Please be aware of the following Terms:

Remember to report any issues with equipment or sims to us immediately.

All rental for equipment or SIMS remains payable until returned to RFO2.

If equipment is lost or stolen, advise RFO2 immediately. All charges remain the customers responsibility until the network confirms the equipment has been barred.

SIMs may be roam enabled and customers will be charged for any usage incurred outside the home country of the SIM

If using your own devices, these must be unlocked .

RFO2 is not responsible for any lack of coverage from the networks and any rental charges remain applicable.
Data used outside the purchased bundle will be charge for at the rate on the quote.
