Information and Instructions

Section 1 – About the Council

- 1.1 The Client for this Project and in effect Contracting Authority is Falmouth Town Council (The Town Council). The Town Council was formed on local government reorganisation in 1974 from the former Falmouth Borough Council. The town received Royal Charter in 1661.
- 1.2 Falmouth is formally twinned with Douarnenez in Brittany and Rotenburg (Wümme) in Germany and is encouraging informal cultural links with Villagarcia in Spain.
- 1.3 Demographic

Total electorate 17,625.

Total population 21,385.

Area 776 hectares. See also: <https://www.falmouthtowncouncil.co.uk/>

Section 2 – About the Tender

- 2.1 The Council is seeking a partner provider for the construction of the ReSource - Kimberley Park Lodge Community Recording Studio, Falmouth.
- 2.2 Gifted to the people of Falmouth in 1877, Kimberley Park and its Lodge are an important part of Falmouth's rich heritage.
- 2.3 The park is green oasis in the heart of Falmouth and is popular with locals and visitors alike. It is already home to a performance stage and an annual festival of Sunday afternoon concerts, Parklive, run in partnership with the local community radio station, Source FM. These concerts are held on the last Sunday of the month between April and September and are designed to be super-accessible, intergenerational and give local creative talent a chance to shine. They are always well attended and genial affairs.
- 2.4 In 2019/20, pre-pandemic, Falmouth Town Council teamed up with local community radio station, Source FM, to build on Parklive by revisioning what might happen with the little dilapidated gatehouse / lodge building at the north entrance of the park.
- 2.5 The concept of the 'Re-Source' project was born which will convert the building and extend it to make a digitally connected community café and community recording studio / training facility run along the lines of the aspirational community project called Chaos Radio in Truro or Nottingham Community Recording Studio <https://www.crsstudiootts.co.uk/>.
- 2.6 Much consultation was undertaken to establish if there was a need for such a facility and to find out who might want to use it and how the project might work. The project was enthusiastically received by the community at large; Falmouth & Exeter Universities, local schools (particularly Falmouth School and Penryn College), the Cornwall Music Service Trust community organisations and Falmouth Town Council all gave the project the thumbs up. Plans were drawn up and are now at RIBA Stage 3 and planning permission has been granted.
- 2.7 In terms of a sustainable future, the Council aspires to a zero-carbon building that will have a very real use as a community asset for many years to come and enhance one of Falmouth's most beautiful parks and gardens. In addition, it will form part of a cultural daisy chain for our budding creative talents that will take them from school clubs / bands through Parklive performance opportunities, rehearsal / recording space all the way to performing at the Princess Pavilion, the 340 seat theatre also owned and operated by Falmouth Town Council.
- 2.8 The Council is now in a position to relaunch the Re-Source project and as such the Council is seeking a supplier to refurbish the existing lodge and undertake construction work to form the Re-Source community hub.
- 2.9 The estimated overall maximum budget for the tender is **£500k** (exc VAT).

Contract / Contract Period

2.12 The Terms and Conditions under which any Contract would be formed are JCT Minor Works

2.13 The Contract period is 40 Weeks – as set out in the accompanying schedule.

2.14 The Council's minimum requirements for insurance (*Minimum Cover for each and every incident*) are:

2.14.1 Employer's Liability (*minimum statutory limit as laid down by legislation*) = **£5m**.

2.14.2 Public Liability Insurance = **£10m**

Transfer of Undertakings (Protection of Employment) Regus 2006 (TUPE)

2.15 It is the responsibility of the Applicant to consider whether or not TUPE is likely to apply in the particular circumstances of this tender exercise and to act accordingly. Applicants should therefore take their own advice regarding the likelihood of TUPE applying.

2.16 In this case the Council believes that TUPE does not applies to this.

Evaluation Approach

3.15 Bids will be evaluated in two parts, Selection and Award

3.16 The Council will first evaluate is the Standard Selection Questionnaire and Qualitative Selection (SQ) response (if applicable). Applicants deemed not to satisfy the elements of the SQ in line with the scored approach will be excluded from the remainder of the process and their bid shall not be considered further. Applicants who satisfy the SQ stage (if applicable) will have the remainder of their bid evaluated in accordance with the Award Criteria.

