- 1.1 In this Call Off Contract, unless the context otherwise requires, capitalised expressions shall have the meanings set out in Call Off Schedule 1 (Definitions) or the relevant Call Off Schedule in which that capitalised expression appears.
- 1.2 If a capitalised expression does not have an interpretation in Call Off Schedule 1 (Definitions) or relevant Call Off Schedule, it shall have the meaning given to it in the Framework Agreement. If no meaning is given to it in the Framework Agreement, it shall, in the first instance, be interpreted in accordance with the common interpretation within the relevant market sector/industry where appropriate. Otherwise, it shall be interpreted in accordance with the dictionary meaning.
- 1.3 In this Call Off Contract, unless the context otherwise requires:
 - 1.3.1 the singular includes the plural and vice versa;
 - 1.3.2 reference to a gender includes the other gender and the neuter;
 - 1.3.3 references to a person include an individual, company, body corporate, corporation, unincorporated association, firm, partnership or other legal entity or Crown Body;
 - 1.3.4 a reference to any Law includes a reference to that Law as amended, extended, consolidated or re-enacted from time to time;
 - 1.3.5 the words "including", "other", "in particular", "for example" and similar words shall not limit the generality of the preceding words and shall be construed as if they were immediately followed by the words "without limitation";
 - 1.3.6 references to "writing" include typing, printing, lithography, photography, display on a screen, electronic and facsimile transmission and other modes of representing or reproducing words in a visible form, and expressions referring to writing shall be construed accordingly;
 - 1.3.7 references to "representations" shall be construed as references to present facts, to "warranties" as references to present and future facts and to "undertakings" as references to obligations under this Call Off Contract;
 - 1.3.8 references to "Clauses" and "Call Off Schedules" are, unless otherwise provided, references to the clauses and schedules of this Call Off Contract and references in any Call Off Schedule to parts, paragraphs, annexes and tables are, unless otherwise provided, references to the parts, paragraphs, annexes and tables of the Call Off Schedule in which these references appear; and
 - 1.3.9 the headings in this Call Off Contract are for ease of reference only and shall not affect the interpretation or construction of this Call Off Contract.

- 1.4 Subject to Clauses 1.4.4 and 1.6 (Definitions and Interpretation), in the event of and only to the extent of any conflict between the Order Form, the Call Off Terms and the provisions of the Framework Agreement, the conflict shall be resolved in accordance with the following order of precedence:

- 1.6 Where Framework Schedule 20 (Tender) contains provisions which are more favourable to the Customer in relation to this Call Off Contract, such provisions of the Tender shall prevail. The Customer shall in its absolute and sole discretion determine whether any provision in the Tender is more favourable to it in this context.

2. DUE DILIGENCE

 - 2.1.4 it shall not be excused from the performance of any of its obligations under this Call Off Contract on the grounds of, nor shall the Supplier be entitled to recover any additional costs or charges, arising as a result of any:
 - (a) misinterpretation of the requirements of the Customer in the Order Form or elsewhere in this Call Off Contract; and/or

3. REPRESENTATIONS AND WARRANTIES

- 3.1 Each Party represents and warranties that:
- 3.1.1 it has full capacity and authority to enter into and to perform this Call Off Contract;
 - 3.1.2 this Call Off Contract is executed by its duly authorised representative;

- 3.1.3 there are no actions, suits or proceedings or regulatory investigations before any court or administrative body or arbitration tribunal pending or, to its knowledge, threatened against it (or, in the case of the Supplier, any of its Affiliates) that might affect its ability to perform its obligations under this Call Off Contract; and
 - 3.1.4 its obligations under this Call Off Contract constitute its legal, valid and binding obligations, enforceable in accordance with their respective terms subject to applicable (as the case may be for each Party) bankruptcy, reorganisation, insolvency, moratorium or similar Laws affecting creditors' rights generally and subject, as to enforceability, to equitable principles of general application (regardless of whether enforcement is sought in a proceeding in equity or Law).

 - 3.2.4 as at the Call Off Commencement Date, all written statements and representations in any written submissions made by the Supplier as part of the procurement process, including without limitation to the PQQ (if applicable), its Tender and any other documents submitted remain true and accurate except to the extent that such statements and representations have been superseded or varied by this Call Off Contract;
 - 3.2.5 as at the Call Off Commencement Date, it has notified the Customer in writing of any Occasions of Tax Non-Compliance or any litigation that it is involved in connection with any Occasions of Tax Non Compliance;

- 3.4 If at any time a Party becomes aware that a representation or warranty given by it under Clauses 3.1 and 3.2 has been breached, is untrue or is misleading, it shall immediately notify the other Party of the relevant occurrence in sufficient detail to enable the other Party to make an accurate assessment of the situation.
- 3.5 For the avoidance of doubt, the fact that any provision within this Call Off Contract is expressed as a warranty shall not preclude any right of termination the Customer may have in respect of breach of that provision by the Supplier which constitutes a material Default.

