

<b>Order</b>	PO-00042479
<b>Supplier</b>	PA CONSULTING SERVICES LIMITED (NON-GRANT)
<b>Description</b>	Overseeing the delivery of the EINAs requires dedicated time and support across different areas such as innovation needs identification, systems modelling of energy network technologies, economic modelling and contributing comments and direction to the final report writing, ahead of securing buy-in from advisory group and wider industry. This support and diligence service requires external support owing to significant pressure on existing team and their time.
