5. Service Requirements

A. Services Provided

Please detail the service(s) that will be provided by the Supplier to the Customer

The Care Quality Commission (CQC) is the independent regulator of health and social care in England. CQC make sure health and social care services provide people with safe, effective, compassionate, high-quality care and we encourage care services to improve. We do this by registering, monitoring, inspection and rating, enforcement and using our independent voice.

CQC has an ambition to be an insight-driven organisation. Our strategy sets out our ambition to be a smarter, more dynamic and flexible regulator and a new Data & Insight Unit has been established to support this ambition. We are establishing the new regulatory model and single assessment framework to enable a wider range of evidence to inform our judgements. We have also made good progress in developing an insight-driven approach to Independent Voice.

ET support our ambition to further develop our proactive strategic insight capability to help CQC identify 'soft signals'¹ – or early warnings of possible concern to inform all areas of our regulatory activity. While it is likely individual inspectors and IAITs are already engaged in identification, assessment, and escalation of soft signals at a service/provider/trust-level, we believe there is value in this expanding this approach to a national or local level. This would allow us to identify systemic issues at an earlier stage in order to best apply our regulatory levers and ensure safe and high quality services for all.

APPENDIX A: STATEMENT OF REQUIREMENTS

1. Executive Summary

The Care Quality Commission (CQC) is the independent regulator of health and social care in England. CQC make sure health and social care services provide people with safe, effective, compassionate, high-quality care and we encourage care services to improve. We do this by registering, monitoring, inspection and rating, enforcement and using our independent voice. In 2021 CQC published a new strategy for the changing world of health and social care. The strategy aims to make our regulation more relevant to the way care is now delivered, more flexible to manage risk and uncertainty, and it will enable CQC to respond in a quicker and more proportionate way as the health and care environment continues to evolve.

To support the delivery of our strategy, CQC is investing in an ambitious research programme. Through the programme we are using the best available existing research and undertaking primary research to provide us with the evidence needed to inform our approach to delivering our strategic ambitions.

The Health and Social Care Act 2022 gives CQC new powers to assess Integrated Care Systems (ICSs) and to assure Local Authorities (LAs). A key part of our assessment focuses on how local authorities and systems are encouraging and enabling people to speak up, showing how they are listening to their communities and taking action based on what they hear. As we begin to assess systems, it is important that we have a strong understanding of what best practice looks like for ICSs and LAs when engaging and involving people, as well as how we can apply our regulatory methodology to effectively assess how well systems are doing this. This research will directly inform our regulatory methodology, and provide an understanding of best practice which we can share with systems to support their development.

Through a Regulators Pioneers Fund Grant, CQC will separately be developing a framework for ICSs to understand and demonstrate how their engagement with people more likely to experience poorer care and inequalities is having an impact on reducing inequalities in health and social care provision in their area. This research is complementary to and will help inform the Regulators Pioneers Fund Project.

2. The Requirement

We require a supplier to:

1. **Explore what best practice looks like for systems when involving people who live in a local area, and ensuring that the experiences of people are built into their planning and delivery of care in a way that leads to improved outcomes.**

The research should consider:

- How to identify what good looks like across different systems, when recognising that they differ in their size, composition, complexity and in terms of the populations of people they serve.
- The effectiveness of different approaches for involving people at a neighbourhood, place and whole system level¹.
- Best practice for involving people to ensure their needs and priorities for care are captured and acted upon in terms of access to, experiences of, and outcomes from care.
- Best practice for systems to ensure all voices from across their population are heard, especially people who are more likely to experience poor care. See 'How we define groups of people' as part of our equality objectives [on our website](#) for more information.

The outcomes for this part of the research should be to produce an evidence-base of best practice approaches, and an understanding of key principles that contribute to what good looks like in the involvement of people in system settings in a way that leads to improved outcomes, as well as a practical understanding of how these principles can be implemented.

2. **Identify how we can meaningfully scrutinise what systems are telling us they are doing to involve people through our system assessment methodology.**

The research should consider:

- How we can effectively assess whether the way systems are involving people is having, or will lead to, positive outcomes for all people and populations within their area.
- What evidence is needed to determine whether systems are effectively involving people and how much of this evidence is needed, from which sources, to ensure we can test and assess the approaches systems are taking.
- How we can most effectively apply our regulatory methods, particularly the single assessment framework, to capture this evidence.
- How we can plan our assessments of systems in a way that captures sufficient evidence to inform our judgements but is not resource intensive, nor duplicative of engagement activities or evidence gathered elsewhere (in systems themselves, or CQC).

The outcomes for this part of the research should be to inform the implementation of our single assessment framework², particularly how we capture people's experience as an evidence source, and outline the other evidence needed to assess how well systems are involving people effectively. The research would also need to provide options for how we could scale our approach to assessment, considering resource relative to output.

