Dear Potential Provider,

Ref: FRC2022-066 Recruitment Services Framework 2022 (PSL)

On behalf of FRC's Human Resources team we would like to thank you for your interest in the above tender opportunity.

The Financial Reporting Council (FRC) regulates auditors, accountants and actuaries and sets the UK's Corporate Governance and Stewardship Codes. We seek to promote transparency and integrity in business; our work is aimed at investors and others who rely on company accounts, audit and high-quality risk management. As the Competent Authority for audit in the UK, the FRC sets auditing and ethical standards and monitors and enforces audit quality.

FRC are seeking to set up Framework Agreement for the provision of Recruitment Services. Our first framework agreement was in 2020 and we acknowledge that the market has changed, and a refresh is required. We have required our known and foreseeable requirements and identified the core Job Families that we will recruit for. Our Tender Pack comprises of the following;

- Stage 0 This cover letter and general Guidance on tendering
- Stage 1 Selection Questionnaire (SQ)
- Stage 2 Invitation to Tender (ITT)
- Stage 3 Tender Response Document

Please review the ITT for further details relating to our requirement and timelines.

On behalf of our Human Resources colleagues, we look forward to your participation in the process.

Kind Regards

Financial Reporting Council - Procurement Team
