- 15.4 Provided that the Supplier maintains all indemnity arrangements required by Law, the Supplier may self insure in order to meet other relevant requirements referred to at Clauses 15.1 and 15.2 of this Schedule 2 on condition that such self insurance arrangements offer the appropriate levels of protection and are approved by NHS Supply Chain in writing prior to the Commencement Date.
- 15.5 The amount of any indemnity cover and/or self insurance arrangements shall not relieve the Supplier of any liabilities under this Framework Agreement. It shall be the responsibility of the Supplier to determine the amount of indemnity and/or self insurance cover that will be adequate to enable it to satisfy its potential liabilities under this Framework Agreement. Accordingly, the Supplier shall be liable to make good any deficiency if the proceeds of any indemnity cover and/or self insurance arrangement is insufficient to cover the settlement of any claim.
- 15.6 The Supplier warrants that it shall not take any action or fail to take any reasonable action or (in so far as it is reasonable and within its power) permit or allow others to take or fail to take any action, as a result of which its insurance cover may be rendered void, voidable, unenforceable, or be suspended or impaired in whole or in part, or which may otherwise render any sum paid out under such insurances repayable in whole or in part.
- 15.7 The Supplier shall from time to time and in any event within five (5) Business Days of written demand provide documentary evidence to NHS Supply Chain that insurance arrangements taken out by the Supplier pursuant to Clause 15 of this Schedule 2 and the Key Provisions are fully maintained and that any premiums on them and/or contributions in respect of them (if any) are fully paid.
- 15.8 Upon the expiry or earlier termination of this Framework Agreement, the Supplier shall ensure that any ongoing liability it has or may have arising out of this Framework Agreement shall continue to be the subject of appropriate indemnity arrangements for the period of twenty one (21) years from termination or expiry of this Framework Agreement or until such earlier date as that liability may reasonably be considered to have ceased to exist.

16 Term and Termination

- 16.1 This Framework Agreement shall commence on the Commencement Date and, unless terminated earlier in accordance with the terms of this Framework Agreement or the general law, shall continue until the end of the Term.
- 16.2 NHS Supply Chain shall be entitled to extend the Term on one or more occasions by giving the Supplier written notice no less than three (3) months prior to the date on which this Framework Agreement would otherwise have expired, provided that the duration of this Framework Agreement shall be no longer than the total term specified in the Key Provisions.
- 16.3 In the case of a breach of any of the terms of this Framework Agreement by either Party that is capable of remedy (including any failure to pay any sums due under this Framework Agreement), the non-breaching Party shall, without prejudice to its other rights and remedies under this Framework Agreement, issue notice of the breach and allow the Party in breach the opportunity to remedy such breach in the first instance via a remedial proposal put forward by the Party in breach ("**Remedial Proposal**") before exercising any right to terminate this Framework Agreement in accordance with Clause 16.4.1(ii) of this Schedule 2. Such Remedial Proposal must be agreed with the non-breaching Party (such agreement not to be unreasonably

withheld or delayed) and must be implemented by the Party in breach in accordance with the timescales referred to in the agreed Remedial Proposal. Once agreed, any changes to a Remedial Proposal must be approved by the Parties in writing. Any failure by the Party in breach to:

- 16.3.1 put forward and agree a Remedial Proposal with the non-breaching Party in relation to the relevant default or breach within a period of ten (10) Business Days (or such other period as the non-breaching Party may agree in writing) from written notification of the relevant default or breach from the non-breaching Party;
- 16.3.2 comply with such Remedial Proposal (including, without limitation, as to its timescales for implementation, which shall be thirty (30) days unless otherwise agreed between the Parties); and/or
- 16.3.3 remedy the default or breach notwithstanding the implementation of such Remedial Proposal in accordance with the agreed timescales for implementation,

shall be deemed, for the purposes of Clause 16.4.1(ii) of this Schedule 2, a material breach of this Framework Agreement by the Party in breach not remedied in accordance with an agreed Remedial Proposal.

16.4 Either Party may terminate this Framework Agreement forthwith by notice in writing to the other Party if such other Party:

- 16.4.1 commits a material breach of any of the terms of this Framework Agreement which is:
 - (i) not capable of remedy; or
 - (ii) in the case of a breach capable of remedy, which is not remedied in accordance with a Remedial Proposal; or
- 16.4.2 has been served with at least two (2) previous breach notices as a result of any material breaches which are capable of remedy within any twelve (12) month rolling period whether or not the Party in breach has remedied the breach in accordance with a Remedial Proposal. The twelve (12) months rolling period is the twelve (12) months immediately preceding the date of the third breach notice.

16.5 NHS Supply Chain may terminate this Framework Agreement forthwith by notice in writing to the Supplier if:

- 16.5.1 the Supplier, or any third party guaranteeing the obligations of the Supplier under this Framework Agreement, ceases or threatens to cease carrying on its business; suspends making payments on any of its debts or announces an intention to do so; is, or is deemed for the purposes of any Law to be, unable to pay its debts as they fall due or insolvent; enters into or proposes any composition, assignment or arrangement with its creditors generally; takes any step or suffers any step to be taken in relation to its winding-up, dissolution, administration (whether out of court or otherwise) or reorganisation (by way of voluntary arrangement, scheme of arrangement or otherwise) otherwise than as part of, and exclusively for the purpose of, a bona fide reconstruction or amalgamation; has a liquidator, trustee in bankruptcy, judicial custodian, compulsory manager, receiver, administrative receiver, administrator or similar officer appointed (in each case, whether out of court or otherwise) in respect of it or any of its assets; has any security over any of its assets enforced; or any analogous procedure or step is taken in any jurisdiction;
- 16.5.2 the Supplier undergoes a change of control within the meaning of sections 450 and 451 of the Corporation Tax Act 2010 (other than for an intra-group change of control) without the prior written consent of NHS Supply Chain and NHS Supply Chain shall be entitled to withhold such consent if, in the reasonable opinion of NHS Supply Chain, the proposed change of control will have a material impact on the performance of this Framework Agreement or the reputation of NHS Supply Chain;

