Contract Title:	Contract for the Provision of Research Support for the UK Perspectives Project (The Contract)		
Contract Reference:	CCSN17A34 – 1	Contract Change Number:	1
Date CCCN issued:	17/08/2018	Date Change Effective from:	20/08/2018

Between: The Cabinet Office (The Authority) and Ipsos Mori (The Supplier)

1. The Contract is varied as follows:
 - 1.1. In order to cover increased unexpected costs associated with the level of fieldwork needed, the Authority has confirmed the value of the contract shall increase by no more than £10,000.00. The new contract value shall be £218,007.00.
 - 1.2. The increase in the costs was due to the increased level of resource needed to conduct the fieldwork. The length of time taken to conduct each quantitative survey with each respondent exceeded the time that was originally accounted for. Due to their being 1000 respondents in each nation of the UK, this resulted in some significant increases in work hours.
2. Words and expressions in this Contract Change Control Notice shall have the meanings given to them in the Contract.
3. The Contract, including any previous contract changes, authorised in writing by both Parties, shall remain effective and unaltered except as amended by this Contract Change Control Notice.