1. Requirement of the supplier

We are looking for a specialist organisation who has expertise in the involvement of people, as well as a thorough understanding of regulation, and systems of health and social care. We will be open to partnerships and or collaborations of organisations who respond to the tender, ensuring that the relevant experience can be incorporated.

We would like to draw on the expertise of the supplier to propose the methodology best suited to the needs of the project as outlined. In setting out the research design, the following must be considered:

- Our regulation of systems includes ICS assessment³ and LA assurance⁴. Both involve the application of our single assessment framework, but with different areas of focus for ICSs and LAs. The research should consider people's involvement and our regulation in both settings, with specific consideration given to the linkages between LAs and ICSs to support integration.
- When referring to involving people we mean all people. The research will require a specific focus on how ICSs and LAs are involving people in a way that enables all voices to be heard. This will provide vital evidence to help us understand how the involvement of people can contribute towards tackling inequalities. There are various projects ongoing in CQC that include a specific focus on inequalities in systems, and the findings from this research will need to align and contribute to these. Details of these projects will be made available to the successful supplier.
- We would welcome approaches that include methods to involve people from across the system in the design and delivery of the research. People involved should reflect the diversity of people who access and deliver care. Consideration should be given to ensuring the research methods and opportunities for feedback and co-design (if applicable) are made accessible for the population groups they are intending to reach.
- A key requirement of this work is for findings to be shared in a timely way with CQC colleagues working to design, implement and test the ICS assessment and LA assurance methodology. This work is already ongoing. Therefore, consideration must be given in the response provided to how the research will align to our ICS/ LA delivery programme timeline and milestones with proposals for how emerging evidence can be shared at relevant intervals. Indicative timescales for piloting and baselining are provided below in Table 1, but agreed programme milestones will be shared with the successful supplier after contracting, therefore the approach proposed in the quality response document should outline how the methodology will be made agile and flexible to respond to needs for emerging evidence.

2. Output requirements

The supplier must deliver:

- Interim findings summaries (or format suited to need) to align to key programme milestones
- A workshop that produces options or proposals for how the findings from the research can be embedded as part of our approach to regulation
- A final report (containing options for how to assess people's involvement as part of our regulatory approach in ICSs and LAs)
- An accessible summary of the report to be published on our website
- Presentation(s) to internal/external audiences to share findings (minimum expectation: 1 internal, and 1 external presentation), with potential to do more than 1 internal presentation to different focused audiences.

An additional output, such as a framework, tool or graphic that would facilitate the communication of findings relating to the principles of how people can be effectively involved in systems may be appropriate.

The contract should include a period of 3 months after the completion of the final report to support with dissemination and ensuring the research has impact. The supplier should give consideration to delivering this as part of the proposal.

We are open to co-producing an article with the supplier in a peer reviewed journal.

3. Use of findings by supplier

12.1.4 any failure by the Supplier to commence the delivery of the Services by the Services Commencement Date;

that arise or result from the Supplier's negligent acts or omissions or breach of contract in connection with the performance of this Contract including the provision of the Services, except to the extent that such loss, damages, costs, expenses (including without limitation legal costs and expenses), claims or proceedings have been caused

by any act or omission by, or on behalf of, or in accordance with the instructions of, the Authority.

12.2 Liability under Clauses 12.1.1, 12.1.3 and 17.13 of this Schedule 2 of these Call-off Terms and Conditions and Clause 2.6 of 0 of these Call-off Terms and Conditions shall be unlimited. Liability under Clauses 12.1.2 and 12.1.4 of this Schedule 2 of these Call-off Terms and Conditions shall be subject to the limitation of liability set out in Clause 13 of this Schedule 2 of these Call-off Terms and Conditions.

12.3 In relation to all third party claims against the Authority, which are the subject of any indemnity given by the Supplier under this Contract, the Authority shall use its reasonable endeavours, upon a written request from the Supplier, to transfer the conduct of such claims to the Supplier unless restricted from doing so. Such restrictions may include, without limitation, any restrictions:

12.3.1 relating to any legal, regulatory, governance, information governance, or confidentiality obligations on the Authority; and/or

12.3.2 relating to the Authority's membership of any indemnity and/or risk pooling arrangements.

Such transfer shall be subject to the Parties agreeing appropriate terms for such conduct of the third party claim by the Supplier (to include, without limitation, the right of the Authority to be informed and consulted on the ongoing conduct of the claim following such transfer and any reasonable cooperation required by the Supplier from the Authority).

13 Limitation of liability

13.1 Nothing in this Contract shall exclude or restrict the liability of either Party:

13.1.1 for death or personal injury resulting from its negligence;

13.1.2 for fraud or fraudulent misrepresentation; or

13.1.3 in any other circumstances where liability may not be limited or excluded under any applicable law.

13.2 Subject to Clauses 12.2, 13.1, 13.3, and 13.5 of this Schedule 2 of these Call-off Terms and Conditions, the total liability of each Party to the other under or in connection with this Contract whether arising in contract, tort, negligence, breach of statutory duty or otherwise shall be limited in aggregate to the greater of: (a) five million GBP (£5,000,000); or (b) one hundred and twenty five percent (125%) of the total Contract Price paid or payable by the Authority to the Supplier for the Services.

