- 1.1 The Supplier shall take out and maintain, or procure the taking out and maintenance of the insurances as set out in the Annex to this Schedule, any additional insurances required under an Order Contract (specified in the applicable Order Form) ("**Additional Insurances**") and any other insurances as may be required by applicable Law (together the "**Insurances**"). The Supplier shall ensure that each of the Insurances is effective no later than:
 - 1.1.1 the DPS Start Date in respect of those Insurances set out in the Annex to this Schedule and those required by applicable Law; and
 - 1.1.2 the Order Contract Effective Date in respect of the Additional Insurances.
- 1.2 The Insurances shall be:
 - 1.2.1 maintained in accordance with Good Industry Practice;
 - 1.2.2 (so far as is reasonably practicable) on terms no less favourable than those generally available to a prudent contractor in respect of risks insured in the international insurance market from time to time;
 - 1.2.3 taken out and maintained with insurers of good financial standing and good repute in the international insurance market; and
 - 1.2.4 maintained for at least six (6) years after the End Date.
- 1.3 The Supplier shall ensure that the public and products liability policy contain an indemnity to principals clause under which the Relevant Authority shall be indemnified in respect of claims made against the Relevant Authority in respect of death or bodily injury or third party property damage arising out of or in connection with the Deliverables and for which the Supplier is legally liable.

How to manage the insurance

- 2.1 Without limiting the other provisions of this Contract, the Supplier shall:

What happens if you aren't insured

- 3.1 The Supplier shall not take any action or fail to take any action or (insofar as is reasonably within its power) permit anything to occur in relation to it which would entitle any insurer to refuse to pay any claim under any of the Insurances.
- 3.2 Where the Supplier has failed to purchase or maintain any of the Insurances in full force and effect, the Relevant Authority may elect (but shall not be obliged) following written notice to the Supplier to purchase the relevant Insurances and recover the reasonable premium and other reasonable costs incurred in connection therewith as a debt due from the Supplier.

Evidence of insurance you must provide

- 4.1 The Supplier shall upon the Start Date and within 15 Working Days after the renewal of each of the Insurances, provide evidence, in a form satisfactory to the Relevant Authority, that the Insurances are in force and effect and meet in full the requirements of this Schedule.

Making sure you are insured to the required amount

- 5.1 The Supplier shall ensure that any Insurances which are stated to have a minimum limit "in the aggregate" are maintained at all times for the minimum limit of indemnity specified in this Contract and if any claims are made which do not relate to this Contract then the Supplier shall notify the Relevant Authority and provide details of its proposed solution for maintaining the minimum limit of indemnity.

Cancelled Insurance

- 6.1 The Supplier shall notify the Relevant Authority in writing at least five (5) Working Days prior to the cancellation, suspension, termination or nonrenewal of any of the Insurances.

The Supplier shall use all reasonable endeavours to notify the Relevant Authority (subject to third party confidentiality obligations) as soon as practicable when it becomes aware of any relevant fact, circumstance or matter which has caused, or is reasonably likely to provide grounds to, the relevant insurer to give notice to cancel, rescind, suspend or void any insurance, or any cover or claim under any insurance in whole or in part.

Insurance claims

- 7.1 The Supplier shall promptly notify to insurers any matter arising from, or in relation to, the Deliverables, or each Contract for which it may be entitled to claim under any of the Insurances. In the event that the Relevant Authority receives a claim relating to or arising out of a Contract or the Deliverables, the

- 7.3 Where any Insurance requires payment of a premium, the Supplier shall be liable for and shall promptly pay such premium.
- 7.4 Where any Insurance is subject to an excess or deductible below which the indemnity from insurers is excluded, the Supplier shall be liable for such excess or deductible. The Supplier shall not be entitled to recover from the Relevant Authority any sum paid by way of excess or deductible under the Insurances whether under the terms of this Contract or otherwise.

Order Schedule 20 (Order Specification)

This Schedule sets out the characteristics of the Deliverables that the Supplier will be required to make to the Buyers under this Order Contract:

PURPOSE

Defence Equipment and Support (DE&S) require a Contract for a Supplier to deliver a reputation measurement service.

This requirement will initially run from the period 08 Nov 2023 to 31 March 2024 with an option for an additional one (1) year.

BACKGROUND TO REQUIREMENT/OVERVIEW OF REQUIREMENT

It is essential that DE&S fully understands its reputation among key stakeholders, including MPs, Senior Civil Servants, media and key industry leaders. The ability for DE&S leaders to gain an understanding of how DE&S is viewed among these stakeholders will give insight on the effectiveness of its current communications and engagement strategies and inform and help optimise future communications and engagement with key audiences.

Reputation is recognised as a strategic risk (SR35) for DE&S. What the organisation does is inherently complex and parts of its portfolio are prone to public debate, speculation and criticism. In particular, complex major programmes, many of which DE&S manages for Defence, are regularly criticised for overruns in both time to deliver new equipment and cost. These complex major programmes are a small proportion of what the organisation delivers, but the profile of DE&S' support and equipment work outside major programmes is low. DE&S' reputation is difficult to disengage with that of 'Defence procurement / acquisition' as a whole.

There have been successive reports and reviews of procurement which have criticised the current system and performance, including the HCDC Report into DE&S which was published in July this year. Public debate about individual major programmes overshadows the strong delivery of everyday procurement (and core services) being delivered by DE&S. Whilst reputation is considered a strategic risk, the organisation is yet to establish metrics to adequately measure our status against this risk, interrogate ways to improve it and draw data to inform our approach to improve.

The UK's reputation for defence procurement is inherently part of the UK's wider deterrent power. Our ability to demonstrate strong armed forces, capable of protecting the UK and its allies from our adversaries, is in part dependent on the reputation of its procurement function.