4. CALL OFF GUARANTEE

- 4.1 Where the Customer has stipulated in the Order Form or elsewhere in this Call Off Contract that the Call Off Contract shall be conditional upon receipt of a Call Off Guarantee, then, on or prior to the Call Off Commencement Date or on any other date specified by the Customer, the Supplier shall deliver to the Customer:

 - 6.1.1 Where the Parties agreed in the Order Form (or elsewhere in this Call Off Contract) that an Implementation Plan (or parts thereof) shall be provided in draft by the Supplier prior to the commencement of the provision of the Services, the Supplier's draft must contain information

at the level of detail necessary to manage the implementation stage effectively and as the Customer may require. The draft Implementation Plan shall take account of all dependencies known to, or which should reasonably be known to, the Supplier.

- 6.1.2 The Supplier shall submit the draft Implementation Plan to the Customer for Approval (such decision of the Customer to Approve or not shall not be unreasonably delayed or withheld) within such period as specified by the Customer in the Order Form (or elsewhere in this Call Off Contract).
- 6.1.3 The Supplier shall perform each of the Deliverables identified in the Implementation Plan by the applicable date assigned to that Deliverable in the Implementation Plan so as to ensure that each Milestone identified in the Implementation Plan is Achieved on or before its Milestone Date.
- 6.1.4 The Supplier shall monitor its performance against the Implementation Plan and Milestones (if any) and any other requirements of the Customer as set out in this Call Off Contract and report to the Customer on such performance.

6.2 Control of Implementation Plan

- 6.2.1 Subject to Clause 6.2.2, the Supplier shall keep the Implementation Plan under review in accordance with the Customer's instructions and ensure that it is maintained and updated on a regular basis as may be necessary to reflect the then current state of the provision of the Services. The Customer shall have the right to require the Supplier to include any reasonable changes or provisions in each version of the Implementation Plan.
- 6.2.2 Changes to the Milestones (if any), Milestone Payments (if any) and Delay Payments (if any) shall only be made in accordance with the Variation Procedure and provided that the Supplier shall not attempt to postpone any of the Milestones using the Variation Procedure or otherwise (except in the event of a Customer Cause which affects the Supplier's ability to achieve a Milestone by the relevant Milestone Date).
- 6.2.3 Where so specified by the Customer in the Implementation Plan or elsewhere in this Call Off Contract, time in relation to compliance with a date, Milestone Date or period shall be of the essence and failure of the Supplier to comply with such date, Milestone Date or period shall be a material Default unless the Parties expressly agree otherwise.

6.3 Rectification of Delay in Implementation

- 6.3.1 If the Supplier becomes aware that there is, or there is reasonably likely to be, a Delay under this Call Off Contract:
 - (a) it shall:

- (iv) use all reasonable endeavours to eliminate or mitigate the consequences of any Delay or anticipated Delay; and
- (b) if the Delay or anticipated Delay relates to a Milestone in respect of which a Delay Payment has been specified in the Implementation Plan, Clause 6.4 (Delay Payments) shall apply.

6.4 Delay Payments

6.4.1 If Delay Payments have been included in the Implementation Plan and a Milestone has not been achieved by the relevant Milestone Date, the Supplier shall pay to the Customer such Delay Payments (calculated as set out by the Customer in the Implementation Plan) and the following provisions shall apply:

- (a) the Supplier acknowledges and agrees that any Delay Payment is a price adjustment and not an estimate of the Loss that may be suffered by the Customer as a result of the Supplier's failure to Achieve the corresponding Milestone;
- (b) Delay Payments shall be the Customer's exclusive financial remedy for the Supplier's failure to Achieve a corresponding Milestone by its Milestone Date except where:
 - (i) the Customer is otherwise entitled to or does terminate this Call Off Contract pursuant to Clause 42 (Customer Termination Rights) except Clause 42.6 (Termination Without Cause); or
 - (ii) the delay exceeds the number of days (the "Delay Period Limit") specified in Part A of Call Off Schedule 4: (Implementation Plan, Customer Responsibilities and Key Personnel) for the purposes of this sub-Clause, commencing on the relevant Milestone Date;
- (c) the Delay Payments will accrue on a daily basis from the relevant Milestone Date and shall continue to accrue until the date when the Milestone is Achieved (unless otherwise specified by the Customer in the Implementation Plan);
- (d) no payment or concession to the Supplier by the Customer or other act or omission of the Customer shall in any way affect the rights of the Customer to recover the Delay Payments or be deemed to be a waiver of the right of the Customer to recover any such damages unless such waiver complies with Clause 49 (Waiver and Cumulative Remedies) and refers specifically to a waiver of the Customer's rights to claim Delay Payments; and
- (e) the Supplier waives absolutely any entitlement to challenge the enforceability in whole or in part of this Clause 6.4.1 and Delay Payments shall not be subject to or count towards any limitation on liability set out in Clause 37 (Liability).

