4. PERFORMANCE QUALITY

(4.1) Key Performance Indicators

[NA]

[Guidance: Insert details of any specific KPI's applicable to the Supplier here.]

(4.2) Service Levels and Service Credits

When providing the Goods and/or Services, the Supplier shall as a minimum ensure that it achieves the following service levels:

NA

If the level of performance of the Supplier during the Contract Period:

- (i) fails to achieve a Service Level in respect of each element of the Service, then the Customer shall be entitled to deduct the Service Credits from the Contract Price; and/or
- (ii) constitutes a Critical Service Failure, the Customer shall be entitled to terminate this Contract.

[Guidance: It is intended that the definition of critical service failure should link to a specified threshold of service level performance. The intention is to provide certainty over what level of service would trigger a termination right. If you wish to include such a concept then the definition above should be populated with relevant thresholds.]