- 16.5.3 the Supplier purports to assign, subcontract, novate, create a trust in or otherwise transfer or dispose of this Framework Agreement in breach of Clause 29 of this Schedule 2;
 - 16.5.4 pursuant to and in accordance with the Key Provisions and Clauses 16.6, 24.8; 26.2; 26.4 and 30.2 of this Schedule 2; or
 - 16.5.5 the Supplier is in breach of Clause 10.4 of this Schedule 2.
- 16.6 If NHS Supply Chain, acting reasonably, has good cause to believe that there has been a material deterioration in the financial circumstances of the Supplier and/or any third party guaranteeing the obligations of the Supplier under this Framework Agreement and/or any material subcontractor of the Supplier when compared to any information provided to and/or assessed by NHS Supply Chain as part of any procurement process or other due diligence leading to the award of this Framework Agreement to the Supplier or the entering into a subcontract by the Supplier, the following process shall apply:
- 16.6.1 NHS Supply Chain may (but shall not be obliged to) give notice to the Supplier requesting adequate financial or other security and/or assurances for due performance of its material obligations under this Framework Agreement on such reasonable and proportionate terms as NHS Supply Chain may require within a reasonable time period as specified in such notice;
 - 16.6.2 a failure or refusal by the Supplier to provide the financial or other security and/or assurances requested in accordance with Clause 16.6 of this Schedule 2 in accordance with any reasonable timescales specified in any such notice issued by NHS Supply Chain shall be deemed a breach of this Framework Agreement by the Supplier and shall be referred to and resolved in accordance with the Dispute Resolution Procedure; and
 - 16.6.3 a failure to resolve such breach in accordance with such Dispute Resolution Procedure by the end of the escalation stage of such process (as set out in Clause 23.3 of this Schedule 2) shall entitle, but shall not compel, NHS Supply Chain to terminate this Framework Agreement in accordance with Clause 16.4.1(i) of this Schedule 2.
 - 16.6.4 In order that NHS Supply Chain may act reasonably in exercising its discretion in accordance with Clause 16.6 of this Schedule 2, the Supplier shall provide NHS Supply Chain with such reasonable and proportionate up-to-date financial or other information relating to the Supplier or any relevant third party entity upon request.
- In order that NHS Supply Chain may act reasonably in exercising its discretion in accordance with Clause 16.6 of this Schedule 2, the Supplier shall provide NHS Supply Chain with such reasonable and proportionate up-to-date financial or other information relating to the Supplier or any relevant third party entity upon request.
- 16.7 NHS Supply Chain may terminate this Framework Agreement forthwith by notice in writing to the Supplier where:
- 16.7.1 the Framework Agreement has been substantially amended to the extent that the Public Contracts Regulations 2015 require a new procurement procedure;
 - 16.7.2 the Authority has become aware that the Supplier should have been excluded under Regulation 57(1) or (2) of the Public Contracts Regulations 2015 from the procurement procedure leading to the award of this Framework Agreement;
 - 16.7.3 the Framework Agreement should not have been awarded to the Supplier in view of a serious infringement of obligations under European law declared by the Court

of Justice of the European Union under Article 258 of the Treaty on the Functioning of the EU; or

- 16.7.4 there has been a failure by the Supplier and/or one its Sub-contractors to comply with legal obligations in the fields of environmental, social or labour Law. Where the failure to comply with legal obligations in the fields of environmental, social or labour Law is a failure by one of the Supplier's Sub-contractors, the Authority may request the replacement of such Sub-contractor and the Supplier shall comply with such request as an alternative to the Authority terminating this Framework Agreement under this Clause 16.7.4.

17 Consequences of expiry or earlier termination of this Framework Agreement

- 17.1 Upon expiry or earlier termination of this Framework Agreement, NHS Supply Chain and the Supplier agree that all Contracts entered into under this Framework Agreement will continue in full force and effect unless otherwise terminated under the terms and conditions of such Contracts.
- 17.2 The Supplier agrees that where this Framework Agreement has been terminated properly in accordance with Clause 16 of this Schedule 2 it shall not be entitled to make a claim against NHS Supply Chain in relation to costs incurred in the provision of the Goods and/or Services which do not form part of the Contract Price paid or payable by an Authority.
- 17.3 The Supplier shall cooperate fully with NHS Supply Chain or, as the case may be, any replacement supplier during any re-procurement and handover period or novation of the Framework Agreement or any Contract prior to and following the expiry or earlier termination of this Framework Agreement. This cooperation shall extend to providing access to all information relevant to the operation of this Framework Agreement and signing any documents, as reasonably required by NHS Supply Chain to achieve a fair and transparent re-procurement and/or an effective transition without disruption to routine operational requirements.
- 17.4 The expiry or earlier termination of this Framework Agreement for whatever reason shall not affect any rights or obligations of either Party which accrued prior to such expiry or earlier termination.
- 17.5 The expiry or earlier termination of this Framework Agreement shall not affect any obligations which expressly or by implication are intended to come into or continue in force on or after such expiry or earlier termination.

18 Suspension of Supplier's appointment

- 18.1 Without prejudice to NHS Supply Chain's rights to terminate this Framework Agreement, if a right for NHS Supply Chain to terminate this Framework Agreement arises (irrespective of whether the circumstances leading to such right are capable of remedy) in accordance with Clause 16 of this Schedule 2, NHS Supply Chain may suspend the Supplier's appointment to receive new Orders under this Framework Agreement by giving notice in writing to the Supplier and all Participating Authorities.
- 18.2 If NHS Supply Chain provides notice to the Supplier in accordance with Clause 18.1 of this Schedule 2, the Supplier's appointment shall be suspended for the period set out in the notice or such other period notified to the Supplier by NHS Supply Chain in writing from time to time provided that such suspension shall be lifted if:
- 18.2.1 the circumstances leading to NHS Supply Chain's right to terminate this Framework Agreement have been remedied;

- 18.2.2 NHS Supply Chain has satisfied itself that the risk and/or impact of the circumstances giving rise to NHS Supply Chain's right to terminate this Framework Agreement no longer requires such suspension; or
- 18.2.3 NHS Supply Chain exercises its rights to terminate this Framework Agreement in accordance with Clause 16 of this Schedule 2.

19 Complaints process

- 19.1 The Supplier shall notify NHS Supply Chain of any formal written complaints made by other Participating Authorities relating to the Supplier's noncompliance with any of its obligations under any Contract within two (2) Business Days of the Supplier becoming aware of such complaints.
- 19.2 Without prejudice to any rights and remedies that the Participating Authority may have under the relevant Contract and/or NHS Supply Chain may have under this Framework Agreement, the Supplier shall use its reasonable endeavours to resolve such complaint within ten (10) Business Days and in so doing, shall deal with the complaint fully, expeditiously and fairly.
- 19.3 Within two (2) Business Days of a written request by NHS Supply Chain, the Supplier shall provide further reasonable details of the complaint to NHS Supply Chain, including details of the steps being taken to progress its resolution and, following its resolution, details of how and when the complaint was resolved.

20 Sustainable development

- 20.1 The Supplier shall comply in all material respects with applicable environmental and social Law requirements in force from time to time in relation to the Goods and Services. Where the provisions of any such Law are implemented by the use of voluntary agreements, the Supplier shall comply with such agreements as if they were incorporated into English law subject to those voluntary agreements being cited in the Specification. Without prejudice to the generality of the foregoing, the Supplier shall:
- 20.1.1 comply with all Policies and/or procedures and requirements set out in the Specification in relation to any stated environmental and social requirements, characteristics and impacts of the Goods and Services and the Supplier's supply chain;
- 20.1.2 maintain relevant policy statements documenting the Supplier's significant social and environmental aspects as relevant to the Goods and Services being supplied and as proportionate to the nature and scale of the Supplier's business operations; and
- 20.1.3 maintain plans and procedures that support the commitments made as part of the Supplier's significant social and environmental policies, as referred to in Clause 20.1.2 of this Schedule 2.
- 20.2 The Supplier shall meet reasonable requests by NHS Supply Chain for information evidencing the Supplier's compliance with the provisions of Clause 20 of this Schedule 2.

21 Electronic product information

- 21.1 Where requested by NHS Supply Chain, the Supplier shall provide NHS Supply Chain with the Product Information in such manner and upon such media as agreed between the Supplier and NHS Supply Chain from time to time for the sole use by NHS Supply Chain.
- 21.2 The Supplier warrants that the Product Information is complete and accurate as at the date upon which it is delivered to NHS Supply Chain and that the Product Information shall not contain any data or statement which gives rise to any liability on the part of NHS Supply Chain following publication of the same in accordance with Clause 21 of this Schedule 2.