13.3 There shall be no right to claim losses, damages and/or other costs and expenses under or in connection with this Contract whether arising in contract (to include, without limitation, under any relevant indemnity), tort, negligence, breach of statutory duty or otherwise to the extent that any losses, damages and/or other costs and expenses claimed are in respect of loss of production, loss of business opportunity or are in respect of indirect loss of any nature suffered or alleged. For the avoidance of doubt, without limitation, the Parties agree that for the purposes of this Contract the following costs, expenses and/or loss of income shall be direct recoverable losses (to include under any relevant indemnity) provided such costs, expenses and/or loss of income are properly evidenced by the claiming Party:

- 13.3.1 extra costs incurred purchasing replacement or alternative services;
- 13.3.2 costs associated with advising, screening, testing, treating, retreating or otherwise providing healthcare to patients;
- 13.3.3 the costs of extra management time; and/or
- 13.3.4 loss of income due to an inability to provide health care services,

in each case to the extent to which such costs, expenses and/or loss of income arise or result from the other Party's breach of contract, negligent act or omission, breach of statutory duty, and/or other liability under or in connection with this Contract.

13.4 Each Party shall at all times take all reasonable steps to minimise and mitigate any loss for which that Party is entitled to bring a claim against the other pursuant to this Contract.

13.5 If the total Contract Price paid or payable by the Authority to the Supplier over the Term:

13.5.1 is less than or equal to one million pounds (£1,000,000), then the figure of five million pounds (£5,000,000) at Clause 13.2 of this Schedule 2 of these Call-off Terms and Conditions shall be replaced with one million pounds (£1,000,000);

13.5.2 is less than or equal to three million pounds (£3,000,000) but greater than one million pounds (£1,000,000), then the figure of five million pounds (£5,000,000) at Clause 13.2 of this Schedule 2 of these Call-off Terms and Conditions shall be replaced with three million pounds (£3,000,000);

13.5.3 is equal to, exceeds or will exceed ten million pounds (£10,000,000), but is less than fifty million pounds (£50,000,000), then the figure of five million pounds (£5,000,000) at Clause 13.2 of this Schedule 2 of these Call-off Terms and Conditions shall be replaced with ten million pounds (£10,000,000) and the figure of one hundred and twenty five percent (125%) at Clause 13.2 of this Schedule 2 of these Call-off Terms and Conditions shall be deemed to have been deleted and replaced with one hundred and fifteen percent (115%); and

13.5.4 is equal to, exceeds or will exceed fifty million pounds (£50,000,000), then the figure of five million pounds (£5,000,000) at Clause 13.2 of this Schedule 2 of these Call-off Terms and Conditions shall be replaced with fifty million pounds (£50,000,000) and the figure of one hundred and twenty five percent (125%) at Clause 13.2 of this Schedule 2 of these Call-off Terms and Conditions shall be deemed to have been deleted and replaced with one hundred and five percent (105%).

13.6 Clause 13 of this Schedule 2 of these Call-off Terms and Conditions shall survive the expiry of or earlier termination of this Contract for any reason.

14 Insurance

14.1 Subject to Clauses 14.2 and 14.3 of this Schedule 2 of these Call-off Terms and Conditions and unless otherwise confirmed in writing by the Authority, as a minimum level of protection, the Supplier shall put in place and/or maintain in force at its own

cost with a reputable commercial insurer, insurance arrangements in respect of employer's liability, public liability and professional indemnity in accordance with Good Industry Practice with the minimum cover per claim of the greater of five million pounds (£5,000,000) or any sum as required by Law unless otherwise agreed with the Authority in writing. These requirements shall not apply to the extent that the Supplier is a member and maintains membership of each of the indemnity schemes run by the NHS Litigation Authority.

- 14.2 Without limitation to any insurance arrangements as required by Law, the Supplier shall put in place and/or maintain the different types and/or levels of indemnity arrangements specified in the Framework Agreement, if any.
- 14.3 Provided that the Supplier maintains all indemnity arrangements required by Law, the Supplier may self insure in order to meet other relevant requirements referred to at Clauses 14.1 and 14.2 of this Schedule 2 of these Call-off Terms and Conditions on condition that such self insurance arrangements offer the appropriate levels of protection and are approved by the Authority in writing prior to the Commencement Date.
- 14.4 The amount of any indemnity cover and/or self insurance arrangements shall not relieve the Supplier of any liabilities under this Contract. It shall be the responsibility of the Supplier to determine the amount of indemnity and/or self insurance cover that will be adequate to enable it to satisfy its potential liabilities under this Contract. Accordingly, the Supplier shall be liable to make good any deficiency if the proceeds of any indemnity cover and/or self insurance arrangement is insufficient to cover the settlement of any claim.
- 14.5 The Supplier warrants that it shall not take any action or fail to take any reasonable action or (in so far as it is reasonable and within its power) permit or allow others to take or fail to take any action, as a result of which its insurance cover may be rendered void, voidable, unenforceable, or be suspended or impaired in whole or in part, or which may otherwise render any sum paid out under such insurances repayable in whole or in part.
- 14.6 The Supplier shall from time to time and in any event within five (5) Business Days of written demand provide documentary evidence to the Authority that insurance arrangements taken out by the Supplier pursuant to Clause 14 of this Schedule 2 of these Call-off Terms and Conditions and/or the provisions of the Framework Agreement are fully maintained and that any premiums on them and/or contributions in respect of them (if any) are fully paid.
- 14.7 Upon the expiry or earlier termination of this Contract, the Supplier shall ensure that any ongoing liability it has or may have arising out of this Contract shall continue to be the subject of appropriate indemnity arrangements for the period of twenty one (21) years from termination or expiry of this Contract or until such earlier date as that liability may reasonably be considered to have ceased to exist.