Standard Selection Questionnaire and Qualitative Selection

- 3.17 Selection is the process by which the Council is able to assess the suitability of the Applicant to undertake work on behalf of the Council. The questions asked within Selection Questionnaire are compliant with Regulation 57 of the Regulations and Procurement Policy Note: Standard Selection Questionnaire (SQ) Action Note 03/23 February 2023.
- 3.18 The Council requires all Applicants to complete all sections of the Selection Questionnaire included within Volume Two (2) Applicant's Offer in full. Any Applicants who do not fully meet the requirements of or misrepresent any information or evidence provided in relation to Regulation 57 may be excluded from further consideration.
- 3.19 The Applicant's responses to the Selection questions should be succinct, concise and self-contained not referring to additional documents or other supporting statements other than the European Single Procurement Document (ESPD).
- 3.20 Where Applicants choose to submit all or any part of the ESPD in place of an element required in the Selection questions this must be clearly identified and referenced by the Applicant. Any ESPD responses will be assessed in the same way as any other response.

Potential Supplier Information and Exclusion Grounds: Part 1 and Part 2.

- 3.21 This standard Selection Questionnaire is a self-declaration, made by the Applicant (the potential supplier), that they do not meet any of the grounds for exclusion. If there are grounds for exclusion, there is an opportunity to explain the background and any measures taken to rectify the situation (also referred to as self-cleaning).
- 3.22 A completed declaration of Part 1 and Part 2 provides a formal statement that the organisation making the declaration has not breached any of the exclusions grounds. Consequently, the Town Council will require all the organisations that the Applicant would rely on to meet the selection criteria to provide a completed Part 1 and Part 2.
- 3.23 For example, these could be parent companies, affiliates, associates, or essential sub-contractors, if they are relied upon to meet the selection criteria. This means that where the Applicant is joining in a group of organisations, including joint ventures and partnerships, each organisation in that group must complete one of these self-declarations. Sub-contractors that are relied on to meet the selection criteria must also complete a self-declaration (although sub-contractors that are not relied upon do not need to complete the self-declaration).

Supplier Selection Questions: Part 3

- 3.24 Where an Applicant is bidding on behalf of a group (consortium) or it is intending to use sub-contractors, the Applicant should complete all selection questions on behalf of the consortium and / or any sub-contractors.

3.25 If the relevant documentary evidence referred to in the Selection Questionnaire is not provided upon request and without delay the Town Council reserve the right to amend the contract award decision and award to the next compliant bidder.

Selection Questionnaire Approach

3.26 The Council proposes to use the following criteria to assess Selection Questionnaire submissions:

Section	Title	Type of Question	Weighting (%)
Part 1	Potential supplier information	Information only	Not evaluated and scored
Part 2	Exclusion grounds (Mandatory and Grounds for discretionary exclusion)	Pass/Fail	In the event of a supplier being awarded a 'fail', the remainder of their submission will not be evaluated and they will be eliminated from the process.
<p>NOTE ON EVALUATION: Ideally the Council would be seeking confirmation that the Contractor has not been or is not currently in breach of any of the Grounds for Exclusion. If Grounds for Exclusion have applied or currently apply, then the Town Council would be seeking clarity on what measures have been put in place to self-cleanse as set out by the Regulations. Where Grounds for Exclusion previously applied or currently apply and suitable evidence and measures to self-cleanse cannot be demonstrated, this will be deemed a "fail". Reference will be made to Crown Commercial Services Procurement Policy Note: Standard Selection Questionnaire (SQ) Action Note 03/23 February 2023. See: https://www.gov.uk/government/publications/ppn-0323-standard-selection-questionnaire-sq</p> <p>If the Applicant is looking to work with and utilise others then the Council will be seeking clarity around how any consortia / sub-contract relationship would work. The Council would be looking to ensure that there is a clear legal relationship in relation to Consortia / sub-contractors (including roles and responsibilities for what parts of the work), those partners are reputable, and that any arrangement does not expose unnecessary risk to the Council. The Council would be seeking a clear understanding on how any formal contract with the Applicant would work to ensure that it is a legal entity. Where the legal status cannot be made clear, or in the case where it is deemed the consortia / sub-contract relationship presents unnecessary risks then it will be deemed a "fail".</p>			
Part 3: (Selection Question - Section 6)	Technical and Professional Ability	Scored section: Only scores of 3 (Acceptable) and above will be considered for taking forward to Tender stage.	In the event of a supplier being scoring a score of 2 (Minor Reservations) or less, the remainder of their submission will not be evaluated and they will be eliminated from the process.

NOTE ON EVALUATION: The Council will be looking for evidence the Applicant who can demonstrate experience in the successful delivery of similar contracts to clients through formal contract arrangements.

The Council will be looking for evidence to support that the Applicant (and importantly the proposed core disciplines to be allocated to this project) have proven experience of providing similar professional services at a scale, size and scope similar to the project under consideration through this tender process. The Applicant (and associated Team) will have suitable Professional accreditation and / or demonstrable equivalent industry experience to operate within the profession.