- 21.3 If the Product Information ceases to be complete and accurate, the Supplier shall promptly notify NHS Supply Chain in writing of any modification or addition to or any inaccuracy or omission in the Product Information.
- 21.4 The Supplier grants NHS Supply Chain a perpetual, non-exclusive, royalty free licence to use and exploit the Product Information and any Intellectual Property Rights in the Product Information for the purpose of illustrating the range of goods and services (including, without limitation, the Goods and Services) available in NHS Supply Chain's product catalogue in relation to any catalogues produced during the Term. Subject to Clause 21.5 of this Schedule 2, no right to illustrate or advertise the Product Information is granted to the Supplier by the NHS Supply Chain, as a consequence of the licence conferred by this Clause 21.4 of this Schedule 2.
- 21.5 NHS Supply Chain may reproduce for its sole use the Product Information provided by the Supplier in NHS Supply Chain's product catalogue from time to time which may be made available on any healthcare communications networks in electronic format and/or made available on NHS Supply Chain's external website and/or made available on other digital media from time to time.
- 21.6 For the avoidance of doubt the Supplier shall have no right to compel NHS Supply Chain to exhibit the Product Information in any product catalogue as a result of the approval given by it pursuant to this Clause 21.6 of this Schedule 2 or otherwise under the terms of this Framework Agreement.
- 21.7 NHS Supply Chain may approach the Supplier during the Term to offer the Supplier the opportunity to take part in specific promotions or to purchase additional advertising space in relation to the Goods and/or Services, the Framework Agreement and any Contract and the Parties shall agree an appropriate price for any such advertising. If any such opportunity is cancelled by NHS Supply Chain it shall refund the purchase price to the Supplier but for the avoidance of doubt, NHS Supply Chain shall not be liable for any incidental costs incurred by the Supplier, including costs associated with the development of an advert.
- 21.8 The Supplier agrees to indemnify and keep indemnified NHS Supply Chain against any loss, damages, costs, expenses (including without limitation legal costs and expenses), claims or proceedings arising out of or in connection with NHS Supply Chain's use of the Product Information, provided always that NHS Supply Chain has not materially misused the Product Information.

22 Change management

- 22.1 The Supplier acknowledges to NHS Supply Chain that the requirements for the Goods and Services may change during the Term and the Supplier shall not unreasonably withhold or delay its consent to any reasonable variation or addition to the Specification and Tender Response Document, as may be requested by NHS Supply Chain from time to time. Any change to the Goods and Services or other variation to this Framework Agreement shall only be binding once it has been agreed in writing and signed by an authorised representative of both Parties.

23 Dispute resolution

- 23.1 During any dispute, including a dispute as to the validity of this Framework Agreement, it is agreed that the Supplier shall continue its performance of the provisions of the Framework Agreement and any Contracts entered into pursuant to the Framework Agreement (unless NHS Supply Chain requests in writing that the Supplier does not do so).
- 23.2 In the case of a dispute arising out of or in connection with this Framework Agreement the Supplier and NHS Supply Chain shall make every reasonable effort to communicate and cooperate with each other with a view to resolving the dispute and follow the procedure set out in Clause 23.3 of this Schedule 2 as the first stage in the Dispute Resolution Procedure.

- 23.3 If any dispute arises out of the Framework Agreement either Party may serve a notice on the other Party to commence formal resolution of the dispute. Level 1 of the management levels of the dispute as set out in Clause 1.7 of the Key Provisions will commence on the date of service of the dispute notice. Respective representatives, as set out in Clause 1.7 of the Key Provisions, shall have five (5) Business Days at each level to resolve the dispute before escalating the matter to the next level as appropriate until all levels have been exhausted. The final level of the escalation process shall be deemed exhausted on the expiry of five (5) Business Days following escalation to that level unless otherwise agreed by the Parties in writing.
- 23.4 If the procedure set out in Clause 23.2 of this Schedule 2 above has been exhausted and fails to resolve such dispute, as part of the Dispute Resolution Procedure, the Parties will attempt to settle it by mediation. The Parties shall, acting reasonably, attempt to agree upon a mediator. In the event that the Parties fail to agree a mediator within five (5) Business Days following the exhaustion of all levels of the escalation procedure at Clause 22.3 of this Schedule 2, the mediator shall be nominated and confirmed by the Centre for Effective Dispute Resolution, London.
- 23.5 The mediation shall commence within twenty eight (28) days of the Mediation Notice being served. Neither Party will terminate such mediation until each Party has made its opening presentation and the mediator has met each Party separately for at least one hour or one Party has failed to participate in the mediation process. Neither Party will commence legal proceedings against the other until thirty (30) days after such mediation of the dispute in question has failed to resolve the dispute. NHS Supply Chain and the Supplier will cooperate with any person appointed as mediator providing them with such information and other assistance as they shall require and will pay their costs, as they shall determine or in the absence of such determination such costs will be shared equally.
- 23.6 Nothing in this Framework Agreement shall prevent:
- 23.6.1 NHS Supply Chain taking action in any court in relation to any death or personal injury arising or allegedly arising in connection with supply of the Goods and/or Services; or
- 23.6.2 either Party seeking from any court any interim or provisional relief that may be necessary to protect the rights or property of that Party or that relates to the safety of patients or the security of Confidential Information, pending resolution of the relevant dispute in accordance with the CEDR or other mediation organisation procedure.
- 23.7 Clause 23 of this Schedule 2 shall survive the expiry of or earlier termination of this Framework Agreement for any reason.

24 Force majeure

- 24.1 Subject to Clause 24.2 of this Schedule 2 neither Party shall be liable to the other for any failure to perform all or any of its obligations under this Framework Agreement nor liable to the other Party for any loss or damage arising out of the failure to perform its obligations to the extent only that such performance is rendered impossible by a Force Majeure Event.
- 24.2 The Supplier shall only be entitled to rely on a Force Majeure Event and the relief set out in Clause 24 of this Schedule 2 and will not be considered to be in default or liable for breach of any obligations under this Framework Agreement if:
- 24.2.1 the Supplier has fulfilled its obligations pursuant to Clause 6 of this Schedule 2;
- 24.2.2 the Force Majeure Event does not arise directly or indirectly as a result of any wilful or negligent act or default of the Supplier; and
- 24.2.3 the Supplier has complied with the procedural requirements set out in this Clause 24 of Schedule 2.

- 24.3 Where a Party is (or claims to be) affected by a Force Majeure Event it shall use reasonable endeavours to mitigate the consequences of such a Force Majeure Event upon the performance of its obligations under this Framework Agreement and to resume the performance of its obligations affected by the Force Majeure Event as soon as practicable.
- 24.4 Where the Force Majeure Event affects the Supplier's ability to perform part of its obligations under the Framework Agreement the Supplier shall fulfil all such contractual obligations that are not so affected and shall not be relieved from its liability to do so.
- 24.5 If either Party is prevented or delayed in the performance of its obligations under this Framework Agreement by a Force Majeure Event, that Party shall as soon as reasonably practicable serve notice in writing on the other Party specifying the nature and extent of the circumstances giving rise to its failure to perform or any anticipated delay in performance of its obligations.
- 24.6 Subject to service of such notice, the Party affected by such circumstances shall have no liability for its failure to perform or for any delay in performance of its obligations affected by the Force Majeure Event only for so long as such circumstances continue and for such time after they cease as is necessary for that Party, using its best endeavours, to recommence its affected operations in order for it to perform its obligations.
- 24.7 The Party claiming relief shall notify the other in writing as soon as the consequences of the Force Majeure Event have ceased and of when performance of its affected obligations can be resumed.
- 24.8 If the Supplier is prevented from performance of its obligations as a result of a Force Majeure Event, NHS Supply Chain may at any time if the Force Majeure Event subsists for thirty (30) days or more, terminate this Framework Agreement on service of written notice on the Supplier.
- 24.9 Following such termination in accordance with Clause 24.8 of this Schedule 2 and subject to Clause 24.10 of this Schedule 2, neither Party shall have any liability to the other.
- 24.10 Any rights and liabilities of either Party which accrued prior to such termination in accordance with Clause 24.8 of this Schedule 2 shall continue in full force and effect unless otherwise specified in this Framework Agreement.

