II.1.4) Short description of the contract or purchase(s)

Applications were invited from experienced providers of construction (building) works and services who can provide high quality works and services using a customer focused approach particularly in the public sector. It is anticipated that the works and services will be provided by the providers themselves and/or through their supply chain.

The specific works and services that may be procured under the framework cannot be clearly defined at this stage, however the nature and types of works that may be required may include those services identified by CPV code on or in connection with any land or property and related asset owned, rented, leased or developed by any of the public sector bodies eligible to use the framework or on property or related assets in which any of the public sector bodies may have an interest at the time or prospectively and may include projects in the following sectors, amongst others:

- education, housing, social care, leisure, libraries, blue light, health and social care, offices, transport, military, farms, recycling and waste centres, industrial and commercial buildings and other public sector operational buildings and establishments.

The works and services will comprise all types of building construction works and associated mechanical, electrical and services works and may include design and other services as required for a develop and construct or design and build works. The provider will be expected to work closely and cooperate with local government and other contracting authorities, in-house and external design consultants, contractors and other partner providers. All contract performance will be monitored using a set of comprehensive performance indicators.

The public sector bodies to whom the use of this framework agreement will be open, include without limitation, the following contracting authorities commissioning construction (building) works and services in the geographical areas stated in II.1.2 (and any future successors to these organisations):
