Banwell Parish Recreation Ground Upgrade Scope for Play Equipment and Picnic tables

1. Play Equipment

- Provide individual quotes including pictures or photographs and data sheets of the equipment and details for supply and installation including all preparatory and installation ground work and remedial/site clearance work following completion of the installation for the following items of play equipment:
 - a. Approximately 30m zipline (with grass matting)
 - b. Concrete table tennis table (with permeable safety surfacing)
 - c. Small to medium climber suitable for children in the age range 5 – 11yrs (with permeable safety surfacing)
 - d. Toddler seesaw (with permeable safety surfacing)
- All Equipment must have the relevant safety surface included in the quote.
- Please quote for both grass grow through matting and rubber surfacing (unless specified) without an edge.
- Please supply details of all relevant standards the equipment will meet.
- The trees on the northern boundary of the site are to be separated from the work area during construction of the zipline in order to cordon off the tree root protection area (RPA) as shown on the enclosed plan. The cost of this work is to be included in the tender price and the nature of the protection structure is to be specified

2. Picnic tables:

- Provide individual quotes including pictures, photographs and data sheets for supply and installation including all preparatory and installation ground work and remedial/site clearance work for the following picnic benches;
 - a. Two Wheelchair accessible picnic tables to match existing on site
 - b. One standard hexagonal picnic bench to match existing on site
 - c. The relocation of the existing Toddler Area picnic bench to the position shown on the plan

3. Maintenance for play equipment and benches:

- All equipment quoted for must require minimal maintenance, with no deep strip or special tooling required to provide scheduled maintenance.
- Please supply details of the required maintenance for a 5 year period and the life expectancy from installation for each item of the equipment specified in your tender
- Please provide details of your guarantee for the work and the individual pieces of equipment