25 Records retention and right of audit

- 25.1 Subject to any statutory requirement and Clause 25.2 of this Schedule 2, the Supplier shall keep secure and maintain for the Term and six (6) years afterwards, or such longer period as may be agreed between the Parties, full and accurate records of all matters relating to this Framework Agreement.
- 25.2 Where any records could be relevant to a claim for personal injury such records shall be kept secure and maintained for a period of twenty one (21) years from the date of expiry or earlier termination of this Framework Agreement.
- 25.3 NHS Supply Chain shall have the right to audit the Supplier's compliance with this Framework Agreement. The Supplier shall permit or procure permission for NHS Supply Chain or its authorised representative during normal business hours having given advance written notice of no less than five (5) Business Days, access to any premises and facilities, books and records reasonably required to audit the Supplier's compliance with its obligations under this Framework Agreement.
- 25.4 Should the Supplier subcontract any of its obligations under this Framework Agreement, NHS Supply Chain shall have the right to audit and inspect such third party. The Supplier shall procure permission for NHS Supply Chain or its authorised representative during normal business hours no more than once in any twelve (12) months, having given advance written notice of no less than five (5) Business Days, access to any premises and facilities, books and records used in the performance of the Supplier's obligations under this Framework Agreement that are subcontracted to such third party. The Supplier shall cooperate with such audit and inspection and accompany NHS Supply Chain or its authorised representative if requested.

- 25.5 The Supplier shall grant to NHS Supply Chain or its authorised representative, such access to those records as they may reasonably require in order to check the Supplier's compliance with this Framework Agreement for the purposes of:
- 25.5.1 the examination and certification of NHS Supply Chain's accounts; or
 - 25.5.2 any examination pursuant to section 6(1) of the National Audit Act 1983 of the economic efficiency and effectiveness with which NHS Supply Chain has used its resources.
- 25.6 The Comptroller and Auditor General may examine such documents as they may reasonably require which are owned, held or otherwise within the control of the Supplier and may require the Supplier to provide such oral and/or written explanations as they consider necessary. Clause 25 of this Schedule 2 does not constitute a requirement or agreement for the examination, certification or inspection of the accounts of the Supplier under section 6(3)(d) and 6(5) of the National Audit Act 1983.
- 25.7 The Supplier shall provide reasonable cooperation to NHS Supply Chain, its representatives and any regulatory body in relation to any audit, review, investigation or enquiry carried out in relation to the subject matter of this Framework Agreement.
- 25.8 The Supplier shall provide all reasonable information as may be reasonably requested by NHS Supply Chain to evidence the Supplier's compliance with the requirements of this Framework Agreement.

26 Conflicts of interest and the prevention of fraud

- 26.1 The Supplier shall take appropriate steps to ensure that neither the Supplier nor any Staff are placed in a position where, in the reasonable opinion of NHS Supply Chain, there is or may be an actual conflict, or a potential conflict, between the pecuniary or personal interests of the Supplier and the duties owed to NHS Supply Chain under the provisions of this Framework Agreement. The Supplier will disclose to NHS Supply Chain full particulars of any such conflict of interest which may arise.
- 26.2 NHS Supply Chain reserves the right to terminate this Framework Agreement immediately by notice in writing and/or to take such other steps it deems necessary where, in the reasonable opinion of NHS Supply Chain, there is or may be an actual conflict, or a potential conflict, between the pecuniary or personal interests of the Supplier and the duties owed to NHS Supply Chain under the provisions of this Framework Agreement. The actions of NHS Supply Chain pursuant to this Clause 26.2 of this Schedule 2 shall not prejudice or affect any right of action or remedy which shall have accrued or shall subsequently accrue to NHS Supply Chain.
- 26.3 The Supplier shall take all reasonable steps to prevent Fraud by Staff and the Supplier (including its owners, members and directors). The Supplier shall notify NHS Supply Chain immediately if it has reason to suspect that any Fraud has occurred or is occurring or is likely to occur.
- 26.4 If the Supplier or its Staff commits Fraud NHS Supply Chain may terminate this Framework Agreement and recover from the Supplier the amount of any direct loss suffered by NHS Supply Chain resulting from the termination.

27 Equality and human rights

- 27.1 The Supplier shall:
- 27.1.1 ensure that (a) it does not, whether as employer or as supplier of the Goods and Services, engage in any act or omission that would contravene the Equality Legislation, and (b) it complies with all its obligations as an employer or supplier of the Goods and Services as set out in the Equality Legislation and take reasonable endeavours to ensure its Staff do not unlawfully discriminate within the meaning of the Equality Legislation;

- 29.1 Subject to Clause 29.2 of this Schedule 2, the Supplier shall not assign, Sub-contract, novate, create a trust in, or in any other way dispose of the whole or any part of this Framework Agreement without the prior consent in writing of NHS Supply Chain, such consent not to be unreasonably withheld or delayed. If the Supplier Sub-contracts any of its obligations under this Framework Agreement, every act or omission of the Sub-contractor shall for the purposes of this Framework Agreement be deemed to be the act or omission of the Supplier and the Supplier shall be liable to NHS Supply Chain as if such act or omission had been committed or omitted by the Supplier itself.
- 29.2 The Supplier may assign, Sub-contract or novate this Framework Agreement to a member of its Group, provided always that such Group member shall have been assessed by NHS Supply Chain and passed to the satisfaction of NHS Supply Chain all grounds for exclusion and shortlisting criteria to be awarded onto this Framework Agreement.
- 29.3 Any authority given by NHS Supply Chain for the Supplier to Sub-contract any of its obligations under this Framework Agreement shall not impose any duty on NHS Supply Chain to enquire as to the competency of any authorised Sub-contractor. The Supplier shall ensure that any authorised Sub-contractor has the appropriate capability and capacity to perform the relevant

obligations and that the obligations carried out by such Sub-contractor are fully in accordance with this Framework Agreement.

29.4 Where the Authority considers that the grounds for exclusion under Regulation 57 of the Public Contracts Regulations 2015 apply to any Sub-contractor, then:

29.4.1 if the Authority finds there are compulsory grounds for exclusion, the Supplier shall ensure, or shall procure, that such Sub-contractor is replaced or not appointed; or

29.4.2 if the Authority finds there are non-compulsory grounds for exclusion, the Authority may require the Supplier to ensure, or to procure, that such Sub-contractor is replaced or not appointed and the Supplier shall comply with such a requirement.