15 Term and termination

- 15.1 This Contract shall commence on the Commencement Date and unless terminated earlier in accordance with the terms of this Contract or the general law, shall continue until the end of the Term.
- 15.2 The Authority:

- 15.2.1 subject to Clause 15.2.2 of this Schedule 2 of these Call-off Terms and Conditions, shall be entitled to extend the Term on one or more occasions by giving the Supplier written notice no less than three (3) months prior to the date on which this Contract would otherwise have expired, provided that the duration of this Contract shall be no longer than the total term referred to in the Key Provisions; or
- 15.2.2 where the Term or any extension of the Term expires at a date the same as or after expiry of the Framework Agreement (including any extensions of the Framework Agreement in accordance with its terms), shall only be entitled to extend the Term with the prior written agreement of the Supplier, such agreement not to be unreasonably withheld or delayed.
- 15.3 In the case of a breach of any of the terms of this Contract by either Party that is capable of remedy (including, without limitation any breach of any KPI and, subject to Clause 9.6 of this Schedule 2 of these Call-off Terms and Conditions, any breach of any payment obligations under this Contract), the non-breaching Party may, without prejudice to its other rights and remedies under this Contract, issue a Breach Notice and shall allow the Party in breach the opportunity to remedy such breach in the first instance via a remedial proposal put forward by the Party in breach ("**Remedial Proposal**") before exercising any right to terminate this Contract in accordance with Clause 15.4(ii) of this Schedule 2 of these Call-off Terms and Conditions. Such Remedial Proposal must be agreed with the non-breaching Party (such agreement not to be unreasonably withheld or delayed) and must be implemented by the Party in breach in accordance with the timescales referred to in the agreed Remedial Proposal. Once agreed, any changes to a Remedial Proposal must be approved by the Parties in writing. Any failure by the Party in breach to:
- 15.3.1 put forward and agree a Remedial Proposal with the non-breaching Party in relation to the relevant default or breach within a period of ten (10) Business Days (or such other period as the non-breaching Party may agree in writing) from written notification of the relevant default or breach from the non-breaching Party;
- 15.3.2 comply with such Remedial Proposal (including, without limitation, as to its timescales for implementation, which shall be thirty (30) days unless otherwise agreed between the Parties); and/or
- 15.3.3 remedy the default or breach notwithstanding the implementation of such Remedial Proposal in accordance with the agreed timescales for implementation,
- shall be deemed, for the purposes of Clause 15.4(ii) of this Schedule 2 of these Call-off Terms and Conditions, a material breach of this Contract by the Party in breach not remedied in accordance with an agreed Remedial Proposal.
- 15.4 Either Party may terminate this Contract by issuing a Termination Notice to the other Party if such other Party commits a material breach of any of the terms of this Contract which is:
- (i) not capable of remedy; or
 - (ii) in the case of a breach capable of remedy, which is not remedied in accordance with a Remedial Proposal.

