Grounds Maintenance Services Contracts
Instructions to Tenderers

Lot ? The Meadow Recreational Field

The Below areas are all to be included in Lot 3, as a whole entity contract. Should you wish to tender for this contract all of the following would need to be included. Please ensure you have all the relevant equipment prior to tendering.

This contract covers the main playing field on the Meadow Recreation Ground as an independent area. This area in its entirety is up to the edges of the perimeter path, the tree line and the base of the bank.

This area encompasses the Football pitch and cricket pitch.

PLAYING FIELD

[As seen on Map 1](#)

- Cut all grass accessible by gang mower
- To be cut on a weekly basis between 1st April – 31st October.
- Be careful **NOT** to cut the Cricket Square as this area is not included in the contract
- Be careful **NOT** to cut the banks, this contract only covers to the base of the banks from the main field
- Be careful not to damage trees with mowers, strimmers and any equipment used and to raise with the Parish Council office and additional tree guards or protection required to protect trees.

As far as possible the cutting should take place on Fridays.
