#### CALL-OFF DELIVERABLES

UKHSA has invested in a software defined storage solution from DataCore (SANsymphony) to deliver all the storage services for the organisation's systems in Chilton, Colindale and Porton, this ensures consistency across UKHSA sites and enables the organisation to benefit from a single pane of glass for storage systems management. As a result, the organisation has a critical reliance on DataCore SANsymphony for the delivery of the ICT storage services. This approval case is for the renewal of the enterprise agreement with DataCore called Enterprise Purchasing Plan (EPP) which will continue to provide UKHSA with a flexible licensing solution for DataCore SANsymphony that will enable us to expand, consolidate, and relocate storage resources across sites as required by the business.

This EPP solution will provide for the following technical capabilities:

1. Managed overall storage pool
2. Virtual disks management
3. Cache management/Performance
4. Thin provisioning, storage over-commitment
5. Synchronous mirroring
6. Asynchronous mirroring
7. Centralised management console
8. Fibre Channel Protocol