- 15.5 The Authority may terminate this Contract by issuing a Termination Notice to the Supplier if:
- 15.5.1 the Supplier does not commence delivery of the Services by any Long Stop Date;
 - 15.5.2 the Supplier, or any third party guaranteeing the obligations of the Supplier under this Contract, ceases or threatens to cease carrying on its business; suspends making payments on any of its debts or announces an intention to do so; is, or is deemed for the purposes of any Law to be, unable to pay its debts as they fall due or insolvent; enters into or proposes any composition, assignment or arrangement with its creditors generally; takes any step or suffers any step to be taken in relation to its winding-up, dissolution, administration (whether out of court or otherwise) or reorganisation (by way of voluntary arrangement, scheme of arrangement or otherwise) otherwise than as part of, and exclusively for the purpose of, a bona fide reconstruction or amalgamation; has a liquidator, trustee in bankruptcy, judicial custodian, compulsory manager, receiver, administrative receiver, administrator or similar officer appointed (in each case, whether out of court or otherwise) in respect of it or any of its assets; has any security over any of its assets enforced; or any analogous procedure or step is taken in any jurisdiction;
 - 15.5.3 the Supplier undergoes a change of control within the meaning of sections 450 and 451 of the Corporation Tax Act 2010 (other than for an intra-group change of control) without the prior written consent of the Authority and the Authority shall be entitled to withhold such consent if, in the reasonable opinion of the Authority, the proposed change of control will have a material impact on the performance of this Contract or the reputation of the Authority;
 - 15.5.4 the Supplier purports to assign, Sub-contract, novate, create a trust in or otherwise transfer or dispose of this Contract in breach of Clause 28.1 of this Schedule 2 of these Call-off Terms and Conditions;
 - 15.5.5 pursuant to and in accordance with any termination rights set out in any Key Provisions and Clauses 15.6, 23.8; 25.2; 25.4 and 29.2 of this Schedule 2 of these Call-off Terms and Conditions; or
 - 15.5.6 the warranty given by the Supplier pursuant to Clause 10.5 of this Schedule 2 of these Call-off Terms and Conditions is materially untrue, the Supplier commits a material breach of its obligation to notify the Authority of any Occasion of Tax Non-Compliance as required by Clause 10.5 of this Schedule 2 of these Call-off Terms and Conditions, or the Supplier fails to provide details of proposed mitigating factors as required by Clause 10.5 of this Schedule 2 of these Call-off Terms and Conditions that in the reasonable opinion of the Authority are acceptable.
- 15.6 If the Authority, acting reasonably, has good cause to believe that there has been a material deterioration in the financial circumstances of the Supplier and/or any third party guaranteeing the obligations of the Supplier under this Contract and/or any material Sub-contractor of the Supplier when compared to any information provided to and/or assessed by the Authority as part of any procurement process or other due diligence leading to the award of this Contract to the Supplier or the entering into a Sub-contract by the Supplier, the following process shall apply:

- 15.6.1 the Authority may (but shall not be obliged to) give notice to the Supplier requesting adequate financial or other security and/or assurances for due performance of its material obligations under this Contract on such reasonable and proportionate terms as the Authority may require within a reasonable time period as specified in such notice;
- 15.6.2 a failure or refusal by the Supplier to provide the financial or other security and/or assurances requested in accordance with Clause 15.6 of this Schedule 2 of these Call-off Terms and Conditions in accordance with any reasonable timescales specified in any such notice issued by the Authority shall be deemed a breach of this Contract by the Supplier and shall be referred to and resolved in accordance with the Dispute Resolution Procedure; and
- 15.6.3 a failure to resolve such breach in accordance with such Dispute Resolution Procedure by the end of the escalation stage of such process (as set out in Clause 22.3 of this Schedule 2 of these Call-off Terms and Conditions) shall entitle, but shall not compel, the Authority to terminate this Contract in accordance with Clause 15.4(i) of this Schedule 2 of these Call-off Terms and Conditions.

In order that the Authority may act reasonably in exercising its discretion in accordance with Clause 15.6 of this Schedule 2 of these Call-off Terms and Conditions, the Supplier shall provide the Authority with such reasonable and proportionate up-to-date financial or other information relating to the Supplier or any relevant third party entity upon request.

- 15.7 The Authority may terminate this Contract by issuing a Termination Notice to the Supplier where:
 - 15.7.1 the Contract has been substantially amended to the extent that the Public Contracts Regulations 2015 require a new procurement procedure;
 - 15.7.2 the Authority has become aware that the Supplier should have been excluded under Regulation 57(1) or (2) of the Public Contracts Regulations 2015 from the procurement procedure leading to the award of this Contract;
 - 15.7.3 the Contract should not have been awarded to the Supplier in view of a serious infringement of obligations under European law declared by the Court of Justice of the European Union under Article 258 of the Treaty on the Functioning of the EU; or
 - 15.7.4 there has been a failure by the Supplier and/or one its Sub-contractors to comply with legal obligations in the fields of environmental, social or labour Law. Where the failure to comply with legal obligations in the fields of environmental, social or labour Law is a failure by one of the Supplier's Sub-contractors, the Authority may request the replacement of such Sub-contractor and the Supplier shall comply with such request as an alternative to the Authority terminating this Contract under this Clause 15.7.4.

- 15.8 If the Authority novates this Contract to any body that is not a Contracting Authority, from the effective date of such novation, the rights of the Authority to terminate this Contract in accordance with Clause 15.5.2 to Clause 15.5.4 of this Schedule 2 of these Call-off Terms and Conditions shall be deemed mutual termination rights and the Supplier may terminate this Contract by issuing a Termination Notice to the entity assuming the position of the Authority if any of the circumstances referred to in such Clauses apply to the entity assuming the position of the Authority.
- 15.9 Within three (3) months of the Commencement Date the Supplier shall develop and agree an exit plan with the Authority consistent with the Exit Requirements, which shall ensure continuity of the Services on expiry or earlier termination of this Contract. The Supplier shall provide the Authority with the first draft of an exit plan within one (1) month of the Commencement Date. The Parties shall review and, as appropriate, update the exit plan on each anniversary of the Commencement Date of this Contract.
- If the Parties cannot agree an exit plan in accordance with the timescales set out in this Clause 15.9 of this Schedule 2 of these Call-off Terms and Conditions (such agreement not to be unreasonably withheld or delayed), such failure to agree shall be deemed a Dispute, which shall be referred to and resolved in accordance with the Dispute Resolution Procedure.