29.5 NHS Supply Chain shall upon written request have the right to review any Sub-contract entered into by the Supplier in respect of the provision of the Goods and the Supplier shall provide a certified copy of any Sub-contract within five (5) Business Days of the date of a written request from NHS Supply Chain. Schedule 6

Commercial Schedule

1 Contract Price

- 1.1 The Parties acknowledge that the Contract Price is the basis upon which the Framework Agreement is awarded and unless amended in accordance with this Schedule 6 and/or Schedule 7 (as the case may be) the Contract Price shall not be subject to any increase for 24 months. For the avoidance of doubt the Supplier shall not be entitled to unilaterally adjust the Contract Price
- 1.2 The Contract Price shall be the price (including volume related pricing) set out in the Tender Response Document (Appendix 1 to this Schedule 6) and shall include Goods and Services.
- 1.3 The Parties acknowledge that the price of the Goods and Services set out in Appendix 1 to this Schedule 6 is the basis upon which the Framework Agreement is awarded and unless amended in accordance with the terms of this Schedule 6 or Schedule 7 the price of the Goods and Services shall not be subject to any increase for a minimum of 24 (24) months from the Commencement Date months from the Commencement Date. For the avoidance of doubt the Supplier shall not be entitled to unilaterally adjust the Contract Price.
- 1.4 If the Supplier requests an increase to the Contract Price, it must provide justification to NHS Supply Chain for such increase including but not limited to evidence of an increase in cost(s) to the Supplier of services and NHS Supply Chain may in its absolute discretion consent to such increase.

2 Special offers, discounts, commitment deals and innovation offers

- 2.1 NHS Supply Chain recognises that during the Term the Supplier may want to offer additional savings to a Participating Authority (or group of Authorities) through the provision of discounted pricing, value based or added offerings, commitment, bulk buy initiatives, direct rebates (i.e. payments which are directly agreed between the Supplier and a Participating Authority or group of Authorities for Orders which are placed under the Framework Agreement), occasional special offers (for instance in relation to new product introductions), NHS year-end spend and market growth incentives and the remaining provisions of this paragraph 2 set out the grounds on which these arrangements may be considered.
- 2.2 The Supplier agrees to work with NHS Supply Chain during the Term of the Framework Agreement to identify cost saving opportunities, including the way in which Goods are sourced, supplied, ordered and packaged, which can be reflected in a more competitive Contract Price (which may, for the avoidance of doubt, include a decrease in the Contract Price).
- 2.3 Additional Goods and Services
 - 2.3.1 In accordance with the provisions of Clause 22 of Schedule 2 of the Framework Agreement, Additional and Associated Goods and Services may be made available for purchase over the Term under the Framework Agreement at the sole discretion of NHS Supply Chain.
- 2.4 The Contractor acknowledges and agrees that following the award of the Framework Agreement
 - 2.4.1 NHS Supply Chain may conduct a period of patient testing of neuromodulation devices (and associated products) in order to identify any major problems for patients (e.g. stimulation at the correct frequency) and to identify patient preferences and,

- 2.4.2 this may be carried out through a series of focus groups which will identify problems/patient preferences among the neuromodulation devices (and associated products), offered by suppliers appointed to the framework, on the basis of a set of objective criteria; and,
- 2.4.3 this patient testing will lead to the ranking of the neuromodulation devices by users and user groups which information may be used by NHS Supply Chain in marketing materials.
- 2.5 Additional benefits through innovation offers (including value based approaches)
- 2.5.1 At any time during the Term of the Framework Agreement either Party may approach the other to discuss innovative offers for the Goods and Services which include elements of broader goods and services which provide ancillary benefits for the Participating Authorities wider than those under a Special Offer Price, reference site or a rebate offer (as set out in paragraphs 2.5 and 2.8 below) (an “**Innovation Offer**”). An Innovation Offer may be aligned to a Commitment Deal (as per paragraph 2.6 below) and would have the intention of providing increased value or wider clinical benefits to the Participating Authorities under the Contract than under the Contract Price alone.
- 2.5.2 The Innovation Offer may include reference to the total spend of the Participating Authorities (or volume and market share based elements) over a specified period of time under a Commitment Deal Supplemental Agreement and could also include (without limitation but subject to paragraph 2.4.3) elements of the following:
- (i) On loan, free of charge or lease of capital equipment and software for the Participating Authorities relative to the Goods and Services product category (within scope of Tower 6) or not relative to the Goods and Services product category but linked to the patient pathway and outcomes which the Participating Authorities require (e.g. equipment that sits outside the scope of Tower 6 which may be provided by the Supplier or sourced by the Supplier through a third party).
 - (ii) Rebate offers and points/vouchers for the Participating Authorities (as per paragraph 2.5), a Special Offer Price (as per paragraph 2.8) or a centre of excellence, demonstrator or reference site offer (as per paragraph 2.7);
 - (iii) Provision of maintenance services for equipment or software provided to Participating Authorities by the Supplier;
 - (iv) Provision of capital equipment (or a rebate fund) to help fund the build or refurbishment, maintenance and servicing of specified hospital estates and facilities (e.g. Audiology suite’s);
 - (v) Provision of consultant staff as part of the Services (including staff resource to assist in reviewing patient pathways and delivering efficiency programmes for the Participating Authorities) including but not limited to assistance for pre and post-operative patient management and improved patient outcomes;

- (vi) Consignment and stock management services; and
- (vii) Training and proctoring services (where these are in addition to any such requirements set out in the Specification and relative to the Innovation Offer and this Framework Agreement).

2.5.3 Where an Innovation Offer is proposed the Supplier must, prior to accepting an Order from the relevant Participating Authority and entering into any Contract, provide to NHS Supply Chain:

- (i) any alternative third party terms for equipment or maintenance offered by the Supplier as part of their Innovation Offer which differ from the template forms appended to this Schedule should be provided to NHS Supply Chain (and any applicable Authority) in advance along with a summary of how the proposed terms differ to the template forms (where applicable); and
- (ii) evidence of the Participating Authority's obligations under the proposed Innovation Offer, confirmation that the Innovation Offer does not conflict with the terms of this Framework Agreement and that the Innovation Offer does not provide for any modifications or options which would alter the overall nature of the proposed Contract or the Framework Agreement.

2.5.4 NHS Supply Chain shall be entitled to verify such documentation with the Participating Authority and if, in NHS Supply Chain's reasonable Opinion, the evidence provided is unsatisfactory NHS Supply Chain shall be entitled to refuse to allow the Innovation Offer to be provided through the Framework Agreement and/or any Contract.

2.6 Accrued value and rebate

2.6.1 The Supplier may offer to pay a rebate directly to an Authority and/or NHS Supply Chain under a Contract. This rebate is typically calculated by reference to the total spend of the Authority over a specified period of time. In some cases, the rebate may be offered to an Authority and/or a group of Authorities and calculated by reference to the total cumulative spend of the group as a whole over the specified period.

2.6.2 The rebate may also be implemented under a Contract through the award of accrued value based on the Authorities accrued spend with the Supplier. The accrued value may be accumulated by the Authority to be used to purchase Goods and Services, capital equipment, software upgrades and services (including training and proctoring services, provision of clinical staff and services) related to the scope of the Goods and Services under this Framework Agreement.

2.6.3 Any such rebates are usually agreed by the Supplier and Authority and paid directly from the Supplier to the Authority (or group of Authorities) and/or NHS Supply Chain as the case may be. However, NHS Supply Chain will record any savings achieved through these rebates and they will be subject to its confirmation that they come within the scope of the procurement exercise under which this Framework Agreement was awarded.