The response should include demonstrating successful engagement with clients, key external stakeholders and interest groups, understanding and application of sound project/programme management principles, and the logistical knowledge to deliver projects/programmes on time, to budget and to the expectations of the client and key stakeholders.

The response would be supported by credible references and referees. Response that does not evidence and provide such assurances will be scored lower.

Part 3: (Additional Questions including Project Specific Questions – Section 7.1)	Insurance	Pass/Fail	In the event of a supplier being awarded a 'fail', the remainder of their submission will not be evaluated and they will be eliminated from the process.
--	-----------	-----------	--

NOTE ON EVALUATION: The Council would be seeking confirmation that the required insurance and levels exist and that they would be maintained during any awarded contract, or in the case that they do not exist currently that the Contractor would firstly be able to obtain the required levels of insurance and would if successful in the Tender would actually obtain that insurance. If this cannot be demonstrated, then this would be deemed a "fail"

Part 3: (Additional Questions including Project Specific Questions – Section 7.3)	Health and Safety	Pass/Fail	In the event of a supplier being awarded a 'fail', the remainder of their submission will not be evaluated and they will be eliminated from the process.
--	-------------------	-----------	--

NOTE ON EVALUATION: The Council will be looking for evidence to support that the Applicant has robust processes to ensure Health and Safety arrangements are in place and as such the Applicant has a positive track record in ensuring Health and Safety in a suitable market sector. For example this could include experience as acting as Principal Designer in relation to the Construction (Design and Management) Regulations, or suitable evidence may also include accreditation with one of the Safety Schemes in Procurement (SSIP) scheme.

Where the Applicant has had previous situations of failings and remedial matters around Health and Safety, the Council will want to understand the severity of these failings, what lessons have been learned and what remedial measures / lessons have been put in place. Where the failings are deemed significant and / or the Applicant cannot provide assurances to future practices then this shall be deemed a "fail".

Information Only Questions

3.27 These must be completed but will be used for information purposes only and not scored. However, failure to provide sufficient information as requested may still lead to disqualification for non-compliance. It is important that where a question does not apply this is recorded as 'Not applicable' or 'None' in the spaces provided.

3.28 Where sections are scored as being '**Pass / Fail**' the following definitions will apply:

Definition	Criteria
Pass	Demonstration of a clear response given with good level of detail and evidence to support the response from the Applicant in line with and applicable to the Selection Questionnaire question.
Fail	A limited, or non-complete response from the Applicant and / or not relevant or demonstrating the expectations as set out and applicable to the Selection Questionnaire question.

3.29 Where an Applicant is awarded a "fail" (inc. evaluation of the Tender response), the remainder of their submission will not be evaluated and they will be eliminated from the process.

3.30 Scored Standard questions will be evaluated in accordance with the rationale below:

Scoring Matrix for Standard Selection Questionnaire Qualitative Selection

5	Excellent	Response is completely relevant and excellent overall. The response is comprehensive, unambiguous and demonstrates a broad depth of relevant experience and excellent level of expertise with all areas covered to a very high standard.
4	Good	Response is relevant and good. The response is sufficiently detailed to demonstrate a good amount of experience and expertise covering all aspects.
3	Acceptable	Response is relevant and acceptable. Demonstrates a reasonable amount of experience and adequate level of expertise but lacks some detail in certain areas or with some aspects missing.
2	Minor Reservations	Response is partially relevant and poor. Provides little or limited evidence of experience and competence in the required field.

1	Serious Reservations	Considerable reservations in the response, with little or no evidence to support the response.
0	Unacceptable	An unacceptable or irrelevant response provided.

Consequences of misrepresentation

- 3.31 If the Applicant seriously misrepresent any factual information in filling in the Selection Questionnaire and so induce an Town Council to enter into a contract, there may be significant consequences. They may include be excluded from the procurement procedure, and from bidding for other contracts for three years. If a contract has been entered into the Applicant may be sued for damages and the contract may be rescinded.
- 3.32 If fraud, or fraudulent intent, can be proved, the Applicant or your responsible officers may be prosecuted and convicted of the offence of fraud by false representation, and you must be excluded from further procurements for five years.

Award Criteria

3.33 Award is the process that considers the extent to which the Applicant's Bid delivers the Most Advantageous Tender to the Council requirements and as such Applicants responses to the questions asked should give a clear indication of what the organisation is offering for the price.

3.34 The Council has not provided a word limit for responses to the Award questions however, the Council would like to inform Applicants that responses should be relevant to the question and be proportionate in length. Supporting information may be submitted, provided it is clearly referenced in the question to which it relates and appended to the main bid.