16 Consequences of expiry or early termination of this Contract

- 16.1 Upon expiry or earlier termination of this Contract, the Authority agrees to pay the Supplier for the Services which have been completed by the Supplier in accordance with this Contract prior to expiry or earlier termination of this Contract.
- 16.2 Immediately following expiry or earlier termination of this Contract and/or in accordance with any timescales as set out in the agreed exit plan:
- 16.2.1 the Supplier shall comply with its obligations under any agreed exit plan;
- 16.2.2 all data, excluding Personal Data, documents and records (whether stored electronically or otherwise) relating in whole or in part to the Services, including without limitation relating to patients or other service users, and all other items provided on loan or otherwise to the Supplier by the Authority shall be delivered by the Supplier to the Authority provided that the Supplier shall be entitled to keep copies to the extent that (a) the content does not relate solely to the Services; (b) the Supplier is required by Law and/or Guidance to keep copies; or (c) the Supplier was in possession of such data, documents and records prior to the Commencement Date; and
- 16.2.3 any Personal Data Processed by the Supplier on behalf of the Authority shall be returned to the Authority or destroyed in accordance with the relevant provisions of the Data Protection Protocol.
- 16.3 The Supplier shall retain all data relating to the provision of the Services that are not transferred or destroyed pursuant to Clause 16.2 of this Schedule 2 of these Call-off Terms and Conditions for the period set out in Clause 24.1 of this Schedule 2 of these Call-off Terms and Conditions.
- 16.4 The Supplier shall cooperate fully with the Authority or, as the case may be, any replacement supplier during any re-procurement and handover period prior to and following the expiry or earlier termination of this Contract. This cooperation shall extend to providing access to all information relevant to the operation of this Contract

as reasonably required by the Authority to achieve a fair and transparent re-procurement and/or an effective transition without disruption to routine operational requirements.

- 16.5 Immediately upon expiry or earlier termination of this Contract any licence or lease entered into in accordance with any Order Form shall automatically terminate.
- 16.6 The expiry or earlier termination of this Contract for whatever reason shall not affect any rights or obligations of either Party which accrued prior to such expiry or earlier termination.
- 16.7 The expiry or earlier termination of this Contract shall not affect any obligations which expressly or by implication are intended to come into or continue in force on or after such expiry or earlier termination.
- 16.8 The expiry or earlier termination of the Framework Agreement shall not affect this Contract. For the avoidance of doubt, any obligations set out in the Framework Agreement that form part of this Contract shall continue to apply for the purposes of this Contract notwithstanding any termination of the Framework Agreement.

17 Staff information and the application of TUPE at the end of the Contract

- 17.1 Upon the day which is no greater than nine (9) months before the expiry of this Contract or as soon as the Supplier is aware of the proposed termination of the Contract, the Supplier shall, within twenty eight (28) days of receiving a written request from the Authority and to the extent permitted by Law, supply to the Authority and keep updated all information required by the Authority as to the terms and conditions of employment and employment history of any Supplier Personnel (including all employee liability information identified in regulation 11 of TUPE) and the Supplier shall warrant such information is full, complete and accurate.
- 17.2 No later than twenty eight (28) days prior to the Subsequent Transfer Date, the Supplier shall or shall procure that any Sub-contractor shall provide a final list to the Successor and/or the Authority, as appropriate, containing the names of all the Subsequent Transferring Employees whom the Supplier or Sub-contractor expects will transfer to the Successor or the Authority and all employee liability information identified in regulation 11 of TUPE in relation to the Subsequent Transferring Employees.
- 17.3 If the Supplier shall, in the reasonable opinion of the Authority, deliberately not comply with its obligations under Clauses 17.1 and 17.2 of this Schedule 2 of these Call-off Terms and Conditions, the Authority may withhold payment under Clause 9 of this Schedule 2 of these Call-off Terms and Conditions.
- 17.4 The Supplier shall be liable to the Authority for, and shall indemnify and keep the Authority indemnified against, any loss, damages, costs, expenses (including without limitation legal costs and expenses), claims or proceedings that arise or result from any deficiency or inaccuracy in the information which the Supplier is required to provide under Clauses 17.1 and 17.2 of this Schedule 2 of these Call-off Terms and Conditions.
- 17.5 Subject to Clauses 17.6 and 17.7 of this Schedule 2 of these Call-off Terms and Conditions, during the period of nine (9) months preceding the expiry of this Contract or after notice of termination of this Contract has been served by either Party, the Supplier shall not, and shall procure that any Sub-contractor shall not, without the prior

written consent of the Authority, such consent not to be unreasonably withheld or delayed:

- 17.5.1 make, propose or permit any material changes to the terms and conditions of employment or other arrangements of any of the Supplier Personnel;
 - 17.5.2 increase or seek to increase the emoluments (excluding cost of living increases awarded in the ordinary course of business) payable to any of the Supplier Personnel;

 - 17.5.4 deploy any person other than the Supplier Personnel to perform the Services;
 - 17.5.5 terminate or give notice to terminate the employment or arrangements of any of the Supplier Personnel;
 - 17.5.6 increase the proportion of working time spent on the Services by any of the Supplier Personnel; or
 - 17.5.7 introduce any new contractual term or customary practice concerning the making of any lump sum payment on the termination of employment of any of the Supplier Personnel.
- 17.6 Clause 17.5 of this Schedule 2 of these Call-off Terms and Conditions shall not prevent the Supplier or any Sub-contractor from taking any of the steps prohibited in that Clause in circumstances where the Supplier or Sub-contractor is required to take such a step pursuant to any changes in legislation or pursuant to a collective agreement in force at that time.
- 17.7 Where the obligations on the Supplier under Clause 17 of this Schedule 2 of these Call-off Terms and Conditions are subject to the Data Protection Legislation, the Supplier will, and shall procure that any Sub-contractor will, use its best endeavours to seek the consent of the Supplier Personnel to disclose any information covered under the Data Protection Legislation and utilise any other exemption or provision within the Data Protection Legislation which would allow such disclosure.
- 17.8 Having as appropriate gained permission from any Sub-contractor, the Supplier hereby permits the Authority to disclose information about the Supplier Personnel to any Interested Party provided that the Authority informs the Interested Party in writing of the confidential nature of the information.
- 17.9 The Parties agree that where a Successor or the Authority provides the Services or services which are fundamentally the same as the Services in the immediate or subsequent succession to the Supplier or Sub-contractor (in whole or in part) on expiry or early termination of this Contract (howsoever arising) TUPE, the Cabinet Office Statement and Fair Deal for Staff Pensions may apply in respect of the subsequent provision of the Services or services which are fundamentally the same as the Services. If TUPE, the Cabinet Office Statement and Fair Deal for Staff Pensions apply then Clause 17.11 to Clause 17.14 of this Schedule 2 of these Call-off Terms and Conditions and (where relevant) the requirements of Clause 1.15 of Part D of Schedule 7 of the NHS Terms and Conditions for the Provision of Services (Contract Version) (December 2016) shall apply.

- 17.10 If on the termination or at the end of the Contract TUPE does not apply, then all Employment Liabilities and any other liabilities in relation to the Supplier Personnel shall remain with the Supplier or Sub-contractor as appropriate. The Supplier will, and shall procure that any Sub-contractor shall, indemnify and keep indemnified the Authority in relation to any Employment Liabilities arising out of or in connection with any allegation or claim raised by any Supplier Personnel.
- 17.11 In accordance with TUPE, and any other policy or arrangement applicable, the Supplier shall, and will procure that any Sub-contractor shall, comply with its obligations to inform and consult with the appropriate representatives of any of its employees affected by the subsequent transfer of the Services or services which are fundamentally the same as the Services.
- 17.12 The Supplier will and shall procure that any Sub-contractor will on or before any Subsequent Transfer Date:
- 17.12.1 pay all wages, salaries and other benefits of the Subsequent Transferring Employees and discharge all other financial obligations (including reimbursement of any expenses and any contributions to retirement benefit schemes) in respect of the period between the Transfer Date and the Subsequent Transfer Date;
 - 17.12.2 account to the proper authority for all PAYE, tax deductions and national insurance contributions payable in respect of the Subsequent Transferring Employees in the period between the Transfer Date and the Subsequent Transfer Date;
 - 17.12.3 pay any Successor or the Authority, as appropriate, the amount which would be payable to each of the Subsequent Transferring Employees in lieu of accrued but untaken holiday entitlement as at the Subsequent Transfer Date;
 - 17.12.4 pay any Successor or the Authority, as appropriate, the amount which fairly reflects the progress of each of the Subsequent Transferring Employees towards achieving any commission, bonus, profit share or other incentive payment payable after the Subsequent Transfer Date wholly or partly in respect of a period prior to the Subsequent Transfer Date; and
 - 17.12.5 subject to any legal requirement, provide to the Successor or the Authority, as appropriate, all personnel records relating to the Subsequent Transferring Employees including, without prejudice to the generality of the foregoing, all records relating to national insurance, PAYE and income tax. The Supplier shall for itself and any Sub-contractor warrant that such records are accurate and up to date.
- 17.13 The Supplier will and shall procure that any Sub-contractor will indemnify and keep indemnified the Authority and/or a Successor in relation to any Employment Liabilities arising out of or in connection with any claim arising from:
- 17.13.1 the Supplier's or Sub-contractor's failure to perform and discharge its obligations under Clause 17.12 of this Schedule 2 of these Call-off Terms and Conditions;