2.7 Commitment Deals

- 2.7.1 From time to time NHS Supply Chain and Supplier may enter into commitment deals whereby the Supplier offers a discount on the Contract Price in return for a commitment from NHS Supply Chain to purchase multiple Goods (the “**Commitment Deal**”).
- 2.7.2 NHS Supply Chain may as part of a Commitment Deal request pricing on behalf of a Participating Authority or group of Authorities in return for a commitment by NHS Supply Chain or a Participating Authority or group of Authorities to purchase an agreed value and/or volume of Goods that may or may not be for a specified period of time under a Commitment Deal. In these instances NHS Supply Chain may request and agree improved or different terms from those which are set out in the Framework Agreement (and pass these to the Participating Authority or group of Participating Authorities (as the case may be) for their consideration, including terms in relation to the matters set out below:
- (i) the Contract Price in respect of some or all of the Goods (the “**Commitment Deal Price**”);
 - (ii) the quantity of Goods which shall be ordered and whether the Goods subject to any Order shall be delivered in a single or multiple instalments;
 - (iii) whether the Goods subject to an Order shall be delivered to NHS Supply Chain or delivered directly to the relevant Authority;
 - (iv) inclusion of related Additional and Associated Goods and Services or an Innovation Offer (as set out below);
 - (v) whether the Supplier shall be required to monitor the volume of Goods stored at any Authority’s premises and to deliver further Goods or Services in accordance with any instructions agreed with or given by NHS Supply Chain or the relevant Authority;
 - (vi) the time at which the Supplier may issue its invoice in respect of any Goods subject to an Order and whether such invoice shall be paid by NHS Supply Chain or the relevant Authority; and
 - (vii) the transfer of risk in and title to any Goods subject to an Order.
- 2.7.3 Where the Parties enter into a Commitment Deal they shall set out the terms of such Commitment Deal in a Commitment Deal Supplemental Agreement. The Commitment Deal Supplemental Agreement shall be based upon the draft form of agreement set out at Appendix 2 to this Schedule 6 (provided that NHS Supply Chain shall be entitled to update this template from time to time upon reasonable notice to the Supplier).
- 2.7.4 The Supplier accepts that the risk profile for NHS Supply Chain and any Participating Authorities under any Commitment Deal shall not be materially different to that set out in the Commitment Deal Supplemental Agreement and shall not provide for any modifications or options which would alter the overall nature of the Contract or the Framework Agreement.
- 2.8 Centres of excellence, demonstrator and reference site status offers
- 2.8.1 From time to time the Supplier may enter into Contracts offering accrued value (which may include a reduced Contract Price) to Participating Authorities which act as centres of excellence, demonstrator or reference sites for the Supplier. Where such reductions

are offered the Supplier must, prior to accepting an Order from the relevant Participating Authority containing the offer of this status, provide to NHS Supply Chain in writing evidence of the Participating Authority's obligations to the Supplier as a centre of excellence, demonstrator or reference site and confirm that these do not conflict with the terms of this Framework Agreement and shall not provide for any modifications or options which would alter the overall nature of the Contract or the Framework Agreement.

- 2.8.2 NHS Supply Chain shall be entitled to verify such evidence with the Participating Authority and if, in NHS Supply Chain's reasonable Opinion, the evidence provided is unsatisfactory NHS Supply Chain shall be entitled to refuse to allow the sale of the Goods and Services at a reduced price through the Framework Agreement and/or any Contract.

2.9 Special offer pricing

- 2.9.1 At any time during the Term of the Framework Agreement either Party may approach the other to discuss special offers and/or discounts to the price of the Goods and Services ("**Special Offer Price**").
- 2.9.2 Where the Parties have agreed a Special Offer Price such price shall remain on offer through the Framework Agreement for such period as the Parties may agree.
- 2.9.3 For the avoidance of doubt, (1) neither Party shall be obliged to accept any Special Offer Price offer made by the other and (2) any Special Offer Prices proposed will be subject to the confirmation of NHS Supply Chain that they come within the scope of the procurement exercise under which this Framework Agreement was awarded.

- 2.10 NHS Supply Chain shall (to the fullest extent permitted by law) have no liability to the Supplier in connection with any offer proposed by the Supplier or an Authority or entered into between an Authority (or Authorities) and the Supplier under paragraph 2 of this Schedule 6 (including without limitation any Innovation Offer or Commitment Deal).

3 **Disputes in relation to price changes**

- 3.1 Any requests to vary the Contract Price for Goods and Services (either upwards or downwards) made by either Party must be notified in writing to the other at least three (3) months (or such other period as is agreed by the Parties) prior to the proposed price change date.
- 3.2 Any dispute in relation to price variation should be referred to the dispute resolution procedure in accordance with Clause 1.7 of the Key Provisions in Schedule 1 and Clause 23 of Schedule 2 of this Framework Agreement.

4 **Implementation of price changes**

- 4.1 Once a price variation has been agreed by both Parties pursuant to this Schedule 6 the new Contract Price shall take effect within thirty (30) days of the date of agreement, or such other period as is agreed in writing by the Parties.

5 **Management Fee**

- 5.1 NHS Supply Chain reserves the right (acting in its sole discretion) to change the supply route to market. In the event that NHS Supply Chain decides to change the route from a transacted E-Direct or Stock route to a non-transacted Direct route then the Supplier will be required to report all direct sales under the Framework Agreement and may be required to pay a direct management fee (as designated by NHS Supply Chain) for each direct order.

6 Sustainable Development

- 6.1 The Supplier shall support NHS Supply Chain and the Department of Health with the implementation of the voluntary instrument entitled: "Green Public Procurement Criteria for Electrical and Electronic Equipment used in the Healthcare Sector (EU GPP for EEE)" and shall in particular provide upon request the following:
- 6.1.1 User instructions for green performance management, including instructions on how to maximise the environmental performance of the Goods;
 - 6.1.2 Training with energy efficiency optimisation, including on the adjustment and fine-tuning of the Goods in relation to their consumption of electricity (using parameters (for example, standby mode) in order to optimise the electricity use);
 - 6.1.3 Installation with energy efficiency optimisation, and a 'needs assessment' for the Participating Authority so the Participating Authority understands how to optimise the Goods' electricity consumption;
 - 6.1.4 Confirmation of the energy profiles of the Goods (where pre-determined use scenarios exist within EU GPP Guidance). For Goods with no pre-determined use scenarios, NHS Supply Chain may develop these during the term of the Framework Agreement.

