Notes:

1. The information contained within this model has been collated based on transformation as-built model files only. No as-built information from pre-transformation works has been included as part of this model but should be reviewed prior to undertaking any design work.
2. The information contained with the transformation as-built model files were provided by the London Legacy Development Corporation and collated by Atkins. Atkins do not take any responsibility for the accuracy of this information provided within this model.
3. Information provided within this model is indicative (for information only) and users should refer to the relevant as-built information (including Olympic Games mode files) prior to undertaking any design work.
4. The location, depths, sizes, number and lengths of services/utilities should be verified by a competent contractor.
5. All abandoned services have been collated based on information provided by others. Where conflicting or unclear information has been received regarding the abandonment or retention of services, the services have been shown as live. Services should be verified as abandoned by a competent contractor where required before any work is commenced.
6. The red-line boundary shows the extents of the transformation as-built model. It is likely that information shown outside of this boundary may contain anomalies or have missing information.
7. Do not scale from this Model.
