How to apply:

CCS uses an eSourcing toolkit to enable its sourcing activities to be conducted over the Internet. Any organisation intending to submit an expression of interest must be registered as a supplier with the CCS eSourcing Portal.

To register, visit the Portal's Login Page at <https://gpsesourcing.cabinetoffice.gov.uk> and complete the online registration form by clicking on the "Register Supplier Organization" link at the top of the page. The entire process should take no more than 10 minutes and need only be completed once. Passwords are issued via email, normally within 1 working day.

Please contact the Crown Commercial Service (CCS) Supplier help line on 0345 010 3503.

Once registered, organisations intending to submit an expression of interest must send an email to serviceops.research@crownccommercial.gov.uk any time up to, but no later than 17:00pm 28/08/2015. The email should be entitled Cyber Assurance of Security Screening Equipment (**RM6004 SO10869**) and contain the following details: your organisation's name; your contact's email address; your contact's name and your contact's telephone number.

Additionally when bidders submit their expression of interest they will need to provide their bank details on letter headed paper, an email address for any potential purchase orders to be despatched to and contact details for relevant contact.

Any expressions of interest not submitted in the required form (or containing the requested information) may be rejected. If, however, you believe that there are reasons as to why you would be unable to use the eSourcing service, please let us know by emailing cclpcoe@ccs.gsi.gov.uk, and we will consider how best to overcome your difficulties.
