Client:

The Royal Parks

Drawing Title:

Tennis Centre with aerial imagery

Project:

Diana Borehole No.2 Water Distribution

The information that this drawing carries remains the property of IrriPlan Limited. This drawing is protected by copyright and may not be reproduced, copied or used for any purpose without the written consent of IrriPlan.

Notes:

This drawing shows, together with aerial imagery, the vegetation of the site. The vegetation management of the site shall be governed by the Park Manager and no planting/landscaping is included within this contract for the distribution works, excepting immediate reinstatement of the area around the pump house and tank to a standard suitable for the Park Manager to take forward.

The fabrication and supply of the gates and fencing, including repairs to any removed as part of the works or damaged during the course of the works are the responsibility of the contractor