7 Price Saving Initiatives - information sharing

- 7.1.1 NHS Supply Chain reserves the right to share savings information and actively market information relating to the Supplier in order to assist Participating Authorities in making informed procurement decisions under this Framework Agreement. Such savings initiatives may include (but shall not be limited to) the publication of price ranking sheets and information around the characteristics and outcomes associated with the Goods and Services.;

8 Supply Chain Simplification

- 8.1 NHS Supply Chain reserves the right to engage with the Supplier with regard to implementing supply chain simplification initiatives in order to assist in reducing the cost of Goods throughout the lifetime of the Framework Agreement. The supply chain simplification initiatives will aim to remove complexity and cost from the inbound supply chain from the point of manufacture through to delivery to NHS Supply Chain warehouses. Examples of such initiatives include, but are not limited to:
- 8.1.1 Packaging optimisation (i.e. cubic volume reduction, component elimination, material Specification reduction, etc.);

Schedule 7: Competition and Call-Off Ordering Procedure and Order Form

1. Contracts based on Framework Agreement without amendments

- 1.1. NHS Supply Chain may elect to purchase Goods and/or Services from such supplier(s) on the Framework Agreement as it may at its discretion choose, on the terms of this Framework Agreement, including the Call-off Terms and Conditions for the Supply of Goods, at any time during the Term and at the Contract Price as calculated in accordance with Schedule 6 Paragraph 1. Such Order(s) shall form a Contract between the supplier(s) and NHS Supply Chain which shall comprise the following documents:
- 1.1.1. the Call-off Terms and Conditions for the Supply of Goods;
 - 1.1.2. a completed Order Form;
 - 1.1.3. the applicable parts of the Specification and Tender Response Document set out at Schedule 5 of this Framework Agreement, as may be supplemented by information set out and/or referred to in the Order Form; and
 - 1.1.4. any relevant provisions applicable to the Contract as set out in the Framework Agreement.

2. Contracts based on Framework Agreement with amendments

- 2.1. Where the Tender Response Document in relation to the Framework Agreement has insufficient detail to be able to price up bespoke requirements (for example where elements of an Innovation Offer are involved) and award a Contract without further information, NHS Supply Chain may invite (although it is under no obligation to do so) either: (i) one capable supplier; or (ii) some capable suppliers; or (iii) all capable suppliers (which in each case may not include the Supplier) to submit an offer in relation to (a) a specific requirement of a Participating Authority (including, without limitation, a requirement by NHS England/NHS Improvement or of other NHS bodies (including without limitation new NHS collaboratives and statutory bodies (Integrated Care Systems and Provider Collaboratives) to be created under the proposed new Health and Care Bill 2021)) or equivalent to aggregate purchases of certain Goods, across the whole of the NHS, with one or more Suppliers – on an exclusive or non-exclusive basis – in order to deliver savings) and/or (b) a specific requirement of a group of Participating Authorities. NHS Supply Chain reserves the right to reopen competition using any of (1) an eAuction; (2) threshold pricing; and (3) target pricing or other methodologies advised to suppliers.
- 2.2. Where more than one supplier is invited to submit an offer, the offers shall be evaluated using such criteria as the Participating Authority shall determine (including (i) price only; (ii) quality only (which could include evaluation of the product in a clinical environment by practitioners of the Authority); or (iii) a combination of quality and price) and in each case, the terms of the resulting Contract (including the Contract Price and Specification of the relevant Goods) may differ from those set out in the Framework Agreement and Call-Off Terms and Conditions and include where appropriate a Commitment Deal and/or elements of an Innovation Offer.
- 2.3. For the avoidance of doubt NHS Supply Chain may further refine and/or expand the requirements of the Specification (provided such refinement and/or expansion falls within the scope of the original CPV code(s) relevant to the Goods or Services) to meet the recommendations of its own Clinical Team (or any replacement undertaking the same functions as the Clinical Team) and/or the needs of a Participating Authority (including NHS England or requests from external clinical bodies via Participating Authorities). Any refinement and/or expansion of the Specification will be communicated in the form of an updated Specification that will be issued in accordance with the reopening of competition pursuant to this Schedule 7.
- 2.4. NHS Supply Chain reserves the right to re-check the Supplier's economic and financial standing (taking into account the specific requirements of the relevant Contract or Order) in order to assist in determining whether, or not, the Supplier remains a capable supplier for the purposes of this Schedule 7.

- 2.5. The Parties acknowledge that for the purposes of this Schedule 7:
- 2.5.1 as a result of practitioner clinical preference, device working groups (DWG) or following a product evaluation exercise undertaken by the Participating Authority, the Participating Authority may request that NHS Supply Chain invite only one capable supplier or a limited number of capable suppliers (which in each case may not include the Supplier) to submit an offer in relation to that Participating Authority's specific bespoke requirements (including for a specified Commitment Deal and/or Innovation Offer);
 - 2.5.2 the Participating Authority may itself have invited one capable supplier or a limited number of capable suppliers (which in each case may not include the Supplier) to submit an offer directly to the Participating Authority without NHS Supply Chain involvement and NHS Supply Chain may then be requested to facilitate purchases through the Framework Agreement once the Participating Authority has accepted an offer;
 - 2.5.3 NHS Supply Chain may elect to re-open competition to award the sole supply of (i) a particular product line or lines; or (ii) a particular supply route (as the case may be);
 - 2.5.4 NHS Supply Chain may undertake a re-opening of competition exercise on behalf of NHS England or to take account of the requirements of new NHS collaboratives and bodies (Integrated Care Systems and Provider Collaboratives) under the proposed new Health and Care Bill 2021) (under which the Contract Price may be varied in respect of some or all Goods), the specific requirements of which have yet to be defined and will be defined at NHS Supply Chain's sole discretion; and/or
 - 2.5.5 if a Participating Authority does not have the available funds to purchase a piece of capital equipment NHS Supply Chain reserves the right to accept proposals from capable suppliers (which may include the Supplier) to provide an Innovation Offer to provide such capital equipment either free of charge, at a reduced cost price (below the Contract Price) and/or on loan, in exchange for a long term Commitment Deal from the Participating Authority to purchase a specific volume or value of associated Goods and Services and/or consumables for a defined period of time. Associated consumables are items which are used in conjunction with any capital equipment being offered by the Supplier and must be capable of being made available via the Framework Agreement.
- 2.6. NHS Supply Chain may at the request of one or more Participating Authorities re-open competition between the supplier(s) based on the award criteria referred to in paragraph 2.2 above. Once a competition has been concluded, Orders may be placed by NHS Supply Chain under the Call-off Terms and Conditions for the Supply of Goods (as amended in accordance with the competition which may include a Commitment Deal Supplemental Agreement and ancillary documentation for loan or hire purchase of equipment). A Contract concluded following a re-opening of competition will be made up of the following components:
- 2.6.1. the Authority's bespoke requirements;
 - 2.6.2. the Call-off Terms and Conditions for the Supply of Goods (as amended in accordance with the competition);
 - 2.6.3. a completed Order Form;
 - 2.6.4. the applicable parts of the Specification and Tender Response Document set out at Schedule 5 of this Framework Agreement, as may be supplemented by information used to conduct the competition; and
 - 2.6.5. any relevant provisions applicable to the Contract as set out in the Framework Agreement (including any Commitment Deal Supplemental Agreement or ancillary equipment lease or purchase arrangement related to an Innovation Offer).
- 2.7. In each of the cases outlined in paragraphs 2.1 and 2.3 above, the terms of the resulting Contract (including the Contract Price and Specification of the relevant Goods) may differ from those set out

in the Framework Agreement and Call-Off Terms and Conditions, including, but not limited to, where:

