1.1.1	Declaration	<p>By submitting a response I declare that to the best of my knowledge the answers submitted to these questions are correct. I understand that the information will be used in the selection process to assess my organisations suitability to be invited to participate further in this procurement, and I am signing on behalf of the organisation named in my response I understand that the Authority may reject my submission if there is a failure to answer all relevant questions fully or if I provide false/misleading information. I have provided a full list of any Appendices used to provide additional information in response to questions.</p> <p>I also declare that there is no conflict of interest in relation to the Authority's requirement.</p>
1.1.2	Notes for completion	<p>1. Authority means the public sector contracting authority, or anyone acting on behalf of the Authority, that is seeking to invite suitable Suppliers to participate in this Procurement process.</p> <p>2. You/Your or Supplier means the body completing these questions i.e. the legal entity seeking to be invited to the next stage of the Procurement process and responsible for the information provided. The Supplier is intended to cover any economic operator as defined by the Public Contract Regulations 2015 and could be a registered company; charitable organisation; Voluntary Community and Social Enterprise (VCSE); Special Purpose Vehicle; or other form of entity.</p> <p>3. This form has been designed to assess the suitability of a Supplier to deliver the Authority's Framework Agreement requirement(s).</p> <p>4. If the question does not apply to you, please state clearly N/A.</p> <p>5. Should you need to provide additional Appendices in response to the questions, these should be numbered clearly and listed as part of your declaration. A template for providing additional information is provided at the end of this document.</p>
1.1.3	Verification of Information Provided	<p>6. Whilst reserving the right to request information at any time throughout the Procurement process, the Authority may enable the Supplier to self-certify that there are no mandatory/ discretionary grounds for excluding their organisation. When requesting evidence that the supplier can meet the specified requirements (such as the questions in section 7 of this form relating to Technical and Professional Ability) the Authority may only obtain such evidence after the final tender evaluation decision i.e. from the winning Supplier only.</p>
1.1.4	Sub-contracting arrangements	<p>7. Where the Supplier proposes to use one or more sub-supplier to deliver some or all of the contract requirements, a separate Annex should be used to provide details of the proposed bidding model that includes members of the supply chain, the percentage of work being delivered by each sub-contractor and the key contract deliverables each sub-supplier will be responsible for.</p> <p>8. The Authority recognises that arrangements in relation to sub-contracting may be subject to future change, and may not be finalised until a later date. However, Suppliers should be aware that where information provided to the Authority indicates that sub-suppliers are to play a</p>

		<p>significant role in delivering key contract requirements, any changes to those sub-contracting arrangements may affect the ability of the Supplier to proceed with the procurement process or to provide the supplies and/or services required. Suppliers should therefore notify the authority immediately of any change in the proposed sub-suppliers arrangements. The Authority reserves the right to deselect the Supplier prior to any award of a place on the Framework Agreement, based on an assessment of the updated information.</p>

Please note that the Authority may require the Consortium to assume a specific legal form if awarded the contract, to the extent that a specific legal form is deemed by the authority as being necessary for the satisfactory performance of the contract.</p> <p>11. All members of the consortium will be required to provide the information required in all sections of the form as part of a single composite response to the Authority i.e. each member of the consortium is required to complete the form.</p> <p>12. The Authority recognises that arrangements in relation to a Consortium bid may be subject to future change. Suppliers should therefore respond on the basis of the arrangements as currently envisaged. Suppliers are reminded that the Authority must be immediately notified of any changes, or proposed changes, in relation to the bidding model so that a further assessment can be carried out by applying the selection criteria to the new information provided. The Authority reserves the right to deselect the Supplier prior to any award of a place on the Framework Agreement, based on an assessment of the updated information.</p>
1.1.6	Confidentiality	<p>14. When providing details of contracts in answering section 6 of this form (Technical and Professional Ability), the Supplier agrees to waive any contractual or other confidentiality rights and obligations associated with these contracts.</p> <p>15.
