The Authority shall take all reasonable steps to mitigate such additional expenditure. Where the Contract is terminated under clause F5 or clause H2, no further payments shall be payable by the Authority to the Contractor until the Authority has established the final cost of making those other arrangements.

In addition, the Authority will reimburse any additional expense reasonably incurred by the Contractor as a direct result of such disruption.
- H5.6 The Contractor shall have a Business Continuity Plan in place, agreed with the Authority, to ensure that the Service to the Authority will be maintained in the event of disruption (including, but not limited to, disruption to information technology systems) to the Contractor's operations, and those of Sub-contractors to the Contractor, however caused. Such contingency plans shall be available for the Authority to inspect and to practically test at any reasonable time, and shall be subject to regular updating and revision throughout the Contract Period.
