

Clarifications to Bidders Questions - PZ-00095, MusicAbility Centre Phase 1

Query 1

“We assume that site surveys are to be co-ordinated with yourself?”

Response 1

Please refer to the Preliminaries & Appendices documents for detail on existing surveys and surveys to be conducted when the Contractor takes possession of the site including references below. Co-ordination and notification with Contract Administrator (CA) is required.

Preliminaries

112: Co-Ordinating the Work

140: Existing Mains/ Surveys

171 Site Investigation

285: Condition Survey

Appendices (Refer to surveys provided in the appendices below):

B – Schedule of Condition

C - Asbestos Survey Reports

D – Ecology Report

E – Feasibility Design and Access Statement

F - Fire Safety Report

G- Heritage Statement

J – Topographical and Measured Survey Drawings
