

**STATEMENT OF REQUIREMENT (SOR) FOR THE PROVISION AND  
INSTALLATION OF TWO COMMERCIALY AVAILABLE PARADE GROUND  
STANDS**

1. **REQUIREMENT**

- 1.1 This requirement is for a commercially available system which provides a total of 400-420 seats in two independent stands of 200-210 seats each. The seating should be in 3-4 rows with a rake (row rise) of approximately 375mm. The seat width should be circa 500mm and the row depth circa 800mm, with handrails to both ends and rear. It should come with Phenolic ply floor decks and the overall system should meet current European standards. There would be a requirement to dispose of the current stands and erect the new stands.
- 1.2 The Parade Ground Seating should be tested and approved to the appropriate British Standards. Including : -

BS EN 5852 – Clause 12

BS EN 12727(2000) – Test Level 4 Severe Use

2. **ADDITIONAL REQUIREMENTS**

- 2.1 All materials required to carry out this task shall be supplied by the contractor unless otherwise stated
- 2.2 The Contractor shall ensure that all services performed by the Contractor are completed using appropriately qualified and competent personnel. All work undertaken shall be completed in a professional and workmanlike manner to the complete satisfaction of the Project Manager (PM)

3. **WORKING HOURS**

The contractor will normally be required to work within the normal working hours of the Establishment i.e. 0800-1600 Monday to Friday. Work outside of normal working hours must be agreed with the Project Manager (PM) and CTC staff.

Timings for installation will be in consultation with the Establishment to avoid disruption to Recruit Pass-Out Parades, which normally take place on every 2 weeks on a Friday

4. **WORKSITE**

The Worksite is to be kept clean and tidy at all times.

8. **MISCELLANEOUS INFORMATION**
