect by written notice.

24. Liability

24.1 Subject to incorporated Framework Agreement clauses 4.2 to 4.7, each Party's Yearly total liability for defaults under or in connection with this Call-Off Contract (whether expressed as an indemnity or otherwise) will be set as follows:

- Property: for all defaults resulting in direct loss to the property (including technical infrastructure, assets, IPR or equipment but excluding any loss or damage to Buyer Data) of the other Party, will not exceed the amount in the Order Form
- Buyer Data: for all defaults resulting in direct loss, destruction, corruption, degradation or

damage to any Buyer Data caused by the Supplier's default will not exceed the amount in the Order Form

- Other defaults: for all other defaults, claims, Losses or damages, whether arising from breach of contract, misrepresentation (whether under common law or statute), tort (including negligence), breach of statutory duty or otherwise will not exceed the amount in the Order Form

25. Premises

- 25.1 If either Party uses the other Party's premises, that Party is liable for all loss or damage it causes to the premises. It is responsible for repairing any damage to the premises or any objects on the premises, other than fair wear and tear.
- 25.2 The Supplier will use the Buyer's premises solely for the performance of its obligations under this Call-Off Contract.
- 25.3 The Supplier will vacate the Buyer's premises when the Call-Off Contract Ends or expires.
- 25.4 This clause does not create a tenancy or exclusive right of occupation.
- 25.5 While on the Buyer's premises, the Supplier will:
- comply with any security requirements at the premises and not do anything to weaken the security of the premises
 - comply with Buyer requirements for the conduct of personnel
 - comply with any health and safety measures implemented by the Buyer
 - immediately notify the Buyer of any incident on the premises that causes any damage to Property which could cause personal injury
- 25.6 The Supplier will ensure that its health and safety policy statement (as required by the Health and Safety at Work etc Act 1974) is made available to the Buyer on request.

26. Equipment

- 26.1 The Supplier is responsible for providing any Equipment which the Supplier requires to provide the Services.
- 26.2 Any Equipment brought onto the premises will be at the Supplier's own risk and the Buyer will have no liability for any loss of, or damage to, any Equipment.
- 26.3 When the Call-Off Contract Ends or expires, the Supplier will remove the Equipment and any other materials leaving the premises in a safe and clean condition.

27. The Contracts (Rights of Third Parties) Act 1999

- 27.1 Except as specified in clause 29.8, a person who isn't Party to this Call-Off Contract has no right under the Contracts (Rights of Third Parties) Act 1999 to enforce any of its terms. This does not affect any right or remedy of any person which exists or is available otherwise.

28. Environmental requirements

- 28.1 The Buyer will provide a copy of its environmental policy to the Supplier on request, which the Supplier will comply with.
- 28.2 The Supplier must provide reasonable support to enable Buyers to work in an environmentally friendly way, for example by helping them recycle or lower their carbon footprint.

29. The Employment Regulations (TUPE)

- 29.1 The Supplier agrees that if the Employment Regulations apply to this Call-Off Contract on the Start Date then it must comply with its obligations under the Employment Regulations and (if applicable) New Fair Deal (including entering into an Admission Agreement) and will indemnify the Buyer or any Former Supplier for any loss arising from any failure to comply.
- 29.2 Twelve months before this Call-Off Contract expires, or after the Buyer has given notice to End it, and within 28 days of the Buyer's request, the Supplier will fully and accurately disclose to the Buyer all staff information including, but not limited to, the total number of staff assigned for the purposes of TUPE to the Services. For each person identified the Supplier must provide details of:
- the activities they perform
 - age
 - start date
 - place of work

- 29.3 The Supplier warrants the accuracy of the information provided under this TUPE clause and will notify the Buyer of any changes to the amended information as soon as reasonably possible. The Supplier will permit the Buyer to use and disclose the information to any prospective Replacement Supplier.
- 29.4 In the 12 months before the expiry of this Call-Off Contract, the Supplier will not change the identity and number of staff assigned to the Services (unless reasonably requested by the Buyer) or their

terms and conditions, other than in the ordinary course of business.

- 29.5 The Supplier will co-operate with the re-tendering of this Call-Off Contract by allowing the Replacement Supplier to communicate with and meet the affected employees or their representatives.
- 29.6 The Supplier will indemnify the Buyer or any Replacement Supplier for all Loss arising from both:
- its failure to comply with the provisions of this clause
 - any claim by any employee or person claiming to be an employee (or their employee representative) of the Supplier which arises or is alleged to arise from any act or omission by the Supplier on or before the date of the Relevant Transfer
- 29.7 The provisions of this clause apply during the Term of this Call-Off Contract and indefinitely after it Ends or expires.
- 29.8 For these TUPE clauses, the relevant third party will be able to enforce its rights under this clause but their consent will not be required to vary these clauses as the Buyer and Supplier may agree.

30. Additional G-Cloud services

- 30.1 The Buyer may require the Supplier to provide Additional Services. The Buyer doesn't have to buy any Additional Services from the Supplier and can buy services that are the same as or similar to the Additional Services from any third party.
- 30.2 If reasonably requested to do so by the Buyer in the Order Form, the Supplier must provide and monitor performance of the Additional Services using an Implementation Plan.

31. Collaboration

- 31.1 If the Buyer has specified in the Order Form that it requires the Supplier to enter into a Collaboration Agreement, the Supplier must give the Buyer an executed Collaboration Agreement before the Start Date.
- 31.2 In addition to any obligations under the Collaboration Agreement, the Supplier must:
- work proactively and in good faith with each of the Buyer's contractors
 - co-operate and share information with the Buyer's contractors to enable the efficient operation of the Buyer's ICT services and G-Cloud Services

32. Variation process

- 32.1 The Buyer can request in writing a change to this Call-Off Contract if it isn't a material change to the Framework Agreement/or this Call-Off Contract. Once implemented, it is called a Variation.
- 32.2 The Supplier must notify the Buyer immediately in writing of any proposed changes to their G-Cloud Services or their delivery by submitting a Variation request. This includes any changes in the Supplier's supply chain.
- 32.3 If Either Party can't agree to or provide the Variation, the Buyer may agree to continue performing its

obligations under this Call-Off Contract without the Variation, or End this Call-Off Contract by giving 30 days notice to the Supplier.

33. Data Protection Legislation (GDPR)
