

Selection Questionnaire

You are **0%** through this questionnaire

Welcome to the standard Selection Questionnaire.

To apply for a public sector contract opportunity (as defined by the Public Contracts Regulations 2015), organisations must complete a standard Selection Questionnaire.

The Selection Questionnaire enables you to make a self-declaration, on behalf of your organisation, in the following areas:

- Part 1 - your organisation and proposed bidding model
- Part 2 - grounds for exclusion from procurement procedures
- Part 3 - financial standing and technical capacity

When you have completed this Selection Questionnaire, it can be shared with the relevant contracting authority to apply for a contract opportunity.

► Download the Selection Questionnaire questions

You can download and review the Selection Questionnaire before completing. Until you choose to submit the Selection Questionnaire, you can edit your answers at any time.

[Download the Selection Questionnaire](#)

► Creating a Selection Questionnaire template

You can create a template Selection Questionnaire, to edit and share with contracting authorities at a later date. When creating a template, you should save and exit the Selection Questionnaire instead of choosing to submit your answers.

► About the Supplier Registration Service

The Supplier Registration Service is the government platform for suppliers to register and complete standard Selection Questionnaires. Your account on the Supplier Registration Service is linked to [Contracts Finder](#), where you can search for public sector contract opportunities.
