The Call-Off Co-ordinator will arrange for both copies of the Call-Off Contracts to be signed by the Authority and will send a completed signed Call-Off Contract to the Service Provider.
- 3.4 Each Call-Off Contract shall be a binding agreement on the Parties and shall incorporate the terms and conditions of this Agreement, as may have been amended in such Call-Off Contract and such documentation shall together form a separate agreement between the parties.

- 3.6 A draft Call-Off Contract shall only become a Call-Off Contract upon execution of the draft Call-Off Contract by the Authority.
- 3.7 The Authority is not obliged to approve or sign any Call-Off Contract.

- 29.4 On termination of this Agreement and any relevant Call-Off Contract under Clause 28.1 or a cessation of any Services under Clause 28.4 (but in the case of the latter only insofar as the right to cease any Services arises as a result of a right for the Authority to terminate under Clause 28.1), the Authority may enter into any agreement with any third party or parties as the Authority thinks fit to provide any or all of the Services and the Service Provider shall be liable for all additional expenditure reasonably incurred by the Authority in having such services carried out and all other costs and damages reasonably incurred by the Authority in consequence of such termination. #### **35. Illegality and Severability**

If any provision of this Agreement (in whole or in part) is held invalid, illegal or unenforceable for any reason by any court of competent jurisdiction, such provision shall be severed from this Agreement and the remaining provisions shall continue in full force and effect as if this Agreement had been executed without the invalid, illegal, or unenforceable provision. In the event that in the Authority's reasonable opinion such a provision is so fundamental as to prevent the accomplishment of the purpose of this Agreement, the Authority and the Service Provider shall immediately commence good faith negotiations to remedy such invalidity.

### Equality and Diversity Policy

Policy Number: A212 Policy Owner: CEO Approval Date: November 12th, 2012

#### Policy Statement:

Fleet Source Limited, its Board of Directors and senior management is committed to creating a safe environment in which people are recognised and valued. We recognise individual differences and needs and encourage diversity among our workforce and client groups. Management and staff are committed to providing equality of opportunity. We strive to develop a culture in which any form of discrimination is known to be unacceptable and where individuals are confident enough to bring complaints without fear. Everyone is entitled to a working environment where:

- a) We promote dignity and respect to all;
- b) Recognise and value individual differences and contributions;
- c) We do not tolerate any form of discrimination, intimidation, victimisation, bullying or harassment;
- d) Decisions are based on merit;
- e) All people are able to give their best;

Every effort will be made to ensure that all practices and procedures follow and exceed the legal requirements.

#### 1. Definitions:

Company or Fleet Source – Refers to Fleet Source Limited and its majority owned subsidiaries;

Contractor – Companies, consultants and individuals engaged by Fleet Source to provide services under a consulting or other contract arrangement;

Diversity - consists of visible and non-visible factors, which include personal characteristics such as background, culture, personality, lifestyle and work-style in addition to the characteristics that are protected under discrimination legislation.

Discrimination - means the treatment of one person more or less favourably than the way in which a person not having that particular characteristic would be treated, on the grounds of age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex and sexual orientation. Discrimination may be direct or indirect. Direct discrimination is deliberate. Discrimination is indirect when an unnecessary condition or requirement is imposed, whether intentionally or inadvertently, such that the proportion of members of one group who can comply with it is considerably smaller than the proportion of other groups;

Employee – Refers to all regular full-time, part-time, temporary, casual and fixed-term Employees of the Company;

Equal Opportunities – treating people in ways that is fair, reasonable and tailored to their specific needs.

Victimisation – is the action of one person treating another less favourably than they would other people in the same circumstances because that person has complained about any form of discrimination or harassment, or he or she has given evidence about such a complaint.

## **2. Objective:**

The purpose of this policy is to promote equality, value diversity, ensure fairness and equality of access and opportunity. We aim for our workforce to be representative of the communities within which we deliver our services and that each Employee feels respected and able to give their best.

Fleet Source oppose all forms of unlawful and unfair discrimination and are committed to eliminating discrimination on grounds of age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex and sexual orientation. We will identify any barriers to progressing equality and diversity, eliminate unlawful discrimination and the underlying causes and take remedial and preventative action where these become apparent. Prohibited conduct includes direct and indirect discrimination, discrimination arising from disability, victimisation and harassment.

It is Fleet Source's aim to create a positive image as an employer and endeavour to remove any barriers to access the services we provide.