- 2.7.1 following a re-opening of competition exercise (i) any similar or related Goods may be delisted from NHS Supply Chain's Catalogue and accordingly be unavailable to the Participating Authority or Authorities (as the case may be), (ii) the sale of Goods of unsuccessful suppliers may be suspended and accordingly be unavailable to the Participating Authority or Authorities (as the case may be) and/or (iii) the Goods of unsuccessful applicants may be moved to another supply route;
 - 2.7.2 a Participating Authority's bespoke requirements may include a requirement for the Supplier (or any other supplier) to provide consignment stock and additional specific terms and conditions relating to the provision of that consignment stock, which have yet to be defined, may be agreed with the relevant supplier (which may be the Supplier) in each case;
 - 2.7.4 a Participating Authority's bespoke requirements may include a Commitment Deal and associated Innovation Offer under which there is a requirement for the Supplier (or any other supplier) to provide capital equipment free of charge, at a reduced price and/or on loan as set out in paragraph 2.5.5 above and the additional specific terms and conditions relating to the provision of that capital equipment, which have yet to be defined, may be agreed with the relevant supplier (which may be the Supplier) in each case subject to Schedule 6 above.
- 2.8. For the avoidance of doubt, any competition pursuant to this Framework Agreement shall be carried out by NHS Supply Chain only on behalf of one or more Participating Authorities. No Participating Authority (other than NHS Supply Chain) shall be entitled to carry out a competition under this Framework Agreement without the express consent of NHS Supply Chain. NHS Supply Chain reserves the right in any competition to include a review of historical performance by the relevant Suppliers and to introduce dialogue stages with potential Suppliers as part of any competition in order to help to develop any Innovation Offer or Commitment Deal.

- 3.1. In relation to either or both of paragraphs 1 and 2 above of this Schedule 7, NHS Supply Chain may request pricing on the basis of a commitment by a Participating Authority to purchase a specified volume or value of Goods during an agreed period of time, for which NHS Supply Chain may pay the supplier in advance.
- 3.2. Should the Supplier (or any supplier) and a Participating Authority (or group of Authorities) agree a rebate based on the total spend of the Participating Authority (or group of Authorities) over a specified period, the Supplier (or any supplier) shall pay a rebate directly to the relevant Participating Authority.
- 3.3. Notwithstanding that NHS Supply Chain has followed a procedure set out in Clause 2 of Schedule 7, NHS Supply Chain shall be entitled at all times to decline to make an award for its requirements. Nothing in this Framework Agreement shall oblige NHS Supply Chain or a Participating Authority to award any Contract.
- 3.4. If the Supplier decides to respond to NHS Supply Chain's request for offers as set out in Clause 2, then the Supplier shall respond to such request by the time and date specified by NHS Supply Chain and by providing the information requested in writing.

- 3.5.3 communicate to any person other than the person inviting these offers the amount or approximate amount of the offer, except where the disclosure, in confidence, of the approximate amount of the offer was necessary to obtain quotations required for the preparation of the offer; and

Schedule 8

Service Levels

- The Supplier agrees to conform to the following KPIs during the Term of this Framework Agreement:

On time Deliveries on time subject to a tolerance of +/- thirty (30) minutes (for the avoidance of doubt, deliveries which arrive on time but are not unloaded due to the driver's decision, deliveries which do not arrive and deliveries which arrive at the wrong delivery location shall also be considered late)	98%
Quantity Quantity of delivery correct against the relevant Order (including deliveries in excess and shortfall of the Order quantity)	98%
Quality Quality of delivery in accordance with the Framework Agreement and Contracts (including delivery presentation in accordance with the Framework Agreement and Contracts (the delivery must be presented in such a way that it can be unloaded safely and in a ready for use condition taking into consideration the Framework Agreement and Contract requirements) and damaged Goods (the Goods must be in a condition that is new and ready to use))	95%
Administration Timely and accurate administration (including booking/amending delivery times and Orders and invoices, delivery advice notes and labels being in accordance with the requirements of the Framework Agreement and Contracts)	99%

- Any KPI discrepancy attributable to an act or omission of NHS Supply Chain (or another Participating Authority) shall not be used to calculate the Supplier's sub-standard performance level.
- A service level shall be generated for each of the KPIs in relation all Orders placed on the Supplier within each calendar month during the Term of the Framework Agreement and a monthly average service level for each KPI shall be calculated ("**Monthly Service Level**").
- The Supplier's performance shall be measured:
 - in relation to Orders placed pursuant to a Non-direct Route of Supply by NHS Supply Chain; and
 - in relation to Orders placed pursuant to a Direct Route of Supply by the Authority and the Supplier.
- In relation to Orders placed pursuant to a Direct Route of Supply the Supplier shall submit monthly reports to NHS Supply Chain outlining its performance in relation to the KPIs for the preceding month. Such report shall be submitted to NHS Supply Chain not later than the 14th day of the month following the month to which the report relates. NHS Supply Chain may verify the information provided by the Supplier with the Authority and reserves the right to amend the Supplier's monthly service level report in accordance with the findings of such verification exercise.
- Should the Monthly Service Level of the Supplier fall below the relevant KPI:
 - on two (2) or more occasions in any six (6) month period in relation to On time and/or Quantity; and
 - on three (3) or more occasions in any six (6) month period in relation to Quality and/or Administration,

NHS Supply Chain may serve a performance notice on the Supplier. The Supplier shall present to NHS Supply Chain within thirty (30) days of receipt of such performance notice an action plan to improve the Supplier's Monthly Service Level ("**Action Plan**"). The Parties shall, within ten (10) Business Days of NHS Supply Chain receiving the Action Plan meet to discuss and agree the Action Plan. NHS Supply Chain may make reasonable amendments to the Action Plan to improve the Supplier's performance. The Action Plan must include a timetable for improvement of the Supplier's performance to, as a

minimum, the level required by Clause 1 of this Schedule 8 in relation to the relevant KPI. Such timetable shall be agreed by the Parties but shall in any event be no longer than six (6) months.

7. In the event that the Supplier:

7.1. fails to produce an Action Plan in accordance with Clause 6 of this Schedule 8; or

7.2. fails to improve its Monthly Service Level to the minimum level required by Clause 1 of this Schedule 8 within the timetable set out in the Action Plan in accordance with Clause 6 of this Schedule 8,

the Supplier shall be considered to have committed a material breach capable of remedy for the purpose of Clause 16.3 of Schedule 2.

8. Notwithstanding Clauses 6 and 7 of this Schedule 8, where the Monthly Service Level in relation to Quantity, Quality or On time of Goods delivered against the relevant Order(s) falls below the relevant KPI, NHS Supply Chain shall (without prejudice to its rights to claim for any other categories of loss arising from such failure to meet the relevant KPI) be entitled to raise a debit note to the Supplier for a sum equal to the loss NHS Supply Chain has incurred or suffered in relation to lost margin and the cost, if any, of purchasing alternative goods and/or services (and any related administrative costs) as a result of the shortfall in ready to use delivery quantity against the relevant Orders. The Parties agree this is a true and fair assessment of loss suffered through lost margin and the cost of purchasing alternative goods and/or services (and any related administrative costs). Where NHS Supply Chain does not elect to raise a debit note in the manner detailed in this paragraph, then it shall remain entitled to claim damages.
9. If the Supplier disputes NHS Supply Chain's Monthly Service Level as applicable to the Supplier, the Supplier shall provide evidence to NHS Supply Chain that the Monthly Service Level is incorrect within seven (7) days of disputing such Monthly Service Level and the Parties shall meet to discuss any necessary amendment to the Monthly Service Level. If the Parties cannot agree the Monthly Service Level the matter shall be referred to the dispute resolution procedure set out in Clause 23 of Schedule 2.
10. For the avoidance of doubt, nothing in this Schedule 8 shall limit in any way either Party's rights and remedies, including the right to claim damages and or termination rights which may arise, under this Framework Agreement or any Contract.
