

0 10M
Scale: 1:100@A3

EXISTING ELEVATION SOUTH EAST

EXISTING ELEVATION NORTH EAST

EXISTING GROUND FLOOR

EXISTING ELEVATION NORTH WEST

IMPORTANT

Adjustments may be required. This drawing and dimensions are provided as a visual guide only. Dimensions are not accurate as building variations are too great for precision measurement in all areas.

It is the responsibility of all Contractors to physically set-out all positions, measure and make all necessary adjustments prior to ordering materials and prior to and during construction.
