Amendment to Request for Quotation Process

Because of the large number of submitted Requests for Quotation (RFQ), the council has had to extend the period of tender evaluation. This extension is to ensure there is sufficient time for councillors to undertake effective and rigorous scrutiny of each submission and therefore arrive at a fair and equitable decision.

This part of the process will now conclude on Tuesday 12 March.

Items 5 – 6 of the original procurement timetable (see below) will be proportionately forwarded in time.

“PROCUREMENT TIMETABLE