1. INTRODUCTION

1.1 This Call Off Schedule specifies the:

1.1.1 Services to be provided under this Call Off Contract, in Annex 1; and

ANNEX 1: THE SERVICES

CQC's REQUIREMENT

CQC wishes to procure a social media monitoring tool that will enable us to more effectively plan and evaluate our social media across Twitter, LinkedIn and Facebook. This should be in the form of access to a website, not local software, which permits analysis of our social media channels.

The monitoring element of this procurement will enable us to better plan our social media campaigns in advance through research, monitor campaign engagement rates and finally evaluate results. The search functionality must cover all possible searches provided by the aforementioned social networks, such as by keyword, hashtag, or mention. This tool should be able to identify key influencers in the health and social care sector both professionally and from a consumer perspective (for example key influencers around choosing where to give birth / maternity issues etc), who have high engagement and response rates from their followers. Accordingly it will be able to measure an individual's impact on their followers. It will be able to measure our social media reach and ROI, in terms of numbers of impressions/views, as well as engagements. It will be able to produce reports that cover our performance metrics (such as retweets and shares) and the impact and most importantly, overall reach of our campaigns. The tool should also permit responses to the messages it highlights from within the tool. All of this should be presented in an engaging, detailed interface, with exportable reporting the social media team can share with the rest of the organisation.

As part of this work, the supplier should also provide a digital map of social media users with high levels of engagement or impact (in the health and social care sectors, and across CQC's key public population groups) that our team can update over the duration of the contract.

Key activities

- Delivery of a social media tool with the ability to search for different hashtags, URLs, and other terms relevant to us (details below). This tool must be capable of researching audiences to support our campaign targeting.
- Initial mapping of key influencers in the UK's health and social care sector with an option to filter for commentary on England, both internal and external to the organisation, and their impact. CQC will provide information about our audiences to assist in delivery of this report. The supplier must demonstrate the robustness of their influencer mapping, demonstrating these highlighted individuals do have genuinely high engagement and influence e.g. their opinion on any given topic such as care homes leads to a lot of engagement on the topic.
- Training session on using the new platform and ongoing technical and customer support regarding new software. Three licenses (or a package that will best fit our needs) with the ability to set differing permissions/levels of access
- Ongoing customer support.

Delivery of a social media analytics suite, either part of or separate to the dashboard with the following capabilities;

- Ongoing reporting, both monthly and as required relating to campaigns or research, influencers and other requested Social Media

data. A format for these reports will be agreed with the social media team.

- Identify high profile individuals, influencers, involved in our conversations or discussing topics relevant to CQC
- These influencers impact will be able to discern between actual influencers and "bot accounts"
- Link clicks and link focused analytics
- A robust query/search tool to help us access the data we need
- Topics analysis, so we can see what topics have increasing chatter and appropriate alerts
- Identification of best performing content in real time
- Reach of campaign hashtags and content
- Exclusion of irrelevant mentions/languages, "CQC" is often used by individuals in other countries and has no relation to us or our work
- Google Analytics integration
- No limitations regarding volume or data limits on use of the tool
- Ability to allow multiple users with variable permissions to permit different levels of access (for example admin, regular user etc)
- Broad app/API integration to export/import data from other services
- Ability to support mobile access
- Usability/ease of use demonstrated to the satisfaction of the social media team
- Map covering CQC's influencers/those with high engagement in the health and social care sector that the social media team can expand on.

The contractor should demonstrate they have:

- Experience of providing in-house social media monitoring for national organisations
- Be able to demonstrate a social media dashboard capable of managing our channels
- Have experience in setting up easy to digest reports measuring social media impact
- Be able to demonstrate experience in social media analytics, reporting on engagement, reach, and influencers
- Be able to evidence existing long term partnerships consisting of providing software alongside producing analytics reports.

In summary, a social media monitoring tool will be able to help us understand our audience better, see what content performs well with them, what topics they're interested in, as well as help us evaluate our successes better.
