

**Important:**  
This drawing is the copyright © of Chapman BDSP and shall not be copied or reproduced without permission  
Unless stated otherwise, all dimensions are in millimetres  
DO NOT SCALE FROM THIS DRAWING  
All service routes and equipment locations are indicative, actual locations shall be determined by site dimensions  
Where applicable, all dimensions shall be checked by the contractor on-site, prior to commencement of any works  
THIS IS NOT AN INSTALLATION DRAWING  
Requirements of the Health & safety at Work Act 1974 & subsequent amendments thereto are brought to the attention of all those who design, install or maintain plant and equipment shown on these drawings or are required to enter areas shown on these drawings  
This drawing is provided to indicate design intent for the mechanical services arrangements. The mechanical contractor shall be responsible for the detailed design & installation of the complete mechanical services & ancillary services installations. For individual system requirements, refer to the mechanical services specification & project room data sheets  
This drawing shall be read in-conjunction with all other contract documentation & drawings. This shall include, but not be limited to, the following:  
- Electrical services drawings  
- Mechanical services drawings  
- Engineering room data sheets  
- Engineering specifications  
- Architectural drawings & specifications  
- Architectural room data sheets  
- Structural engineering drawings & documentation  
- Main contract preliminaries  
All works shall be designed & installed in full compliance with the appropriate British Standards for that specific system. Particular attention shall be paid to ensuring full compliance with:  
The mechanical contractor shall be responsible for coordination of the mechanical services installation with all other building services arrangements  
For details of symbols & legends used on this drawing refer to drawing: 53668/M/001