## **3. Persons Affected:**

This policy applies to all Directors, Employees, Contractors and others acting on behalf of Fleet Source. For selection for employment, promotion, training and development opportunities or any other benefit will be on the basis of aptitude and ability. All Employees will be helped and encouraged to develop their full potential and the talents and resources of the workforce will be fully utilised to maximise the efficiency of the Company.

#### **4. Policy:**

Fleet Source is committed to a policy of equal opportunities and diversity for all and requires all Directors, Employees and Contractors to abide by and adhere to this general principle and in particular:- (a) discrimination on the grounds of age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex and sexual orientation will not be practiced or tolerated;

(b) staff will be promoted, employed and treated fairly on the basis of their ability and merits and accordingly to their suitability and no one will be disadvantaged by a condition or requirement, which is not justified by the genuine needs of their job or of the proposed job;

(c) provide equal employment and advancement opportunities to all individuals and employment decisions at Fleet Source will be based on merit, qualifications and abilities;

(d) commit to provide positive and culturally appropriate service provision to all people whatever their background;

(e) any Employee making a bona fide report of an alleged breach shall be protected from retaliation;

(f) any breach of this policy should be reported to a Senior Manager or Director; breaches will be investigated and where appropriate, dealt with through Fleet Source's disciplinary and complaints procedure.

#### **5. Roles and Responsibilities:**

Although the primary responsibility for equality rests with the Company, individual Employees and Contractors also have a shared responsibility to uphold this policy. Every person is expected to:-

(a) Give full co-operation in the procedures and practices introduced by the management, which are designed to ensure equality and a culture of non-discrimination;

(b) Feedback any perception you have of discriminatory practices within the Company to the management team;

(c) Refrain from any act, which may discourage an employee to leave the Companies employment on grounds of discrimination against them;

(d) Refrain from any act which undermines the dignity or shows disrespect to another member of staff;

(e) Not discriminate against any employee in matters related to recruitment, ongoing employment, training, appraisals, grievances, disciplinary action or dismissal;

(f) Not induce, or attempt to induce employees or bodies who practice unlawful discrimination;

(g) Not refuse to work with any employee from a particular minority group, on the grounds of them being from that group;

(h) Not victimise individuals who have made allegations or complaints regarding discrimination within the Company.

## **6. Complaint Procedures:**

Employees, who believe that they are subject to discrimination at work, can have recourse via Fleet Source Grievance Procedure as set out in their Terms of Employment contract.

Some discriminatory acts may contravene anti-discriminatory legislation and the Company will take these and other forms of discrimination seriously. Failure to comply with this Equality and Diversity Policy and proven acts of discrimination by an Employee will be handled under the Companies Disciplinary procedure.

Complainants should:

- (a) record the details of what happened or of the specific nature of the complaint.

Breaches of the Equality and Diversity Policy or the laws on which it is based will be regarded as misconduct and could lead to disciplinary proceedings and appropriate corrective action, up to and including dismissal or termination of contract.

## **7. Employment Procedures:**

### **Vacancy advertising**

Wherever possible, all vacancies will be advertised simultaneously internally and externally.

Steps will be taken to ensure that knowledge of vacancies reaches underrepresented groups internally and externally. Wherever possible, vacancies will be notified to job centres, careers offices, schools, colleges, universities, etc. as well as to minority press/media and organisations.

All vacancy advertisements will be reviewed to ensure –

- (a) there are no requirements or criteria which are unnecessary to the post and which might exclude applicants from any particular section of the population specified in the policy
- (b) there are no artificial age barriers
- (c) that all external advertisements will contain the Company's statement on our commitment to equality of opportunity which is 'Fleet Source is an equal opportunity employer'.

### **Selection and recruitment**

Selection criteria (job description and person specification) will be reviewed annually to ensure that they are justifiable on non-discriminatory grounds as being essential for the effective performance of the job. No applicant shall be disadvantaged by an interview's timing, location or facilities.

Each individual should be assessed according to his or her personal capability to carry out a given job. General assumptions must not be made that a person's race or sex for example would disqualify them from carrying out certain kinds of work.

Selection decisions must not be influenced by age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex and sexual orientation unless for genuine occupational qualification reasons. The selection decisions must not be influenced by perceived prejudices of other employees. Reasons for selection and rejection of applicants for vacancies must be recorded.

Wherever possible, efforts will be made to identify and remove unnecessary/unjustifiable barriers and provide appropriate facilities and conditions of service to meet the special needs of disadvantaged and/or underrepresented groups.

Signed on Behalf of the Board of Directors