- 17.13.2 any act or omission by the Supplier or Sub-contractor in respect of the Subsequent Transferring Employees occurring on or before the Subsequent Transfer Date;
 - 17.13.3 any allegation or claim by any person who is not a Subsequent Transferring Employee but who alleges that their employment should transfer or has transferred to the Successor or the Authority, as appropriate;
 - 17.13.4 any emoluments payable to a person employed or engaged by the Supplier or Sub-contractor (including without limitation all wages, accrued holiday pay, bonuses, commissions, PAYE, national insurance contributions, pension contributions and other contributions) payable in respect of any period on or before the Subsequent Transfer Date;
 - 17.13.5 any allegation or claim by any of the Subsequent Transferring Employees on the grounds that the Successor or Authority, as appropriate, has failed to continue a benefit provided by the Supplier or Sub-contractor as a term of such Subsequent Transferring Employee's contract as at the Subsequent Transfer Date where it was not reasonably practicable for the Successor or Authority, as appropriate, to provide an identical benefit but where the Successor or Authority, as appropriate, has provided (or offered to provide where such benefit is not accepted by the Subsequent Transferring Employee) an alternative benefit which, taken as a whole, is no less favourable to such Subsequent Transferring Employee; and
 - 17.13.6 any act or omission of the Supplier or any Sub-contractor in relation to its obligations under regulation 13 of TUPE, or in respect of an award of compensation under regulation 15 of TUPE except to the extent that the liability arises from the Successor's or Authority's failure to comply with regulation 13(4) of TUPE.
- 17.14 The Supplier will, or shall procure that any Sub-contractor will, on request by the Authority provide a written and legally binding indemnity in the same terms as set out in Clause 17.13 of this Schedule 2 of these Call-off Terms and Conditions to any Successor in relation to any Employment Liabilities arising up to and including the Subsequent Transfer Date.
- 17.15 The Supplier will indemnify and keep indemnified the Authority and/or any Successor in respect of any Employment Liabilities arising from any act or omission of the Supplier or Sub-contractor in relation to any other Supplier Personnel who is not a Subsequent Transferring Employee arising during any period whether before, on or after the Subsequent Transfer Date.
- 17.16 If any person who is not a Subsequent Transferring Employee claims or it is determined that their contract of employment has been transferred from the Supplier or any Sub-contractor to the Authority or Successor pursuant to TUPE or claims that their employment would have so transferred had they not resigned, then:
- 17.16.1 the Authority will, or shall procure that the Successor will, within seven (7) days of becoming aware of that fact, give notice in writing to the Supplier;
 - 17.16.2 the Supplier may offer (or may procure that a Sub-contractor may offer) employment to such person within twenty eight (28) days of the notification by the Authority or Successor;

- 17.16.3 if such offer of employment is accepted, the Authority will, or shall procure that the Successor will, immediately release the person from their employment; and
- 17.16.4 if after the period in Clause 17.16.2 of this Schedule 2 of these Call-off Terms and Conditions has elapsed, no such offer of employment has been made or such offer has been made but not accepted, the Authority will, or shall procure that the Successor will (whichever is the provider of the Services or services of the same or similar nature to the Services), employ that person in accordance with its obligations and duties under TUPE and shall be responsible for all liabilities arising in respect of any such person after the Subsequent Transfer Date.

18 Complaints

- 18.1 To the extent relevant to the Services, the Supplier shall have in place and operate a complaints procedure which complies with the requirements of the Local Authority Social Services and National Health Service Complaints (England) Regulations 2009.
- 18.2 Each Party shall inform the other of all complaints from or on behalf of patients or other service users arising out of or in connection with the provision of the Services within twenty four (24) hours of receipt of each complaint and shall keep the other Party updated on the manner of resolution of any such complaints.

the 1990s, the number of people in the UK who are employed in the public sector has increased by 1.5 million, from 2.5 million in 1980 to 4 million in 1999. The public sector has also become an important employer of people with disabilities, with 1.5 million people with disabilities employed in the public sector in 1999, compared with 1.2 million in 1980.

There are a number of reasons why the public sector has become an important employer of people with disabilities. One reason is that the public sector has a long history of employing people with disabilities. In the 19th century, the public sector employed people with disabilities in a number of different roles, including as clerks, typists, and stenographers. In the 20th century, the public sector continued to employ people with disabilities, but in a more limited capacity. It was not until the 1970s that the public sector began to employ people with disabilities in a more significant way.

One of the main reasons why the public sector has become an important employer of people with disabilities is that it has a large and growing workforce. The public sector is one of the largest employers in the UK, with over 4 million people employed in 1999. This means that there are a large number of opportunities for people with disabilities to find employment in the public sector.