3.35 The following Award Criteria / weightings will be used in evaluation of the Applicants response:

PASS FAIL	
You will be contracting under the stated terms of Contract.	PASS / FAIL
You will act as Principal Contractor as defined under the Construction Design Management (CDM) Regulations for the duration of the works.	PASS / FAIL

Sub Criteria		Main Criteria
Criteria: Quality		65%
Sub Criteria: Understanding the brief, including methodology and approach	40%	
Sub Criteria: - Quality and Past Experience and how this would be used	40%	
Sub Criteria: Partnering and Collaboration	20%	
Criteria: Price		35%
Sub-Criteria – See Schedule 1	100%	
TOTAL Quality / Price		100%

3.36 Technical Evaluation element to be carried out independently of the Pricing aspects of the Evaluation, with the intention that the information on the Pricing element only be disclosed to the Evaluators post the completion of the Technical Evaluation. Specifically:

- ii. Scores to be recorded and comments recorded on the reasons to justify the score;
- iii. Scores to form part of overall scores around the Award decision.

Scoring Guidelines

3.37 The questions asked of Applicants as part of their response to the Tender shall be scored using the marking system described within this section. Applicants should refer to the Council's requirements to ensure that they meet. All scored question shall be evaluated in accordance with the guidelines below:

Scoring Matrix for Quality Criteria		
SCORE	ASSESSMENT	DEFINITION
5	Excellent	An excellent response submitted in terms of detail and relevance which clearly fully meets the requirements with no negative implications and evidence in their ability / proposed methodology to deliver a solution
4	Good	A good response submitted in terms of detail and relevance that meets the requirements without significant negative (indications / implications) or inconsistencies. The Tenderer demonstrates the understanding of the requirement and evidence of their ability / proposed methodology to deliver a solution. The requirements would be met to a good standard without intervention or significant ongoing issues
3	Satisfactory	A satisfactory response submitted in terms of the level of detail, accuracy, relevance and evidence in their ability / proposed methodology to deliver a solution. Aspects of the response may be good but there are some omissions of important factors or negative indications that reduce the extent to which the requirements will be met.
2	Minor Reservations	Satisfies the requirement but there are clearly minor reservations of the response provided, either in understanding the requirement, and / or details around proposed methodology, and / or limited evidence to support the response. There would be concerns that requirements would require intervention or ongoing issues
1	Serious reservations	Limited response provided, or a response that is inadequate, inaccurate and / or only partially addresses the question. Serious reservations of the response provided, either in understanding the requirement, and / or details around proposed methodology, and / or little / no evidence to support the response.
0	Unacceptable	Does not meet the requirement. Does not comply and / or insufficient information provided to demonstrate that either in understanding the requirement, and / or details around proposed methodology, with little / no evidence to support the response. Alternatively, no response to the question or a response that is significantly irrelevant or inaccurate

Commercial / Price Evaluation

3.38 The Pricing Document contains the details and requirements relating to the price element of this Tender. This may include, but is not limited to, the inclusion of specific instructions, documents, templates, pricing structures, etc for the Applicant's to return as part of their response.

3.39 Price shall be evaluated using the following scoring methodology, with the Tenderer's prices being scored on a comparative basis. For example:

3.40 This will be done by recording the lowest price submitted by any of the Tenderers, then for each Tenderer, dividing this lowest price by the Tenderers' price and then multiplying it by the allocated weighting. The equation set out below explains this in a simpler way:

3.41 $(\text{Lowest Price} \div \text{Tenderer's price}) \times \text{Weighting} = \text{Score}$

3.42 To accompany the above there is a worked example below to help explain this. The example assumes only 3 prices were submitted and that price was awarded 60% of the overall marks (i.e. quality 40%). Figures shown are purely illustrative:

	L	W	Tenderer 1		Tenderer 2		Tenderer 3	
Evaluation Elements	Lowest Submitted price (£)	Sub Weighting %	Tendered Price	Score (%)	Tendered Price	Score (%)	Tendered Price	Score (%)
Total Contract Sum	£65,000	60	£75,000	52.00	£65,000	60.00	£85,000	45.88
Price Score (%)		60		52.00		60.00		45.88

3.1.1 These scores would be added to the quality scores for the individual suppliers in this example Tenderer 1 being the preferred supplier to be awarded the contract.

	Sub Weighting %	Tenderer 1	Tenderer 2	Tenderer 3
Price score	60	52.00	60.00	45.88
Quality	40	38.00	27.00	38.00
TOTALS	100	90.00	87.00	83.00
